scotland norway newfoundland 1951 80 in this book the author presents extracts from his hill diary in scotland norway and newfoundland including hill walking rock and snow climbing ski mountaineering and observing wildlife from 1951 when he was 20 they continued through a personal exploration of hill country often solo until 1980 the book describes many ski tours in scotland mostly alone during 1951 the snowiest winter of the 1900s and climbing with tom weir and douglas scott for weeks in north norway during summer 1951 returning by trawler to grimsby in 1952 his enjoyment of lone ski mountaineering and snow allowed him to study the winter ecology of ptarmigan in the cairngorms and in summer 1952 he led a three man student expedition to north norway during april 1953 he spent a week alone on the avalon barrens of newfoundland studying willow grouse then he presents extracts from diary days in scotland and norway up to 1963 and in scotland climbing and ski mountaineering in 1963 80 throughout he writes of his joy at the beauty of nature a new paperback edition of steve chilton s illuminating and entertaining history of hill running one of athletics most demanding sports as well as the most demandingly amateur africa hunting short stories sporting robert ruark was perhaps the most renowned safari writer of the twentieth century as a respected columnist and author during his lifetime his writings have influenced thousands of hunters to travel to africa to see the places that ruark immortalized in his writings despite his impact ruark only wrote for a period of fifteen years but it was a time where he lived his life to its fullest potential he travelled all across the world in order to see and do everything he could dream of but it was in east africa that he came to find a spiritual home as the area became increasingly independent of colonial rule ruark predicted the economic social and political ruin that has since been the daily reality of the region in this detailed account of ruark s life terry wieland has written a definitive book on ruark the restless traveler and the times in which he lived as well as his lifelong fascination with africa now californian a history of moonville ohio and a collection of its haunting tales revised edition is an updated version of a previous work the author had published back in 2008 this revised edition contains more detailed history about moonville and its surrounding towns such as zaleski on how they came to be most notably that moonville was named by the railroad after a general store proprietor rather than the man who had actually founded the town and that zaleski was named after a polish french financier who never came to america to see his namesake town this revised edition also contains more haunting tales of what had happened to some of those who had lived and worked in this remote mining town in eastern vinton county ohio mainly covering those who had been involved in train accidents surrounding the still standing tunnel as these trains came barreling through the area plus there are a few tales of murder as well there are also a few light hearted tales most notably that of a well known english author who had passed through moonville on his way to tour america back in the late 1860s as well as a story about some feisty sisters in athens who took on the expanding railroad there are human interest elements in all of this most notably to me is the story of the dexters who had been enslaved in virginia escaping in the 1860s having made their way to moonville in order to live out their lives in freedom this book is about preserving the history of a mining town that began back in the 1850s thriving for nearly fifty years before it began its long slide into
