hispánicas en la gran pantalla allows students discover the astounding diversity of the spanish speaking world in a unique and engaging way the enciclopedia de lingüística hispánica provides comprehensive coverage of the major and subsidiary fields of spanish linguistics entries are extensively cross referenced and arranged alphabetically within three main sections part 1 covers linguistic disciplines approaches and methodologies part 2 brings together the grammar of spanish including subsections on phonology morphology syntax and semantics part 3 brings together the historical social and geographical factors in the evolution of spanish drawing on the expertise of a wide range of contributors from across the spanish speaking world the enciclopedia de lingüística hispánica is an indispensable reference for undergraduate and postgraduate students of spanish and for anyone with an academic or professional interest in the spanish language spanish linguistics 1917 organization number published nov 1917 cerca de quinientos millones de personas tienen el español como lengua materna una lengua puente que une a hablantes de más de veinte países repartidos por todo el globo tan considerable extensión unida a una vitalidad extraordinaria hacen del español un idioma que manteniendo su unidad se expresa con variedades y matices propios en cada uno de los países que lo han hecho suyo con modalidades tan radicales como el lunfardo argentino o el yanito gibraltareño por eso aunque entre nosotros nos entendamos sin mayor esfuerzo en el día a día esas variantes pueden provocar pequeños desencuentros situaciones divertidas y curiosas que este libro recoge de la mano de algunos de nuestros autores más representativos de uno y otro lado del charco desde 1973 hasta la fecha la colección letras hispánicas ha reunido seiscientos títulos de autores clásicos españoles e hispanoamericanos la poesía ha estado presente desde sus comienzos un total de ciento sesenta y dos volúmenes repartidos por épocas contiene el género lírico obras completas libros de poemas antologías generales y de autor forman un catálogo que cubre casi en su totalidad la historia de la poesía española e hispanoamericana esta antología tiene el propósito de ser una invitación a leer poesía y una introducción que anime a los lectores a buscar y leer las obras completas de los autores recogidos en sus páginas the enciclopedia de lingüística hispánica provides comprehensive coverage of the major and subsidiary fields of spanish linguistics curiosidades bulos novedades falsos amigos y otras cuestiones para disfrutar de la lengua española qué palabras están transformando nuestro mundo almónida y coqueta están aceptadas cuáles son los cambios de la lengua que han resultado más polémicos hay palabras caníbales la lengua es el patrimonio inmaterial más grande que tienen todos los hablantes de un mismo idioma en los 1001 asuntos que se tratan en este libro se analizan palabras que han cruzado océanos y han atravesado continentes de punta a punta para enriquecer el español la lengua que compartimos casi seiscientos millones de personas en el mundo como ketchup charol té y otras muchas más y voces y

expresiones para nombrar nuevas realidades como selfi gentrificación o dietismo que han venido para quedarse en nuestra época esas eternas dudas como cuándo emplear sino y cuándo si no o si el punto va fuera o dentro de los paréntesis también tienen su hueco en esta obra en definitiva 1001 curiosidades palabras y expresiones del español constituye un recorrido aleatorio instructivo y ameno por nuestra lengua un cofre que encierra 1001 tesoros para degustarla en pequeñas dosis de diez en diez con prólogo de mario tascón english description language curiosities word tricks false cognates and other peculiarities to enjoy and understand the spanish language what words are transforming our world what have been the most controversial language changes are there cannibalizing words language is the largest intangible heritage that all speakers of a same language have the 1001 themes covered in this book analyze such things as words that have crossed oceans and spanned continents from end to end to enrich the spanish language one shared by almost six hundred million people in the world and it also analyzes expressions that have risen to give names to our new realities such as selfie or gentrification such eternal doubts like if the period goes inside or outside of parentheses are also touched upon in this work in short 1001 curiosities words and expressions of the spanish language constitutes a random instructive and entertaining journey through our language a treasure chest that contains 1001 gems that can be read and enjoyed little by little in small quantities prologue by mario tascón se ofrece un amplio abanico de temas de lingüística y literatura hispanas tratando desde los orígenes del castellano hasta los aspectos de la diversidad lingüística y cultural mexicana contiene múltiples artículos sobre autores de origen hispano y también escritos por ellos mismos en especial de robert verdonk malcolm k read employs a psychoanalytic model which sees civilization as a manner of instinctual renunciation in this analysis of selected texts from the sixteenth seventeenth and eighteenth centuries focusing on their moments of silence and contradiction he demonstrates that certain attitudes toward the body expressed in these texts have a basis albeit unconscious in a motivation which is ultimately political the central topics deeply intertwined thematically and theoretically relate to the nature and development of language to the baroque art of gongora and quevedo to feijoo s defense of the rationalist subject set against torres villarroel s subversion of the same and to the neo classical aesthetics of luzan and arteaga the result is an interdisciplinary approach that challenges traditional assumptions in both literary criticism and linguistic historiography este libro se ocupa por una parte del español estándar y afronta cuestiones gramaticales básicas y por otra trata de lo que el autor llama lenguaje literal es decir el que como los refranes forman parte también de la competencia idiomática aquí fernando lázaro ahonda en el mayor enigma de la lengua los rasgos que diferencian el lenguaje artístico del lenguaje corriente includes section bibliografía hispanoamericana elicio y erastro son dos pastores enamorados de galatea una hermosísima pastora que reúne todas las demás virtudes de las heroínas cervantinas discreción es decir inteligencia y