Autobiography, and History of England Under Henry VIII.

1881

taking a multi purpose and inter denominational approach this is a book addressed to all christians who in this sceptical age may be experiencing a religious crisis or doubts as to their commitment to christ s teaching and revelation whilst this book is written from the basis of conviction it insists on demonstrating factual evidence nothing is presented which is contrary to the reason of the ordinary man or woman in arguing the basis of religious truth with this in mind the reader is taken through the bible from the book of genesis onwards and answers are offered for many of those difficult questions which usually arouse anxiety in the minds of the faithful from time to time in addition the book offers questions and discussion topics at the conclusion of each chapter this is an ideal handbook which religious teachers and ministers of all denominations will find helpful written by a fully qualified scholar holding a doctorate in theological studies

England

2005

taking into account the popularity and variety of the genre this collaborative volume considers a wide range of english romantic autobiographical writers and modes including working class autobiography the familiar essay and the staged presence in the wake of rousseau s confessions autobiography became an increasingly popular as well as a literary mode of writing by the early nineteenth century this hybrid and metamorphic genre is found everywhere in english letters in prose and poetry by men and women of all classes as such it resists attempts to provide a coherent historical account or establish a neat theoretical paradigm the contributors to romantic autobiography in england embrace the challenge focusing not only on major writers such as william wordsworth de quincey and mary shelley but on more recent additions to the canon such as mary robinson dorothy wordsworth and mary hays there are also essays on the scandalous memoirs of mrs billington and on joseph severn s autobiographical scripting of himself as the friend of keats the result is an exploratory and provisional mapping of the field provocative rather than exhaustive intended to inspire future scholarship and teaching

The Autobiography of Edward Gibbon

1961

ronald hutton is britain s foremost historian of the english restoration his book the restoration was hailed as a real tour de force by history a work to which all historians will have to refer and immediately established itself as the definitive history of the period now in charles ii hutton offers a comprehensive biography of the king who returned to england in triumph after the death of cromwell re establishing the monarchy that continues to reign to this day hutton reveals the excitement and tragedy of charles s youth as the realm erupted into savage civil war leading to the execution of his father king charles i at the hands of the rebellious parliament his life turned into a long desperate struggle to claim his crown including a catastrophic invasion of cromwell s england that ended in a lonely flight as he hid in orchards ditches and the famous boscobel oak yet charles persevered and was finally recalled from exile by an exhausted nation in 1660 charles emerges in this narrative as a monarch in a masquerade a charming duplicitous and astonishingly lucky king who spent less time governing than he did at play when he wasn t hunting racing or sailing he was with one of a series of mistresses producing seventeen acknowledged bastards hutton vividly depicts him as a colorful and often underhanded ruler physically brave in battle but a moral coward in religion first he promised to become a presbyterian for scottish aid then later offered to convert to catholicism for french help eventually alienating everyone his reign endured catastrophe and unrest from the plague and the great fire of london to defeat at the hands of the dutch to protestant hysteria about a catholic plot to seize the throne to the disastrous results of his own secret diplomacy but charles in his good fortune survived all of it beautifully rebuilding london after the fire and firmly anchoring a monarchy whose future had once been bleak chosen as a main selection of the history book club charles ii presents an unmatched account of the private life and dramatic public career of this fascinating king this lively and comprehensive biography written by a major historian of the restoration period captures the politics and personalities of a momentous era

The History of England

1839

a contemporary picture of civilian england under the critical impact of the second world war
