

# Download free Last of the hitlers hardcover .pdf

up to the last moment his overwhelming despotic authority aroused false hopes and deceived his people and his entourage only at the end when i watched the inglorious collapse and the obstinacy of his final downfall was i able suddenly to fit together the bits of mosaic i had been amassing for twelve years into a complete picture of his opaque and sphinx like personality if my contemporaries fail to understand me those who came after will surely profit from this account otto dietrich when otto dietrich was invited in 1933 to become adolf hitler s press chief he accepted with the simple uncritical conviction that adolf hitler was a great man dedicated to promoting peace and welfare for the german people at the end of the war imprisoned and disillusioned otto dietrich sat down to write what he had seen and heard in twelve years of the closest association with hitler requesting that it be published after his death dietrich s role placed him in a privileged position he was hired by hitler in 1933 was his confidant until 1945 and he worked and clashed with joseph goebbels his direct personal experience of life at the heat of the reich makes for compelling reading in this brilliant strikingly original book historian john lukacs delves to the core of adolf hitler s life and mind by examining him through the lenses of his surprisingly diverse biographers since 1945 there have been more than one hundred biographies of hitler and countless other books on him and the third reich what happens when so many people reinterpret the life of a single individual dangerously the cumulative portrait that begins to emerge can suggest the face of a mythic antihero whose crimes and errors blur behind an aura of power and conquest by reversing the process by making hitler s biographers rather than hitler himself the subject of inquiry lukacs reveals the contradictions that take us back to the true hitler of history like an attorney lukacs puts the biographies on trial he gives a masterly account of all the major works and of the personalities methods and careers of the biographers one cannot separate the historian from his history particularly in this arena he looks at what is still not known and probably never will be about hitler he considers various crucial aspects of the real hitler and he shows how different biographers have either advanced our understanding or gone off track by singling out those who have been involved in or co opted into an implicit rehabilitation of hitler lukacs draws powerful conclusions about hitler s essential differences from other monsters of history such as napoleon mussolini and stalin and equally important about hitler s place in the history of this century and of the world up to the last moment his overwhelming despotic authority aroused false hopes and deceived his people and his entourage only at the end when i watched the inglorious collapse and the obstinacy of his final downfall was i able suddenly to fit together the bits of mosaic i had been amassing for twelve years into a complete picture of his opaque and sphinx like personality otto dietrich when otto dietrich was invited in 1933 to become adolf hitler s press chief he accepted with the simple uncritical conviction that adolf hitler was a great man dedicated to promoting peace and the welfare for the german people at the end of the war imprisoned and disillusioned dietrich sat down to write what he had seen and heard in twelve years of the closest association with hitler requesting that it be published after his death dietrich s role placed him in a privileged position he was hired by hitler in 1933 and was a confidant until 1945 and he worked and clashed with joseph goebbels his direct personal experience of life at the heart in the reich makes for compelling reading adolf hitler was one of six children born to his mother and one of eight born to his father from two of his three marriages alois hitler né schicklgruber was an official of the austrian customs service and the combination of an imperial uniform and a severe drinking habit seems to have ensured that hitler s father was a drunken bully given to beating his children if they were not instantly obedient alois had two children alois junior and angela by his second wife and six by his third hitler s mother clara of whom four all boys died at birth or in infancy young adolf was therefore left with a half brother alois and half sister angela and a full sister paula who died in 1960 when hitler killed himself in april 1945 all his siblings were still living and some had children of their own so what happened to them the answer is that no one was really certain until david gardner published this book in 2001 having patiently and steadfastly tracked down hitler s living relations to the usa and made contact with some of them now revised and updated this is a fascinating study of a little known side of hitler s history as well as a riveting account of how the author traced and contacted the survivors of a bloodline that most of the world probably hoped had become extinct in depth analysis and narrative prose explain the climate of germany post world war i and make it clear to students exactly who adolf hitler was and what his political aspirations for germany were a clear chronology of the early twentieth century will enlighten readers about the rise of the third reich and its leader

