Eight Questions You Should Ask About Our Health Care System

2013-09-01

charles e Phelps provides a comprehensive look at our health care system including how the current system evolved how the health care sector behaves and a detailed analysis of the good the bad and the ugly parts of the system from technological advances the good to variations in treatment patterns the bad to hidden costs and perverse incentives the ugly he shows that much of the cost of health care ultimately derives from our own lifestyle choices and thus that education may well be the most powerful form of health reform we can envision

8 Questions Every Parent Should Ask: Parenting in the Present with the Future in Mind

2022-12-17

every child is unique so is every family and parenting is a most demanding and important life role so how does a parent find their way while walking a path that will certainly change the moment you feel you re starting to figure it out stock answers and internet searches can lead you astray for what works for one family may not work for you and to parent fairly is to parent each child differently but in the years when children are dependent and need you most there are important fundamentals and principles of development parents can rely on 8 questions every parent should ask offers a unique format to empower parents to clarify the importance of their role through the lens of crucial developmental principles why questions because rules statements and advice are limited in scope they are often one size fits all but questions enlist your creativity and reach the depths of what matters most questions lead you to the answers that work for you and are specific to you and your family right now because they apply to you and your situation you can ask these same questions every step of the way through the years importantly these 8 questions will lead you to the answers that matter most to you each chapter of 8 questions every parent should ask provides key fundamentals of parenting and development each question guides you below the surface of quick fixes to a sturdy foundation to build upon you may notice that these questions will feel like something you have had in the back of your mind something you ve wondered about when you consider the responsibility of effectively raising children answering these questions will feel like the conversation you wanted to have but possibly didn t know how as you dig into these questions you quickly go to the heart of an important matter in parenting trust the process and over time you will find yourself better able to find what works for you and your child in this stage and the next not only will you discover the how in your parenting but you will uncover the deepest why in your heart when you know how and why then what to do flows from warm responsiveness and strong support with the answers before you the reasons why parenting matters become clearer from inside out you find how parenting influences beyond parent and child beyond family you discover the connection between the answers you create and how they influence each generation and the future

The Ask

2017-10-31

asking is more than a skill it s a lifestyle the ask is your personal manual for building the best most fulfilling personal and professional life possible crafting the perfect ask can fund your new business support your favorite charity and get more quality time with your significant other but it can do so much more than that it can change your life in learning how to ask for what you really want and deserve you lose your fear of rejection and judgement you create the greatest sense of self worth that no one can give you you give it to yourself when you ask the critical moment is when you turn your skills inward and make the hardest asks the ones you ask yourself this book is designed to make you an exceptional asker and in the process give you the confidence and skills you need to achieve all your goals and realize your dreams you ll learn how to prepare what words to use what to avoid and how to follow up and you ll purge the natural hesitancy that has been holding you back for so long asking is about empowerment it shows the world that what you want matters it defines who you are where you re going and who will be by your side this book provides over 175 sample asks with clear actionable steps to help you claim your space in relationships at work and in the world rewrite your own rulebook and find empowerment in asking learn the simple five steps to craft the perfect ask discover the secret of the ask it s two sentences and a question remove your money blockers and turn a bad ask into a win conquer the hardest asks you ll ever make the ones you ask yourself mastering the art of the ask reconfigures your approach to life and changes the way you tackle challenges and goals the ask gives you the skills and the mindset you need to accomplish anything you can dream

Funny You Should Ask

2022-04-12

national bestseller a restless young journalist with big dreams interviews a hollywood heartthrob and reunites with him ten years later to discover exactly how he feels about her in this sexy and engrossing novel you will absolutely devour this book it s filled with delightful banter hot romance and a love story that s worthy of the big screen kate spencer author of in a new york minute and host of forever35 one of the best books of the year cosmopolitan npr the washington post book riot then twenty something writer chani horowitz is stuck while her former mfa classmates are nabbing high profile book deals all she does is churn out puff pieces then she s hired to write a profile of movie star gabe parker her number one celebrity crush and the latest james bond all chani wants to do is keep her cool and nail the piece but what comes next proves to be life changing in ways she never saw coming as the interview turns into a whirlwind weekend that has the tabloids buzzing and chani getting closer to gabe than she had planned now ten years later after a brutal divorce and a healthy dose of therapy chani is back in los angeles as a successful writer with the career of her dreams except that no matter what new essay collection or online editorial she s promoting someone always asks about the profile it always comes back to gabe so when his pr team requests that they reunite for a second interview she wants to say no she wants to pretend that she s forgotten about the time they spent together but the truth is that chani wants to know if those seventy two hours were as memorable to gabe as they were to her and so she says yes alternating between their first meeting and their reunion a decade later this deliciously irresistible novel will have you hanging on until the last word

Jesus

1892

leading gestalt therapist michael kriegsfeld led therapy groups around the world gestalt therapy focuses on conflicts between aspects of the self and the attempt by patients to avoid responsibility for their choices and behavior when kriegsfeld died suddenly in 1992 he left 170 three hour long videotapes of his work with groups in the united states and europe through excerpts from these tapes author lee kassan provides examples of kriegsfeld s methods that will be of use to every therapist regardless of his or her field divided into five main sections who could we ask the gestalt therapy of michael kriegsfeld delivers a revealing personal portrait of kriegsfeld kassan explains kriegsfeld s theory of the gestalt model as an alternative to the medical model that dominates the therapy field today kassan brilliantly illustrates and explains the procedures that kriegsfeld used in gestalt therapy informative and intimate who could we ask is a rare glimpse of a master therapist at work
