howard kessler has lived the fast life of a hollywood star what could howard possibly need after a lifetime filled with everything anyone could ever want when he gets fired from the set of a film which was supposed to resurrect his status and details come out about a sordid drunken affair with a possibly underage groupie his long time girlfriend leaves him and howard embarks on soul searching expedition that takes him right back to brooklyn against the will of his trusted friend and agent his expectations of finding fulfillment and vindication were high as he left los angeles city limits he envisioned a big welcome warm embraces and the nostalgia of the fun of the past as he travels east he realizes he has a better opportunity to reinvent himself and changes his objective the reunion provides the painful details of the past and reminds howard why he left coney island and never turned back he seizes the opportunity to exploit the guys and the put the old and not so pretty stories in a screenplay while he holes up in a condo in brighton beach to write it the untrusting daughter and journalist of one of his pals writes a scathing expose of howard in a high profile glossy magazine using interviews given by members of the old gang and others meanwhile howard s agent and close friend begins to lose confidence not to mention his main source of commissions and wavers in his loyalty the old gang was never as tight as they would like to remember and the reunion opens wounds incurred by old girlfriends gambling debts petty crimes and grand larceny and enough secrets to fill a book howard found success once he left brooklyn but at a cost that he may regret leaving abruptly and cutting ties for decades had enabled trivial resentments to turn into lifelong grudges when he seizes an opportunity to turn his career around by writing an exploitive memoir using their stories he doesn't heed the risks of getting involved with the old gang again the guys hire their own writer to dig up dirt

on howard for a glossy magazine and in a tussle of reputations hollywood wins out in the end and howard reinvents his career as a successful writer director and producer the old gang breaks apart once again this time with much more to lose back stabbed in brooklyn is written through the multiple perspectives of the old gang howard s agent and the expose writer it is roughly 70 000 words

during the 1952 world series a yankee fan trying to watch the game in a brooklyn bar was told why don t you go back where you belong yankee lover i got a right to cheer my team the intruder responded this is a free country this ain t no free country chum countered the dodger fan this is brooklyn brooklynites loved their bums pee wee reese jackie robinson duke snider roy campanella and all the murderous parade of regulars who after years of struggle finally won the world series in 1955 one could not live in brooklyn and not catch its spirit of devotion to its baseball club in brooklyn s dodgers carl e prince captures the intensity and depth of the team s relationship to the community and its people in the 1950s ethnic and racial tensions were part and parcel of a working class borough the dodgers presence smoothed the rough edges of the ghetto conflict always present in the life of brooklyn the dodger inspired baseball program at the fabled parade grounds provided a path for boys that occasionally led to the prestigious dodger rookie team and sometimes via minor league contracts to ebbets field itself there were the boys who lined bedford avenue on game days hoping to retrieve home run balls and the men in the many bars who were not only devoted fans but collectively the keepers of the dodger past as were brooklyn women and in numbers indeed women were tied to the dodgers no less than their husbands fathers brothers and sons they were only less visible a few like pulitzer prize winning poet marianne moore and working class stiff hilda chester were regulars at ebbets field and far from invisible prince also explores the underside of the dodgers the baseball annies and the paternity suits that went with the territory the dodgers male culture was played out as

well in the team's politics in the owners manipulation of dodger male egos opponents race baiting and the macho bravado of the team how jackie robinson for instance would prod giants catcher sal yvars to impotent rage by signaling him when he was going to steal second base then taunting him from second after the steal the day in 1957 when walter o malley the owner of the brooklyn dodgers announced that the team would be leaving for los angeles was one of the worst moments in baseball history and a sad day in brooklyn's history as well the dodger team was to a degree unmatched in other major league cities deeply enmeshed in the life and psyche of brooklyn and its people in this superb volume carl prince illuminates this brooklyn in the golden years after the second world war
