in a year with martin buber the first torah commentary to focus on his life's work we experience the fifty four weekly portions and eleven jewish holidays through buber's eyes

Martin Buber's Life and Work

1981

this book first published in 1990 summarizes and evaluates the contribution of martin buber as a theorist of myth buber provides explicit guidelines for understanding and evaluating myths he describes reality as twofold people live either in a world of things to which they relate as a subject controlling its objects or in a world of self-conscious others with whom one relates as fellow subjects human beings require both types of reality but also a means of moving from one to the other buber understands myths as one such means by which people pass from i-it reality to i-you meeting in studying myths he focuses on the myths in the traditions he knows best but offers his advice and interpretation of mythology and scholarship about mythology generally

Encounter on the Narrow Ridge

1991

the specific focus of martin buber and the human sciences is dialogue as the foundation of and integrating factor in the human sciences using dialogue in the special sense which buber has made famous mutuality presentness openness meeting the other in his or her uniqueness and not just as a content for one's own thought categories and knowing as deriving in the first instance from mutual contact rather than knowledge of a subject about an object by the human sciences the authors editors mean material that can be meaningfully approached in a dialogic way hence the humanities education psychology speech communication anthropology history sociology and economics the essays in martin buber and the human sciences demonstrate that thirty years after buber's death his influence is still resonating

in many countries and in many fields

Martin Buber the Life of Dialogue - Scholar's Choice Edition

2015-02-15

Martin Buber (1878-1965) is considered one of the 20th century's greatest thinkers and his contributions to philosophy, theology, and education are testimony to this. His thought is founded on the idea that people are capable of two kinds of relations: namely, I-Thou and I-It, emphasizing the centrality of dialogue in all spheres of human life. For this reason, Buber is considered by many to be the philosopher of dialogue par excellence. After Buber's death, the appreciation of his considerable legacy to the various disciplines in which he had worked became rather muted but was never completely forgotten. There is now a renewed and growing interest in Buber's thought, especially in his philosophy of education. This book brings together aspects of Buber's philosophy and educational practice and explains their significance for peace, dialogue, and for conflict resolution, both between individuals and communities. Buber's philosophy of dialogue and views on education are pivotal in demonstrating the personal and social benefits of dialogical education, as well as the dangers of non-dialogical education. The book will be valuable reading for academics, researchers, and postgraduate students interested in Martin Buber, education, peace, dialogue, and conflict resolution.

To Hallow this Life

1958

Distinguished philosopher Hilary Putnam, who is also a practicing Jew, questions the thought of three major Jewish philosophers of the 20th century: Franz Rosenzweig, Martin Buber, and Emmanuel Levinas, to help him reconcile the philosophical and religious sides of his life. An additional presence in the book is Ludwig Wittgenstein, who although not a practicing Jew, thought about religion in ways that Putnam juxtaposes to the views of Rosenzweig, Buber, and Levinas. Putnam explains the leading ideas of each of these great thinkers, bringing out what in his opinion constitutes the decisive intellectual and spiritual contributions of each of them. Although the religion discussed is Judaism, the depth and originality of these philosophers, as incisively interpreted by Putnam, make their thought nothing less than a guide to life.

Martin Buber's Life and Work

1983

describes the origins, structure, and meaning of the leading philosophic work by the Jewish religious scholar

Martin Buber's Spirituality

2023-06-14

The publication of Martin Buber's *I and Thou* was a great event in the religious life of the West. Reinhold Niebuhr, Martin Buber was a prolific and influential teacher and writer who taught philosophy at the Hebrew University in Jerusalem from 1939 to 1951, having studied philosophy and art at the universities of Vienna, Zurich, and Berlin. He became an active Zionist and was closely involved in the revival of Hasidism, recognized as a landmark of twentieth-century intellectual history. *I and Thou* is Buber's masterpiece. In this book, his enormous learning and wisdom are distilled into a simple but compelling vision. It proposes nothing less than a new form of the deity for today, a new form of human being, and of a good life. In so doing, it addresses all religious and social dimensions of the human personality. Translated by Ronald Gregor Smith.

