Festivals 2013-05-13

the concept of live has changed as a consequence of mediated culture interaction may occur in real time but not necessarily in shared physical spaces with others the digital evolution of live music considers

notions of live music in time and space as influenced by digital technology this book presents the argument that live music is a special case in digital experience due to its liminal status between mind and body words and feelings sight and sound virtual and real digital live music occupies a multimodal role in a cultural contextual landscape shaped by technological innovation the book consists of three sections the first section looks at fan perspectives digital technology and the jouissance of live music and music festival fans the second section discusses music in popular culture exploring youtube and live music video culture and gaming soundtracks followed by the concluding section which investigates the future of live music and digital culture gives perspectives on the function of live music in digital culture and the role of digital in live music focuses on the interaction between live and digital music takes the discussion of live music beyond economics and marketing to the cultural and philosophical implications of digital culture for the art includes interviews with producers and players in the digital world of music production furthers debate by looking at access to digital music via social media websites and applications that recognise the impact of digital culture on the live music experience

The Digital Evolution of Live Music 2016-04-08

from massive raves sprouting around the london orbital at the turn of the 1990s to events operated under the control of corporate empires edm electronic dance music festivals have developed into cross genre multi city transnational mega events from free party teknivals proliferating across europe since the mid 1990s to colossal corporate attractions like tomorrowland electric daisy carnival and stereosonic and from transformational and participatory events like burning man and events in the uk outdoor psytrance circuit to such digital arts and new media showcases as barcelona s sónar festival and montreal s mutek dance festivals are platforms for a variety of arts lifestyles industries and policies growing ubiquitous in contemporary social life and providing participants with independent sources of belonging these festivals and their event cultures are diverse in organization intent and outcome from ethically charged and boutique events with commitments to local regions to subsidiaries of entertainment conglomerates touring multiple nations edm festivals are expressions of freedoms revolutionary and recreational centres of edm pop critical vectors in tourism industries fields of racial distinction or experiments in harm reduction gifting culture and co created art as this volume demonstrates diversity is evident across management styles performance legacies and modes of participation weekend societies is a timely interdisciplinary volume from the emergent field of edm festival and event culture studies echoing an industry trend in world dance music culture from raves and clubs towards festivals weekend societies features contributions from scholars of edm festivals showcasing a diversity of methodological approaches theoretical perspectives and representational styles organised in four sections dance empires underground networks urban experiments global flows weekend societies illustrates how a complex array of regional economic

social cultural and political factors combine to determine the fate of edm festivals that transpire at the intersections of the local and global

coming ten years after the group s first appearance whatever people say they are that s what they re not is the first comprehensive biography of arctic monkeys the greatest british group of the internet age this is the story of a talented group of hip hop loving school friends from sheffield who entered the music scene just in time to become the first band to be propelled to stardom by online community groups they qualified as the fastest selling british group ever with all four of their albums going straight to number one ben osborne s biography charts the band s early years in the suburbs and their fast track success as arctic monkeys he identifies the sometimes overlooked people who helped shape the band s music and career

Arctic Monkeys: Whatever People Say They Are... That's What They're Not 2024-03-03

too often existing literature has conflated the discourses that enabled the war on terror ignoring the contextual specificities of the states that make up the coalition of the willing australia s war on terror discourse fills this gap by providing a full and sustained critical analysis of australian foreign policy discourse along with the theoretical synthesis for a specific model of critical discourse analysis of the subject the language of then prime minister howard is the primary focus of the book but attention is also paid to the language of key ministers political opponents and other prominent actors the voices of those who challenged the dominant discourse are also considered to shed light on the ways in which discourses can be destabilised kathleen gleeson shows how howard successfully invoked narratives of identity and sovereignty that resonated with his audience and promoted his reworked narrative of australia whilst facing dissent from many actors who voiced their opposition most successfully when they capitalised on inconsistencies within the discourse

Australia's 'war on terror' Discourse 2016-02-03

contract law cases and materials presents a selection of well chosen cases and illuminating commentary ideal for introducing students to the study of contract law in australia developed to accompany stewart swain and fairweather s contract law principles and context this casebook maintains the accessibility of the principles text while providing the depth and analysis of topics required to learn contract law

Management: the Essentials 2015-01-07

the moshpit hub of a live music culture that is high in sex and violence and no stranger to death for the hardcore fans of groups like limp bizkit hole korn and slipknot the music is only part of the experience at gigs worldwide fans literally hurl themselves into a pit the mosh pit the result is a mass of seething bodies where fierce physical contact provides a brief exhilarating escape from everyday life the mosh pit means random sexual encounters as well as haphazard violence and occasionally as joe ambrose discovers it can lead to encounters of unexpected tenderness too

The Violent World Of Moshpit Culture 2020-10

the festivalization of culture explores the links between various local and global cultures communities identities and lifestyle narratives as they are both constructed and experienced in the festival context drawing on a wide range of case studies from australia and europe festivals are examined as sites for the performance and critique of lifestyle identity and cultural politics as vehicles for the mobilization and cementation of local and global communities and as spatio temporal events that inspire and determine meaning in people s lives investigating the manner in which festivals are no longer merely periodic cultural religious or historical events within communities but rather a popular means through which citizens consume and experience culture this book also sheds light on the increasing diversity of contemporary societies and the role played by festivals as sites of cohesion cultural critique and social mobility as such this book will be of interest to those working in areas such as the sociology consumption and commodification of culture social and cultural geography anthropology cultural studies and popular

music studies

The Festivalization of Culture 2019-06-30

nobody said life would be easy and it hasn't been for philippa sue richardson in 2012 she moved to melbourne australia where her life altered greatly changed for the better but it took some time to get there through struggles with physical and mental health philippa prevailed and found a way to live a life of gratitude symptomatic addict is philippa's way of reaching out to the world sharing her thoughts moment by moment her words take all forms from recipes to poems to sudden self actualizing epiphanies she truly and fearlessly expresses herself through her experiences adventures and innermost thoughts in order to find peace philippa believes a person must first find respect and thankfulness every unforeseen trial and tribulation has meaning and with thankfulness it is possible to embrace even the darkest of times in life few things are what they seem but everything serves its purpose if only we slow down observe and enjoy

Symptomatic Addict 2018-03

creative writing for kids 2019 is for children who love to write and also children who don't there is lots of magic and mystery mixed up with real life adventures and familiar places like home and school some activities are based on pictures and others involve no writing at all picture based stories are a great way to help children who are nervous of written work or who are reluctant learners
