THE GREAT HISTORICAL, Geographical and Poetical DICTIONARY 1694

the shape of fantasy is an in depth look at heroic epic fantasy it depicts structural and narrative patterns with models stemming from science and philosophy although fantasy fiction is generally defined by its impossibility fantasy fiction not an illogical form it is in fact governed by a sense of rules and structure one that reflects our

current understanding of space time and cosmology these models are an integral part of the structure of heroic epic fantasy itself thus this book introduces new ways of perceiving current productions of the fantasy genre in doing so it also explores how fantasy fiction exhibits a conscious awareness of its own form