A Year with Martin Buber

2021-12

martin buber s philosophy of dialogue sought to express the human experience through the ways in which we encounter and interact with others his i thou theory of dialogue and i it theory of monologue expressed ways of understanding one s place in the world in relation to others objects and especially god buber died in 1965 leaving behind a vast library of writings and ardent students and scholars eager to engage with his ideas one of the most prominent scholars was maurice friedman friedman and buber shared a professional as well as a personal relationship based on translating interpreting and intellectual curiosity beginning in the summer of 1950 and ending with buber s death this volume takes the reader through buber s three visits to america his wife s death the author s stay in jerusalem and the articulation of buber s culminating philosophy of the interhuman in tracing this chronology friedman draws extensively on his personal collection of letters exchanged with buber intimate and meditative this book provides an exploration of a deeply intellectual friendship shared between two extraordinary thinkers

Martin Buber on Myth (RLE Myth)

2015-03-05

martin buber s classic philosophy of dialogue i and thou is at the core of kenneth paul kramer s scholarly and impressive living dialogue practicing buber s i and thou in three main parts paralleling the three of i and thou and focusing upon buber s key concepts nature spirit becoming forms true community the real i the eternal thou turning and the two fundamental dialogues the i thou and the i it the book clarifies puts into practice and vigorously affirms the moral validity of buber s philosophy with its extension to love marriage the family the community and god in the conviction that genuine dialogue will effect better relations with one another the world and god well researched and replete with a glossary of buberian terms practice exercises for true dialoguing and discussion questions living dialogue emerges as an invaluable guide to i and thou highlights a lens through which to see and understand the philosopher and his work anew a must read for undergraduates as well as relationship counselors therapists and general readers who will benefit from the work s clarity and ease of expression includes a foreword by maur

Martin Buber and the Human Sciences

2012-02-01

moore focuses on buber s central message about what it means to be a human being a person of faith and what mankind can do to overcome the eclipse of god shofar solid well researched and sympathetic might well spur a person to go back and read buber commonwealth

Buber and Education

2013-09-27

a corrected and extensively annotated version of the sole meeting between two of the most important figures in twentieth century intellectual life

Jewish Philosophy as a Guide to Life

2008-02-19

the martin buber carl rogers dialogue offers a corrected and extensively annotated version of this central text in human sciences focusing on the sole meeting between these two central figures in twentieth century intellectual life anderson and cissna return to the original 1957 audio tape and to a variety of other primary sources as they correct and clarify the historical record the authors highlight hundreds of errors major and minor in previously distributed and published transcripts beginning with the typescript circulated by rogers himself they also show how an accurate text enhances our understanding of the relationship between buber s philosophy and rogers s client and person centered approach to interpersonal relations anderson and cissna discuss the central issues of the conversation including the limits of mutuality approaches to self alternative models of human nature confirmation of others and the nature of dialogic relation itself although buber and rogers conversed nearly forty years ago their topics clearly resonate with contemporary debates about postmodernism forms of otherness cultural studies and the possibilities for a dialogic public sphere

Martin Buber's Ontology

1969

in this volume dan avnon analyzes and reconstructs buber s corpus of mature writings revealing the radical nature of buber s response to the most fundamental questions of human existence the book invites the reader to reexamine conventional notions of the role of language thought and writing in communicating impressions of reality an essential introduction to buber s work and his unique approach to writing

I and Thou

2013-10-24

publisher description

My Friendship with Martin Buber

2013-06-25

the book provides an insightful study of the jewish theologian martin buber and combines a review of the unconventional zionism he proposed with a sensitivity to myth as the basis of an inclusive civil religion the multifaceted nature of this work examines buber s embrace of myth and his application of myth to both biblical studies and political theory it pays special attention to the way buber s thinking about zion applied to religious ethical issues such as ecology education ritual and as a continuing theme throughout the book to the conflict between those buber called jews and arabs in the land of palestine

Martin Buber's I and Thou

2003

how did one of the greatest jewish thinkers of the 20th century grapple with the founding of israel and the israeli palestinian conflict one of the most significant political conflicts of his time samuel hayim brody traces the development of martin buber s thinking and its implications for the jewish religion for the problems posed by zionism and for the zionist arab conflict beginning in turbulent weimar germany brody shows how buber s debates about biblical meanings had concrete political consequences for anarchists socialists zionists nazis british and palestinians alike brody further reveals how buber s passionate commitment to the rule of god absent an intermediary came into conflict in the face of a zionist movement in danger of repeating ancient mistakes brody argues that buber s support for israel

stemmed from a radically rich and complex understanding of the nature of the jewish mission on earth that arose from an anarchist reading of the bible

