The TV Guide TV Book *1992-01-01*

film and television create worlds but they are also of a world a world that is made up of stuff to which humans attach meaning think of the last time you watched a movie the chair you sat in the snacks you ate the people around you maybe the beer or joint you consumed to help you unwind all this stuff shaped your experience of media and its influence on you the material culture around film and television changes how we make sense of their content not to mention the very concepts of the mediums focusing on material cultures of film and television reception the stuff of spectatorship argues that the things we share space with and consume as we consume television and film influence the meaning we gather from them this book examines the roles that six different material cultures have played in film and television culture since the 1970s including video marketing branded merchandise drugs and alcohol and even gun violence and shows how objects considered peripheral to film and television culture are in fact central to its past and future

TV Guide 2002

bonanza aired on nbc from september 12 1959 to january 16 1973 playing to 480 000 000 viewers in over 97 countries it was the second longest running western series surpassed only by gunsmoke and continues to provide wholesome entertainment to old and new fans via syndication this book provides an in depth chronicle of the series and its stars a history of the show from its inception to the current made for television movies is provided and an episode guide includes a synopsis of each show and lists such details as the main characters of each episode and the actors who portrayed them the dates they stayed with the show date and time of original broadcast writer director producer executive producer and supporting cast also provided are character sketches for each of the major recurring characters career biographies of lorne green pernell roberts dan blocker and michael landon brief biographical sketches of the supporting cast a discography of recordings of the bonanza theme and recordings of the four major stars and information on bonanza television movies

TV Guide 1978

for the few hundred television viewers in 1946 a special treat on the broadcast schedule was the variety show called hour glass it was the first tv program to go beyond talking heads cooking demonstrations and sporting events featuring instead dancers comics singers and long commercials for its sponsor chase and sanborn coffee within two years another variety show texaco star theatre became the first true television hit and would be credited with the sales of thousands of television sets the variety show formula was a staple of television in its first 30 years in part

because it lent itself to a medium where everything had to be live and preferably inside a studio most of the early television stars including jackie gleason milton berle sid caesar ed sullivan red skelton dinah shore and arthur godfrey rose to prominence through weekly variety shows in the 1960s major stars such as jerry lewis dean martin judy garland and danny kaye were hosting variety shows by the 1970s the format was giving way to sitcoms and dramas but pop music stars sonny and cher tony orlando and dawn and donny and marie osmond hosted some of the last of the species this book details 57 variety shows from the 1940s through the 1990s a history of each show is first provided followed by a brief look at each episode air date guest stars sketches performed and a listing of songs featured are included

The Sitcoms of Norman Lear *2014-12-24*