buen juicio honestidad bondad pero galatea adora su independencia espiritual y no quiere verse sujetada por el yugo amoroso así que hará sufrir de desdenes a los dos pastores this volume presents an overview of the issues and critical debates in the field of women s studies including original essays by pioneering scholars as well as by younger specialists new pathfinding models of theoretical analysis are balanced with a careful revisiting of the historical foundations of women s studies las fábulas 1781 de samaniego obtuvieron gran éxito desde su publicación y han sido utilizadas como texto escolar durante muchos años toman su asunto de esopo fedro la fontaine y john gay y lo adaptan en un estilo natural y gracioso despojadas de metáforas y recursos literarios difíciles van directas a la mente del destinatario infantil las fábulas ha sido un clásico permanente y por ello era imprescindible su publicación en letras hispánicas la aportación más notable de esta edición es la deuda que samaniego tiene con el fabulista inglés john gay el libro se consagra a un doble ámbito de investigación los estudios sobre las mujeres y sobre los géneros sexuales mujeres feminidad masculinidad sexualidad y erotismo son algunos de los temas que aborda el monográfico a lo largo de sus catorce artículos y a través de obras de diferentes literaturas en lengua española desde la edad media hasta nuestro presente más inmediato the book constitutes the first attempt to provide an overview of the reception of foreign drama in spain during the franco dictatorship john london analyses performance stage design translation censorship and critical reviews in relation to the works of many authors including noel coward arthur miller eugene ionesco and samuel beckett he compares the original reception of these dramatists with the treatment they were given in spain however his study is also a reassessment of the spanish drama of the period dr london argues that only by tracing the reception of non spanish drama can we understand the praise lavished on playwrights such as antonio buero vallejo and alfonso sastre alongside the simultaneous rejection of spanish avant garde styles a concluding reinterpretation of the early plays of fernando arrabal indicates the richness of an alternative route largely ignored in histories of spanish theatre the spanish novel in a turbulent century 1914 1920 why the twenties recent scholarship has been pointing out more and more clearly that in spain too the twenties were a period in which both radical and varied change was being striven for an obsolete mainstream cultural practice was being confronted by an increasing interest in such novelties as sports jazz bands silent movies or even the first stirrings of feminism it is the decade of reviews promoting various isms from ultraism to surrealism and of valle inclán s grotesque esperpento which heralded the fall of primo de rivera s dictatorship the essays assembled here treat some of these and many other aspects the authors base their contributions on recent criticism and many years of dedication to the field and propose new directions for fertile future investigations the corpus of literary works shaped by the renaissance and the baroque that appeared in spain during the sixteenth and seventeenth centuries had a transforming effect on writing throughout europe and left a rich legacy that scholars continue to explore for four decades after the spanish civil war the study of this literature flourished in great britain and ireland where many of the leading scholars in the field were based though this particular golden age was followed by a decline for many years there have recently been signs of a significant revival the present book seeks to showcase the latest research of established and younger colleagues from great britain and ireland on the spanish

golden age it falls into four sections in each of which works by particular authors are examined in detail prose miguel de cervantes francisco de quevedo baltasar gracian poetry the count of salinas luis de gongora pedro soto de rojas drama cervantes calderon lope de vega and colonial writing bernardo balbuena hernando dominguez camargo alonso de ercilla there are essays also on more general themes the motif of poetry as manna rehearsals on the golden age stage proposals put to viceroys on governing spanish naples the essays taken together offer a representative sample of current scholarship in england scotland and ireland essays on key aspects of cultural religious and intellectual life in early modern spain in this survey of the history of spanish cinema in the spanish dictatorship and democratic periods the author argues that studies of adaptations must simultaneously address questions of text formal issues central to the study of film and literature and context crucial ideological concerns written by leading experts in the area the routledge handbook of spanish translation studies brings together original contributions representing a culmination of the extensive research to date within the field of spanish translation studies the handbook covers a variety of translation related issues both theoretical and practical providing an overview of the field and establishing directions for future research it starts by looking at the history of translation in spain the americas during the colonial period and latin america and then moves on to discuss well established areas of research such as literary translation and audiovisual translation at which spanish researchers have excelled it also provides state of the art information on new topics such as the interface between translation and humour on the one hand and the translation of comics on the other this handbook is an indispensable resource for postgraduate students and researchers of translation studies what distinguishes an adventure novel from a historical novel can the same text belong to several genres more to one than to another have some existing genres been overlooked to answer these and similar questions josé calvo tello combines methods from linguistics lexicography literary studies genre theory and computer science machine learning natural language processing located in the interdisciplinary field of digital humanities this study analyzes a newly developed corpus of 358 spanish novels of the silver age 1880 1939 which includes authors like baroja pardo bazán or valle inclán calvo tello s key result is a graph based model of literary genre that reconciles recent theoretical approaches publisher description
