leo reads to learn how to teach the fundamentals of reading this storybook helps children learn the fundamental keys to reading and gives children the exciting gift that they are reading to learn

## <u>Consent</u>

2018-01-30

this book is an experiment we re experimenting together you are part of the experiment if you ll agree to it normally i don t let my subjects choose to be subjects if you know you re being watched you cease to be you but i want you to read this i wrote it for you this magnetic book pulls you in its wake even as you resist its force sometimes you don t want to know what s next

## <u>Reading Leo Strauss</u>

#### 2007-04-15

interest in leo strauss is greater now than at any time since his death mostly because of the purported link between his thought and the political movement known as neoconservatism steven b smith though surprisingly depicts strauss not as the high priest of neoconservatism but as a friend of liberal democracy perhaps the best defender democracy has ever had moreover in reading leo strauss smith shows that strauss s defense of liberal democracy was closely connected to his skepticism of both the extreme left and extreme right smith asserts that this philosophical skepticism defined strauss s thought it was as a skeptic smith argues that strauss considered the seemingly irreconcilable conflict between reason and revelation a conflict strauss dubbed the theologico political problem calling this problem the theme of my investigations strauss asked the same fundamental question throughout his life what is the relation of the political order to revelation in general and judaism in particular smith organizes his book with this question first addressing strauss s views on religion and then examining his thought on philosophical and political issues in his investigation of these philosophical and political issues smith assesses strauss s attempt to direct the teaching of political science away from the examination of mass behavior and interest group politics and toward the study of the philosophical principles on which politics are based with his provocative lucid essays smith goes a long way toward establishing a distinctive form of straussian liberalism
