investing in stocks without investing in time tears or terror when robert sheard decided to bite the bullet and get into the market he wasn't the typical wall street player didn't have years of trading experience and didn't have an m b a what he did have was the know how as one of the top stock researchers for the motley fool the widely popular and fiercely irreverent financial site that launched the bestselling the motley fool investment guide and the motley fool s you have more than you think

sheard developed mechanical emotion free formulas for analyzing stocks now he shares his insights to help you earn gains that will crush market averages the unemotional investor teaches you how to evaluate stocks what numbers to look for and how to compare them when to buy and when to sell how to manage the portfolio you create two investing models you can use one of which requires no math no experience and about fifteen minutes of work per year like other books created by the motley fool the unemotional investor presents an easygoing approach to a subject often shrouded in mystery making it easy for even rank beginners to take the first steps toward reaping the rewards of a low maintenance high profit portfolio

## **The Unemotional Investor**

1999-04-13

it s hard to talk clearly about investing and make sense to ordinary readers at the same time katsenelson gives a lucid explanation of today s markets with sound advice about how to make money while avoiding the traps that the market sets for exuberant bulls and frightened bears alike thomas g donlan barron s a thoroughly enjoyable read provides a clear framework for equity investing in today s sideways

and volatile markets useful to everyone clear thinking and clear writing are not often paired well done dick weil ceo janus capital group the bible for how to invest in the most tumultuous financial market environment since the great depression a true guidebook for how to build wealth prudently david rosenberg chief economist strategist gluskin sheff associates inc a wonderful grounded read for new and seasoned investors alike katsenelson explains in plain english why volatility and sideways markets are a stock picker s best friend the motley fool fool com praise for active value investing this book reads like a conversation with vitality deep insightful inquisitive and civilized nassim nicholas taleb author of the black swan thoroughly enjoyable for the thoughtful and often entertaining way in which it is delivered katsenelson takes his reader step by step into the mind of the value investor by relating in a fictional addendum to fiddler on the roof the story of tevey s purchase of golde the cow he also describes his own big time gambling evening he was willing to lose a maximum of 40 and that of a half drunken rowdy fellow blackjack player to stress the importance of process he then moves on to the fundamental principles of active value investing what differentiates this book from so many others on value investing is that it describes sometimes through the use of case studies the thinking of a value investor not just his models or his metrics but his assessments katsenelson is an empiricist who weighs facts looks for contraindications and makes decisions he makes value investing come alive this

may be a little book but it s packed with insights for both novices and experienced investors and it is a delight to read seeking alpha

there is one thing that can be said about a fool and his money that cannot be said about any other volume of investment advice you will never make a penny from the information in this book no work on the subject of personal finance has even tried to make this claim before that is because works on the subject of personal finance are all lying john rothchild is the only fully honest author in the genre from the foreword by p j o rourke a veritable gold mine of comic insight into the predicament of an average investor's avid pursuit of wealth a fool and his money is john rothchild's critically acclaimed personal account of a year devoted to investing his money in the markets the entire investment world its characters institutions customs and myths passes under rothchild's sharp and profoundly humorous scrutiny acclaim for a fool and his money what makes this book so good is that rothchild can explain things like naked puts and leave the reader both edified and laughing witty fast paced and

educational thewashington post you ll relish john rothchild s comic tale the book  
nears guaranteed delight newsday a fool and his money may be the funniest book  
about investing ever written it s a reader s capital gain new york post you set aside  
some money quit your job devote yourself entirely to studying the markets and start  
to invest then through hardwork and your own magical intuition you become so  
wealthy your major concern is finding a fashionable hobby to soak up your abundant  
leisure time all in about a year now thanks to this hugely entertaining and  
informative book you can live out the fantasy without risking your money your job  
or your sanity since its acclaimed debut a decade ago a fool and his money  
has become a treasured investment classic it s the comic firsthand account of a first  
time investor who sets out to make his wildest money dreams come true in a surge  
of optimism and enterprise financial writer john rothchild drops everything to devote  
an entire year to learning how to invest a modest sum of money motivated by a  
sincere desire to get rich he undertakes his mission by systematically studying  
as much as he can about the markets and how they really operate he fearlessly asks  
the most basic questions observes the professionals at work studies the newsletters  
makes investments and reports back on everything including his own highly  
personal and often hilarious reactions with rothchild as your guide through the  
marketplace you will eavesdrop as his broker explains in fluent double talk why  
he should buy a certain hot stock share in his buyer s remorse as rothchild

purchases an unknown technology company stock that puts him on an emotional rollercoaster be humbled as he enters the almighty federal reserve bank and struggles to understand its omnipotent power over his personal finances witness the excitement and confusion of the commodities exchange and find out what pork bellies really are hear firsthand the enigmatic and undoubtedly wise words of various wizards of wall street sympathize with rothchild as he explains his transactions to his loved ones blush as he shamelessly attempts to deceive them in a gesture of pure magnanimity rothchild also includes the hard won bits of wisdom he calls his 25 useful tips which include such sage advice as never buy anything from a broker at an airport and his handy fool's glossary which clarifies many of the technical terms used in the book clever funny and informative a fool and his money will reward investors at all levels of experience with a revelation on every page
