ideas

Brilliant Orange 2012-06-04

the netherlands has been one of the world's most distinctive and sophisticated football cultures from the birth of total football in the sixties through two decades of world cup near misses to the exiles who remade clubs like AC Milan, Barcelona, Arsenal, and Chelsea in their own image. The Dutch have often been dazzlingly original and influential. The elements of their style: exquisite skills, adventurous attacking tactics, a unique blend of individual creativity and teamwork, weird patterns of self-destruction, reflect and embody the country's culture and history. This book lays bare the elegant, fractured soul of the Dutch masters and the culture that spawned them by exploring and analysing its key ideas, institutions, personalities, and history in the context of wider Dutch society.

Ajax, the Dutch, the War 2012-09-11

When most people think about the Netherlands, images of tulips and peaceful pot smoking residents spring to mind. Bring up soccer, and most will think of Johan Cruyff, the Dutch player thought to rival Pele in preternatural skill, and Ajax, one of the most influential soccer clubs in the world, whose academy system for young athletes has been replicated around the globe, and most notably by Barcelona and the 2010 World Champions Spain. But as international bestselling author Simon Kuper writes in *Ajax: The Dutch, the War, Soccer in Europe* during the Second World War, the story of soccer in Holland cannot be understood without investigating what really occurred in this country during WWII. For decades, the Dutch have enjoyed the reputation of having a good war. The myth is even resonant in Israel, where Ajax is celebrated. The fact is, the Jews suffered shocking persecution at the hands of Dutch collaborators. Holland had the second largest Nazi movement in Europe outside Germany, and in no other country except Poland was so high a percentage of Jews deported. Kuper challenges Holland's historical amnesia and uses soccer, particularly the experience of Ajax, a club long supported by Amsterdam's Jews, as a window on wartime Holland and Europe. Through interviews with resistance fighters, survivors, wartime soccer players, and more, Kuper uncovers this history that has been ignored, and also finds out why the Holocaust had a profound effect on soccer in the country. Ajax produced Cruyff, but was also built by members of the Dutch resistance and Holocaust survivors. It became a surrogate family for many who survived the war, and its method for producing unparalleled talent became the envy of clubs around the world. In this passionate, haunting, and moving work of forensic reporting, Kuper tells the breathtaking story of how Dutch Jews survived the unspeakable and came to play a strong role in the rise of the most exciting and revolutionary style of soccer, total football, the world had ever seen.

Dutch Soccer Secrets 2011-09-15

What is the secret of Dutch soccer? How can a nation of about 16 million inhabitants regularly produce world-class players like Cruyff, Haan, van Basten, Rijkaard, van Nistelrooy, van der Sar, van Bommel, Robben, and van Persie, as well as world-class coaches like Michels, Cruyff, Beenakker, Advocaat, Stevens, and van Marwijk? What lies behind the successes of Ajax, Amsterdam, of Louis van Gaal, and of Dutch soccer manager Guus Hiddink? This book is a first attempt to present expert knowledge of internationally proven, useful, and effective Dutch soccer coaching in theory and practice, based on qualitative data collection. The authors

what is the purpose of history today and how can sporting research help us understand the world around us in this stimulating book nicholas piercey constructs four new histories of early dutch football exploring urban change club members the media and the diaries of cornelis johannes karel van aalst a stadium director to propose practical examples of how history can become an important democratic tool for the 21st century this work was published by saint philip street press pursuant to a creative commons license permitting commercial use all rights not granted by the work s license are retained by the author or authors

Beautiful Bridesmaids Dressed in Oranje 2021-09-15

this follow up to brilliant orange the neurotic genius of dutch soccer is an enchanting love letter to english football the daily telegraph in this playful witty and highly original look at english soccer david winner author of the acclaimed brilliant orange journeys to the heart of an essential english pastime and sheds new light on the true nature of a rapidly changing game that was never really meant to be beautiful with the same insightful eye he brought to his bestselling study of dutch soccer winner shows how victorian sexual anxiety underlies england s many world cup failures he reveals the connection between roy keane and a soldier who never lived but died in the charge of the light brigade and he demonstrates how thick mud and wet leather shaped the contours of the english soul it s neither a history of the game nor a memoir instead exploring the interplay between sport history and national character for thinking fans of the game this is exquisitely pleasurable reading as winner finds acceptance and even fondness for the english game his insight humor warmth and enthusiasm place him in the top echelon of soccer writers booklist starred review thank god for david winner with an easy wit winner traces the game back to its roots and the results are as intriguing as they are amusing a marvelous book duncan white fourfourtwo

Four Histories About Early Dutch Football, 1910-1920 **2020-10-09**

from the fifa world cup to pick up games at your local park soccer is the closest thing in our world to a universal entertainment many writers use this global popularity to describe the game s winners and losers but what happens when we use social science to explore how soccer intersects with culture society and the self this book provides a thinking fan s guide to the world s most popular game proposing a way of engaging soccer that sparks intellectual curiosity and employs critical consciousness using stories and data along with ideas from sociology psychology and across the social sciences it provides readers with new ways of understanding fanaticism peak performance talent development and more drawing on concepts ranging from cognitive bias to globalization it illuminates meanings of the game for players and fans while investigating impacts on our lives and communities while it considers soccer cultures across the globe the book also analyzes what makes u s soccer culture special including its embrace of the women s game as a scholar former minor league player and coach and fan andrew guest offers a distinctive perspective on soccer in society whatever name you call it and whatever your interest in it soccer in mind will enrich your own view of the one truly global game

Dutch Soccer Drills 1996

all about pressing in soccer provides a detailed look at the history theory and practice of pressing in soccer with this comprehensive resource the coach and player will improve their understanding of game tactics making them stronger and more successful as a coach or player in today s fast paced game when a team loses possession of the ball it does not wait for its opponent s offensive tactics to begin instead the defensive team limits the spatial aspects of their opponent s game through directed resistance or pressure which immediately limits the offense s options beginning with a look at the history of pressing you will gain background knowledge crucial for understanding the theory behind pressing which is presented in the second part of the book once you understand the why and the how of pressing you will be able to use the practical techniques and drills presented in the third section with this book you whether a coach or a player will have all the tools needed to implement a strong pressing tactic in the game giving you that necessary edge over your opponents

Those Feet 2013-07-30

75 years after the end of the holocaust this book commemorates the millions of victims by sharing the stories of wartime soccer players those prisoners of the nazi regime who found soccer to be a means of survival and inspiration even when surrounded by profound suffering and death the holocaust was genocide on a scale never seen before it is the greatest of human tragedies and a defining event in history which continues to challenge and confound human understanding for many victims ensnared by nazi germany soccer became both a show of resistance and a matter of life and death in soccer under the swastika defiance and survival in the nazi camps and ghettos revised edition kevin e simpson takes the reader on a

fascinating journey through this little known chapter in history revealing the surprisingly powerful role soccer played during world war ii relying on a trove of recently translated testimonies and scores of interviews with survivors and eyewitnesses simpson casts a penetrating light on the darkness of the holocaust by celebrating the courage of those who found the strength to play the beautiful game under horrific circumstances with the increasing loss of firsthand memories of these events soccer under the swastika reminds us of the importance in telling these compelling stories thoughtfully written and meticulously researched this revised edition is emboldened by new research recently translated survivor testimonies new photos from the era and a deepened focus on soccer in the nazi camps and ghettos providing a more powerful narrative of soccer s ability to provide inspiration and at times sustain life
