challenges though and karen stabiner has gathered a lifesaving breadth of expert instruction even when it
s difficult the onus is on the mother to be an adult enlightenment ninety seven percent of girls do not
have a diagnosable eating disorder and support conflict is an incredible compliment to a mother the safe
person in her daughter s life sarah grows from a child who still likes to be carried to bed occasionally
into a teen mastering a demanding sport and navigating friendships and karen stabiner tells the story of
that transition in scenes that will be both familiar and instructive to all mothers along the way she
learns to let go a little and to adjust the balance of her own life with warmth humor and sharp insight my
girl charts those first years of adolescence and engagingly debunks the prevailing assumption that they
are inevitably miserable
