

The Sound of One Team Sucking 2017-02-25 a hilarious self help book for recovering leafs fans everywhere we ve all heard it the sound of one team sucking our team the leafs it starts as an almost imperceptible hum a month or so after the home opener once the shine of the new season wears off building in intensity with each defeat until the sound explodes like the noise a star might make if you ripped its heart out fact is being a maple leafs fan is a kind of addiction irrational compulsive dependent you can t just quit cold turkey you need help and that s where the sound of one team sucking comes in think of it as your own portable support group designed to accompany you through another disappointing season plus draft day and guide your recovery as you strive to live a more emotionally and spiritually balanced life written by leafs addicts the sound of one team sucking is a hilarious meditation on the futility of leafs fandom

A Middle East Free of Weapons of Mass Destruction 2020-04-17 the establishment of a middle east zone free of nuclear weapons a concept more recently broadened to cover all weapons of mass destruction wmd has been before the international community for decades in this book two experts from the region explore why the matter remains unresolved and outline a comprehensive yet achievable roadmap to a middle east free of wmd weapons of mass destruction pose an existential threat to global peace and security but nowhere is it more urgent to stem their spread than in the middle east a region fraught with mistrust and instability accounting for these geopolitical realities including the ongoing talks to curb iran s nuclear program the authors present a practical and innovative strategy to a middle east free of weapons of mass destructions wmd they outline a phased approach toward disarmament in the region prescribing confidence building measures and verification tools to create trust among the region s governments their vision also sees the realization of a wmd free zone within a broader regional agenda for security and cooperation to advance socioeconomic and political progress this book will be of great interest to students and scholars of international relations politics and security studies in the middle east

Watch Your Head 2020-11-17 a warning a movement a collection borne of protest in watch your head poems stories essays and artwork sound the alarm on the present and future consequences of the climate emergency ice caps are melting wildfires are raging and species extinction is accelerating dire predictions about the climate emergency from scientists indigenous land and water defenders and striking school children have mostly been ignored by the very institutions government education industry and media with the power to do something about it writers and artists confront colonization racism and the social inequalities that are endemic to the climate crisis here the imagination amplifies and humanizes the science these works are impassioned desperate hopeful healing transformative and radical this is a call to climate justice action edited by madhur anand stephen collis jennifer dorner catherine graham elena johnson canisia lubrin kim mannix kathryn mockler june pak sina queyras shazia hafiz ramji rasiqra revulva yusuf saadi sanchari sur and jacqueline valencia proceeds will be donated to raven and climate justice toronto

Funding the Future: Tax Revenue Mobilization in the Pacific Island Countries 2022-09-12 pacific island countries pics face daunting spending needs related to achieving the un sustainable development goals sdgs and adapting to the effects of climate change boosting tax revenues will need to be an essential pillar in creating the fiscal space to meet sgd and climate adaptation spending needs this paper assesses the additional tax revenue that pics could potentially collect and discusses policy options to achieve such gains the main objectives of the paper are to 1 review the critical medium term development spending requirements and available financing options 2 document the main stylized facts about tax revenues in the pics and estimate the additional tax revenue that countries could raise 3 highlight the main bottlenecks preventing the pics from further increasing their tax revenue collection with an emphasis on weaknesses in vat systems 4 draw lessons from successful emerging and developing countries that have managed to substantially and durably increased their tax revenues and 5 propose tax policy and revenue administration reform priorities for pacific island countries to boost tax revenues the paper s main findings

are 1 the current revenue mix is skewed toward non tax revenues 2 pics could collect an additional 3 percent of tax revenue in the short to medium term 3 many bottlenecks are preventing the pics from boosting their tax revenue collection and 4 the potential offered by efficient vat systems is not fully exploited to increase tax revenue in the pacific islands the paper proposes the following reforms 1 unwinding recent fiscal relief measures 2 strengthening or introducing a vat system 3 rationalizing tax exemptions 4 closing loopholes in the tax system 5 reforming tax administration and 6 introducing a medium term revenue strategy
