shortlisted for the william hill sports book of the year award in 1704 a bankrupt english merchant sent home the colt he had bought from bedouin tribesmen near the ruins of palmyra thomas darley hoped this horse might be the ticket to a new life back in yorkshire but he turned out to be far more than that and although mr darley s arabian never ran a race 95 of all thoroughbreds in the world today are descended from him in this book for the first time award winning racing writer christopher mcgrath traces this extraordinary bloodline through twenty five generations to our greatest modern racehorse frankel the story of racing is about man s relationship with horses and mr darley s arabian also celebrates the men and women who owned trained and traded the stallions that extended the dynasty the great eclipse for instance was bred by the duke who foiled bonnie prince charlie s invasion with militia gathered from wakefield races and went on to lead the jockey club but he only became a success once bought and raced by a card sharp and brothel keeper the racecourse has always brought high and low life together mcgrath expertly guides us through three centuries of scandals adventures and fortunes won and lost our sporting life offers a fascinating view into our history with a canvas that extends from the diamond mines of south africa to the trenches of the great war and a cast ranging from smithfield meat salesmen to the inspiration for mr toad and from legendary jockeys to not one but two disreputable princes of wales and a very unamused queen victoria mr darley s arabian shows us the many faces of the sport of kings a richard and judy book club pick winner stanford travel writing awards 2020 shortlisted for the william hill prize 2019 such an addictive and between may 2020 and may 2021 horse racing s most recognizable face hall of fame trainer bob baffert had five horses that failed postrace drug tests among those was the 2021 kentucky derby winner medina spirit while the incident was a major scandal in the thoroughbred racing world it was only the latest in a series of drug related infractions among elite athletes stories about systemic rule breaking and doping culture both human and equine have put world class athletes and their trainers under intense scrutiny each newly discovered instance of abuse forces fans to question the participants integrity and in the case of horse racing their humanity in unnatural ability the history of performance enhancing drugs in thoroughbred racing milton c toby addresses the historical and contemporary context of the thoroughbred industry s most pressing issue while early attempts at boosting racehorses performance were admittedly crude widespread legal access to narcotics and stimulants has changed the landscape of horse racing along with athletic governing bodies ability to regulate it with the sport at a critical turning point in terms of doping restrictions and sports betting toby delivers a comprehensive account of the practice of using performance enhancing drugs to influence the outcome of thoroughbred races since the late nineteenth century paying special attention to thoroughbred racing s purse structure and its reliance on wagering to supplement a horse s winnings toby discusses how horse doping poses a unique challenge for gambling sports and what the industry and its players must do to survive the pressure to get ahead early recognition of problems by owners appropriate first aid and timely referral by field veterinarians improve the chance of
