Australian National Bibliography: 1992 1988

based on 30 years of research and analysis this definitive book is a profound multi layered and historical analysis of the nature and role of

the pakistan army in the country's polity as well as its turbulent relationship with the united states shuja nawaz examines the army and pakistan in both peace and war using many hitherto unpublished materials from the archives of the united states the united kingdom and the general headquarters of the pakistan army as well as interviews with key military and political figures in pakistan and the united states he sheds light not only on the pakistan army and its us connections but also on pakistan as a key muslim country in one of the world's toughest neighborhoods in doing so he lays bare key facts about pakistan's numerous wars with india and its many rounds of political musical chairs as well as the kargil conflict of 1999 he then draws lessons from this history that may help pakistan end its wars within and create a stabler political entity

The British National Bibliography 2005

a guide to the press of the united kingdom and to the principal publications of europe australia the far east gulf states and the u s a

□□□□□□ 2001

a rand study analyzed chinese and u s military capabilities in two scenarios taiwan and the spratly islands from 1996 to 2017 finding that trends in most but not all areas run strongly against the united states while u s aggregate power remains greater than china's distance and geography affect outcomes china is capable of challenging u s military dominance on its immediate periphery and its reach is likely to grow in the years ahead

Indian Book Industry 1991-04

Breast Cancer Prevention Study 1994

discussing the most pressing global challenges this book suggests ways for the obama administration to tackle them in a holistic manner in particular the book proposes effective measures for various problems like the war on terror resolution of the arab israeli dispute and forging of better relations with the muslim world

Small Press Record of Books in Print 1994

a work with broad implications for theories of comparative strategic behavior and civil military relations societies and military power uses the long history of the armies of india as a basis for analyzing whether the character of a given society affects the amount of military power that can be generated by the armies that emerge from that society by examining the changing relationship between ruling elites in the indian subcontinent and their armed forces the book shows that divisions within society are mirrored within the military even within the contemporary professional military stephen peter rosen explores the proposition that cultural explanations don't sufficiently account for changes in military power whereas social structure does he suggests also that the dynamics of civil military relations in a non western setting are not explicable without social structural insight he concludes that the comparative study of strategic behavior and military organization has lacked a sound foundation which the social structural explanation offered in this book begins to provide

The Cumulative Book Index 1992

this title was first published in 2001 this text reviews terrorist activity carried out ceaselessly and systematically in one of the most otherwise alluring spots on our planet the rise of militancy not only in kashmir but also in punjab and in india's north east is related also to analogous belligerency in and around the borders of pakistan and afghanistan following preliminary information on the land people the past and the constitutional history of kashmir this work focuses on the

rise of political violence and its consequences following the evolution of democracy from the period of the provisional government while dwelling mostly on the example of jammu and kashmir the study endeavours to underline once more the need for an anti terrorist international regime

The Book Review 1993

historically the reformed and charismatic streams have seemed to be almost mutually exclusive in recent years this exclusivity has been being challenged by a new generation of reformed thinkers this work aims at considering the contribution of john wimber the late leader of the vineyard churches to contemporary theological reflection within the reformed tradition taking into account john wimber s unique theology of the radical middle which is somewhere between pentecostal and evangelical this book asks whether wimber may be a possible alternative source for the contemporary reformed churches as they approach ministry and mission in the twenty first century written from a confessional presbyterian context in northern ireland word and power places wimber in his theological context and asks whether wimber s view of power evangelism discipleship formation and ministry training might be a model that reformed churches and presbyterians in particular could adopt for their ecclesiology today

Crossed Swords 2008

guide to information on cars and light trucks
