the cards tried to warn me i just didn t want to believe them i don t want to believe that the psycho who nearly killed us once is now stalking me with an offer i can t refuse or that starting a private investigation agency with my mates is a bad idea i sure as hell don t want to believe that my next mate is cursed and living in a haunted mansion yeah i m living with a lot of denial and that s not healthy for me or my mates but that s not stopping us from starting the tarot arcana pi agency we re like pi s for the other side when the dead have nowhere else to turn and of course our first client is the young girl whom my next mate is suspected of murdering he s the one that s cursed about that family curse it shrouds his aura blocking his past life so he can t receive the vivid recollections i m getting of when we met and how we instantly fell in love until it all went horribly wrong still our love has endured across millennia and countless lifetimes it keeps bringing us back to fix this and if i can t lift the curse we ll have to try it all over again in another lifetime according to the cards breaking that curse will cost him everything and i ll have to accept an offer i can t refuse the cards don t always tell me what i want to hear but they do tell me what i need to know case of the covered hermit is a reverse harem paranormal romance featuring multiple love interests a slow burn focusing on emotional connections with a steamy fade to black and the reincarnation of the oldest recorded reverse harem story in human history oh yeah and lots of tarot cards this is the

the cards answer the question you asked not the one you meant the good news is that i finally reunited with my soul mates after 7000 years and found genuine happiness the bad news is that we re now running for our lives the worse news is that the ones after us abducted my best friend the silver lining my cards say that i m on the right course even though it leads over a cliff why didn t i ask how to stop this runaway train heading for the cliff or who is the mysterious evil man now hunting me someone that even my psychic mentor was powerless against all i know is that fulfilling the purpose i was reincarnated for will determine the fate of the world literally about that purpose it s not to save my mates from certain death though i ll try whether they realize it or not nor is it to find my best friend who is lost in darkness but i ll bring her back if that s at all possible no my purpose is buried somewhere in memories going back not just to my lifetime 7000 years ago but to a time twice as far the cards affirm that my destiny lies over that cliff but i can still save my mates and maybe even my best friend whether i survive that is to be determined clearly ask the question you intend that was my tarot instructor s first lesson too bad i forgot ask the right question this time crossed by death is a reverse harem paranormal romance featuring multiple love interests a slow burn focusing on emotional connections with a steamy fade to black and the reincarnation of the oldest recorded reverse harem story in human history oh yeah and lots of tarot cards this is the fifth and final book in

don t ask the cards a question if you re not ready for the answer i reconnected with two of my five soulmates from a previous lifetime 7000 years ago so there are three more somewhere out there while i help one soulmate clear up his past by talking to his dead ex wife i asked the cards to help us find my third soulmate yep i just had to ask it seemed like such a good idea at the time what i got is a semi corrupt sheriff who is bound and determined to set us up for a murder we didn t commit at the same time that an ex military professional hitman is trying to kill us and we have no idea why and you thought you had problems about that third soulmate let s just say he isn t the man of my dreams literally the man i see now is nothing like what i remember him being like 7000 years ago the problem is he may not be what i expected but now he s like a brother to my other two mates my heart says hell no while his aura says he s falling for me real hard so i have to stop this train wreck but

pulling this thread out could unravel everything that s presuming of course we find out why we re being hunted and live long enough to see the next sunrise even the dead are telling me the odds aren t in our favor don t ask the cards a question if you re not ready for the answer that was my tarot instructor s second lesson i really should ve listened justice found and lost is a reverse harem paranormal romance featuring multiple love interests a slow burn focusing on emotional connections with a steamy fade to black and the reincarnation of the oldest recorded reverse harem story in human history oh yeah and lots of tarot cards this is the second book in the tarot arcana mysteries series

awaken them but in the process of finding one soulmate i might ve lost another one forever will i uncover the truth about my father while finding my soulmates before a serial killer finds me yeah i have so many questions but i ve learned to be careful what i ask because the cards never lie but they don t always tell the truth the tower card murder is a reverse harem paranormal romance featuring multiple love interests a slow burn focusing on emotional connections with a steamy fade to black and the reincarnation of the oldest recorded reverse harem story in human history oh yeah and lots of tarot cards this is the first book in the tarot arcana mysteries series
