2016-03-01

introduces the chinese zodiac and relates how each of its twelve signs is named for an animal selected by the jade emperor

Cat and Rat

1998-11-15

grandmother s story of the chinese zodiac animals naomi wondered why there is no year of the cat in the chinese zodiac so when naomi s grandmother called from japan naomi asked her to explain grandmother told naomi the altered story about zodiac animals from great old china how twelve animals raced to share their good traits with people born during the years each of these animals are honored not content that her beloved cat was not among those honored naomi decided to celebrate her own year of the cat her grandmother praised her for creating the greatest honor for her pet the year of her love

Cats and Kittens

1958*

the emperor has a problem he wants his people to remember the year in which his son was born but there is no way to keep track of the years so the emperor devises a race in which animals will cross a river the first twelve animals to reach the opposite side will have a year named after them thus the people will be able to remember the years and the events that occurred and so the race is set rat knowing he is no match for the rushing water schemes with cat on how to cross the river together the two convince ox to carry them across but halfway across the river rat shows his true colors will cat make it to the other side which animals will have a year named after them accompanied by exquisite watercolor artwork this charming story explains the origins of the chinese calendar
