2015-01-27

vorschule im klavierspiel op 101 by ferdinand beyer 1803 1863 was first published in 1860 since that time it has been used by piano students throughout the world especially in asian countries when compared with piano methods written in the 20th and 21st centuries it appears more like a technique book than a piano method this edition has been edited to be useful for today s piano students either as a method with teacher guidance or as a supplementary book

## Sonata, for viola & pianoforte, op. 101

1973

heinrich schenker ranks among the most important figures in the development of western music theory in the twentieth century his approach to the analysis of music permeates nearly every aspect of the field and continues to this day to be a topic of great interest among music theorists historians composers and performers in his

beethoven critical edition with introduction and commentary  
schenker presented editions of beethoven s opp 109 110 111 and  
101 that were at the time unprecedented in their faithfulness to  
such authoritative sources as beethoven s autograph manuscripts  
he included a movement by movement and section by section  
discussion of form and content that grew increasingly penetrating  
from one volume to the next as the musical theory for which he is  
now known was developed alongside inspired and detailed  
suggestions for the performance of each section of each work in  
beethoven s last piano sonatas an edition with elucidation noted  
schenker scholar john rothgeb presents the first english language  
edition and translation of these important works rothgeb builds  
upon schenker s text adding explanations of certain points in the  
commentary references to corrections and other remarks entered  
by schenker in his personal copies of the volumes and graphic  
presentations of several passages a practice that became standard  
in schenker s own analytical work later in his career making these  
seminal works accessible to english speaking scholars and  
students for the first time beethoven s last piano sonatas is an
