robert herjavec has lived the classic rags to riches story from having 20 in his pocket to starting up technology companies worth hundreds of millions of dollars now the star of television s dragons den and shark tank this son of croatian immigrants earned his incredible wealth by overcoming the odds with hard work and determination on television herjavec bankrolls the best inventions and shoots down the best of intentions now he s sharing his hard won wisdom in one of the most inspirational business books of recent times in driven herjavec shares the secrets that took him from his job waiting tables to growing his nascent technology company into a world class conglomerate the herjavec group herjavec s principles are as valuable in the living room as they are in the boardroom anyone can succeed on their own terms by following his sage but simple advice if they re willing to take chances to take control of their own future and to stay true to their own visions

Life Business Spirit

2012-09-19

the book life business spirit brings perspectives of spirit of life in managing the business it collates various experiences with a touch of learning in childhood days and struggle to grow in life how to inculcate values principles of ethics as a fulcrum of life the book also brings the dichotomy of being illiterate does not mean you don t have wisdom anyone can manage but few only lead in addition to these how greater purpose shapes our life strategy for greatness human instinct with happiness to perform are the part of the write up the book ends with how we can be a great human being with a caring attitude and being straightforward there are few of examples related to author s life relevantly illustrated hope this book will help its readers at least one lesson to adopt sincerely

The Facts of Business Life

2018-07-19

if you believe that being your own boss can be a great career choice success is what you decide it is doing what you have a passion and talent for can be very profitable monetary risk hard work and new ideas should be financially rewarded understanding the business basics every successful owner focuses on and in what order would be beneficial success works for you only after you ve worked for it marketplace battles are won before they are played knowing what owning a business is really like would make ownership success a lot easier change can create great opportunities knowing when to exit a business is as important a life and business decision as becoming an entrepreneur in the first place then the facts of business life is for you written by a successful business owner with four decades of experience the facts of business life is full of real world concepts that owners must use and embrace if they want to become and stay successful this multiple award winning book has been endorsed by some of america s top business leaders like steve forbes and ken fisher and has been recognized as one of the best five business books of the year and a must read for entrepreneurs or those wanting to be one mcbean begins with clear explanations and real life examples of the seven facts of business life that every successful business owner knows and executes consistently including exactly what they are as well as how and when to use them he then goes on to show how those facts impact on the five levels every successful business passes through from ownership and opportunity to moving on when it s time to go explaining that while the facts themselves remain the same as a business becomes successful and moves through its life cycle the way they are applied must change to fit changing circumstances but there are even more reasons why this breakthrough business book is a must read including its principles are based on the author s own experience in starting and running successful businesses in a variety of industries it shows that the most successful businesspeople create profitable opportunities rather than wait for them to present themselves it enables readers to analyze the likelihood of their own success based on the characteristics most successful owners have it reveals the 1 priority for all owners and their employees and why every owner needs to continually focus on it hint it s not being profitable it emphasizes that becoming successful is no guarantee that success will last and that success itself can be a trap that eventually leads to failure it shows that a business s culture isn t just a mission statement but also the processes created to operate the business and the employees who implement them it discusses the steps that must be taken even before a

business is started to increase the odds of its becoming a lasting success it covers every step in a business life cycle including the last one showing that the best time to exit a business is when you don t have to and that unless you pick that time someone else will many business books increase their readers knowledge the facts of business life not only increases that knowledge it shows you how to turn it into profits

this is the second and final volume of the business history of one of the uk s oldest and largest insurance offices based upon probably the best archive in the business this volume covers the period from 1870 to the absorption of the phoenix by sun alliance now royal and sun alliance in 1984 the phoenix papers are used to analyse the triumphs and trials not only of a single insurance venture but of an entire financial sector in a notably turbulent century insurance is concerned with the way people drive the way they retire or buy their houses or invest or educate their children or go to war it follows that a major insurance history also throws light on many aspects of modern british social history as the great composite offices expanded to offer fire accident marine and life insurance across a single counter so they caught within their dealings an increasingly representative slice of british commercial and social life