Martin Buber's Social and Religious Thought

1990-12

edited by nahum n glatzer with a new foreword by rodger kamenetz the question i put before you as well as before myself is the question of the meaning of judaism for the jews why do we call ourselves jews i want to speak to you not of an abstraction but of your own life its authenticity and essence with these words martin buber takes us on a journey into the heart of judaism its spirit vision and relevance to modern life

The Martin Buber - Carl Rogers Dialogue

1997-08-14

tells the story of the relationship between two of the last century s foremost scholars of dialogue philosopher martin buber and psychotherapist carl rogers

The Martin Buber - Carl Rogers Dialogue

1997-08-14

gordon education ben gurion u reveals martin buber the man as an entirely different individual from the philosopher through the eyes of 32 of his contemporaries we see that buber s personal life seems to belie the convictions of the philosopher suggesting something of the difficult reality with which he was confronted acidic paper annotation copyrighted by book news inc portland or

Martin Buber

1998

edited by profesor nahum n glatzer and paul mendes flohr no matter how brilliant it may be the human intellect that wishes to keep to a plane above the events of the day is not really alive wrote martin buber in 1932 the correspondence of martin buber reveals a personality passionately involved in all the cultural and political events of his day drawn from the three volume german edition of his correspondence this collection includes letters both to and from the leading personalities of his day albert einstein and albert schweitzer hemann hesse franz kafka and stefan zweig theodor herzl chaim weizmann david ben gurion s y agnon gershom scholem and franz rosenzweig these exchanges capture the dynamics of seven decades of lived history reflected through the eyes of a man who was the conscience of his generation one of the leading spiritual thinkers of the twentieth century buber is best known for his work of religious existentialism i and thou a prime mover in the german jewish renaissance of the 1920s he taught comparative religion and jewish ethics at the university of frankfurt fleeing the nazis in 1938 buber made his home in jerusalem where he taught social philosophy at the hebrew university as resident sage of jerusalem he developed an international reputation and following and carried on a vigorous correspondence on social political and religious issues until the end of his life included in this collection are buber s exchanges with many americans in the latter part of his life will herberg walter kaufmann maurice friedman malcolm diamond and other individuals who sought his advice and guidance in the voices of these letters a full blooded portrait emerges of a towering intellect ever striving to live up to philosophy of social engagement

Martin Buber's Journey to Presence

biography of martin buber this book covers both his life and his thought

Martin Buber's Myth of Zion

2019-03-14

challenge yourself to delve into a deeper interfaith dialogue to wrestle with the ideas these thinkers present is to find ourselves challenged to look at our own religious lives in new ways and to appreciate the spiritual endeavors of others whatever form their religious expression may take to engage with these thinkers can leave us enlarged in our perception of human religiousness and deepened in our appreciation of it from the conclusion the modern age of religion is characterized by dialogue jews and christians together explore the realities and meaning of living in proximity to one another yet for all the good will and sincerity of intention too often such discussions fail to progress beyond well intentioned pleasantries to the challenging content that can truly deepen our understanding of each other this fascinating and accessible introduction to the theologies of four modern religious thinkers will help you break through the superficial generalities to plumb the depths of religious differences and embrace the commonalities examining the lives and works of søren kierkegaard martin buber paul tillich and abraham joshua heschel through the lens of their treatment of the bible and the biblical patriarch abraham you will take part in a discussion of the very phenomenon of religion and what part it plays in living a fully engaged human life

Martin Buber's Theopolitics

2018-02-16

pamela vermes has written a work that reaffirms buber s remarkable breadth of intellect and shows how he has drawn on jewish culture and ideas to point the way to a life lived religiously by both secularists and the religious unlike the many commentators who have relegated buber s judaism to a mere question of biography she demonstrates how he drew not only on the bible but on targum and midrash as well as on the wisdom of the hasidic masters of eastern europe buber himself was well aware of these influences and recognized that his thought and the culture he drew it from were indivisible but he was also dissatisfied with institutionalized religion and pamela vermes emphasizes the important distinction he made between religiosity the devout personal response and religion institutionalized forms it is perhaps because of this distinction that buber s ideas have been so powerful beyond the world of judaism his seminal work ich und du has profoundly influenced christian as well as jewish theology
