the right foot in their follow up to reading wellness jan burkins and kim yaris explore how some traditional scaffolding practices may actually rob students of important learning opportunities and independence who s doing the work suggests ways to make small but powerful adjustments to instruction that hold students accountable for their own learning educators everywhere are concerned about students whose reading development inexplicably plateaus as well as those who face challenging texts without applying the strategies they ve been taught when such problems arise our instinct is to do more but when we summarize text before reading or guide students when they encounter difficult words are we leading them to depend on our support if we want students to use strategies independently jan and kim believe that we must question the ways our scaffolding is getting in the way next generation reading instruction is responsive to students needs and it develops readers who can integrate reading strategies without prompting from instructors in who s doing the work jan and kim examine how instructional mainstays such as read aloud shared reading guided reading and independent reading look in classrooms where students do more of the work classroom snapshots at the end of each chapter help translate the ideas in the book into practice who s doing the work offers a vision for adjusting reading instruction to better align with the goal of creating independent proficient and joyful readers for ten years and in two classic books irene fountas and gay su pinnell have described how to analyze the characteristics of texts and select just right books to use for guided reading instruction now for the first time all of their thinking and research has been updated and brought together into leveled books k 8 to form the ultimate guide to choosing and using books from kindergarten through middle school fountas and pinnell take you through every aspect of leveled books describing how to select and use them for different purposes in your literacy program and offering prototype descriptions of fiction and nonfiction books at each level they share advice on the role of leveled books in reading instruction analyzing the characteristics of fiction and nonfiction texts using benchmark books to assess instructional levels for guided reading selecting books for both guided and independent reading organizing high quality classroom libraries acquiring books and writing proposals to fund classroom library purchases creating a school book room in addition fountas and pinnell explain the leveling process in detail so that you can tentatively level any appropriate book that you want to use in your instruction best of all leveled books k 8 is one half of a new duo of