former hitler youth brings a unique sensitivity and perspective to the history of one of the most fascinating vehicles for nazi thought and propaganda he traces the hitler youth movement from its antecedents in nineteenth century german romanticism and pre 1914 youth culture through the world war i radicalization of german youth to its ultimate exploitation by the nazi party describes the growth of the hitler myth and the fascination which hitler had for people analyzes the themes and methods used by hitler based on his book mein kampf and on his speeches including his attacks on the jews deals especially with his language the phraseology of sacrifice of nature and of prophecy for material relating to nazi laws against the jews see pp 159 174 in modern times the recruitment of children into a political organization and ideology reached its boldest embodiment in the hitler youth founded in 1933 soon after the nazi party assumed power in germany determining that by age ten children s minds could be turned from play to politics the regime inducted nearly all german juveniles between the ages of ten and eighteen into its state run organization the result was a potent tool for bending young minds and hearts to the will of adolf hitler baldur von schirach headed a strict chain of command whose goal was to shift the adolescents sense of obedience from home and school to the racially defined volk and the third reich luring boys and girls into hitler youth ranks by offering them status uniforms and weekend hikes the nazis turned campgrounds into premilitary training sites air guns into machine guns sing alongs into marching drills instruction into indoctrination and children into nazis a few resisted for personal or political reasons but the overwhelming majority enlisted drawing on original reports letters diaries and memoirs michael h kater traces the history of the hitler youth examining the means degree and impact of conversion and the subsequent fate of young recruits millions of hitler youth joined the armed forces thousands gleefully participated in the subjugation of foreign peoples and the obliteration of racial aliens although young they committed crimes against humanity for which they cannot escape judgment their story stands as a harsh reminder of the moral bankruptcy of regimes that make children complicit in crimes of the state heinrich hoffmann was the photographer to kings princes and the glitterati of the first half of the 20th century his archive of images ran into the millions and he grew to be rich and moderately famous an assistant in london to emil otto hoppé the undisputed leader of pictorial portraiture in europe at the time hoffmann returned to germany progressed through the tumult of wwi into the chaos of the weimar and there he came into contact with an idealist with a growing following adolf hitler as official court photographer heinrich hoffmann played a critical role in the painstaking cultivation of hitler s public image and the glorification of the third reich however his influence stretched far beyond the realm of propaganda not only was he present during many of the key moments in the history of the third reich he was also a close personal friend of the führer with exclusive and intimate access to hitler s inner circle and to the man himself it was hoffmann who introduced hitler to eva braun his studio assistant it was also hoffmann with whom hitler was on a trip from munich to hamburg when the führer received word that his beloved niece geli raubal had committed suicide hoffmann took over two million photographs of hitler and published several books including the hitler nobody knows 1933 at the end of the war hoffmann was arrested by the u s military who seized his photographic archive and was sentenced to imprisonment for nazi profiteering these memoirs were first published in english in 1955 four years after his release from prison and represent a crucial eyewitness source for the historian and general reader alike interpretative study of the hitler state now available in english an important contribution to the study of totalitarian states adolf hitler remains one of the most discussed figures in world history every year an untold number of articles and books are published and television programs and internet pages are produced by respected historians through to amateur conspiracy theorists one of the consequences of this continuous flow of stories is that over time increasing numbers of falsehoods and fabrications have emerged about hitler many of these have subsequently gained credence by virtue of their constant repetition however bizarre they may be these include such claims that hitler was impotent contradicted by another myth that he had an illegitimate son that he had jewish ancestors or that he had killed his niece another claim one of the most persistent is that he did not commit suicide but escaped berlin to live in argentina for years after the war despite his well recorded failing health what is the truth about his corpse his sexual experiences his years of poverty his complete dominance of his subordinates how much of what we think we know is the result of intentional or misunderstood modern interpretations many rumours also circulated during hitler s life and with the passage of time have been presented as facts despite having no substantial foundation was hitler really a hero of the first world war and if so why was he not promoted beyond the rank of corporal was he the true author of mein kampf and did he write a second book that was never published and was hitler initially a socialist in the hitler myths the author clinically dissects many of these myths often in a highly amusing fashion as he exposes the inaccuracies and impossibilities of the stories the myths the familiar and the obscure are discussed chronologically

following the course of hitler s life in his analysis of each of the myths the author draws on an array of sources to prove or disprove the rumours and speculations once and for all brilliant a 5 out of 5 masterpiece evening standard the renowned historian of the third reich takes on the conspiracy theories surrounding adolf hitler and the nazis in a vital history book for the post truth age the idea that nothing happens by chance in history that nothing is quite what it seems to be at first sight that everything that occurs is the result of the secret machinations of malign groups of people manipulating everything from behind the scenes is as old as history itself but conspiracy theories are becoming more popular and more widespread in the twenty first century nowhere have they become more obvious than in revisionist accounts of the history of the third reich long discredited conspiracy theories have taken on a new lease of life given credence by claims of freshly discovered evidence and novel angles of investigation this book takes five widely discussed claims involving hitler and the nazis and subjects them to forensic scrutiny that the jews were conspiring to undermine civilization as outlined in the protocols of the elders of zion that the german army was stabbed in the back by socialists and jews in 1918 that the nazis burned down the reichstag in order to seize power that rudolf hess flight to the uk in 1941 was sanctioned by hitler and conveyed peace terms suppressed by churchill and that hitler escaped the bunker in 1945 and fled to south america in doing so it teases out some surprising features these and other conspiracy theories have in common this is a history book but it is a history book for the age of post truth and alternative facts a book for our own troubled times heinz linge worked with adolf hitler for a ten year period from 1935 until the führer s death in the berlin bunker in may 1945 he was one of the last to leave the bunker and was responsible for guarding the door while hitler killed himself during his years of service linge was responsible for all aspects of hitler s household and was constantly by his side he claims that only eva braun stood closer to hitler over these years here linge recounts the daily routine in hitler s household his eating habits his foibles his preferences his sense of humor and his private life with eva braun in fact linge believed hitler s closest companion was his dog blondi after the war linge said in an interview it was easier for him to sign a death warrant for an officer on the front than to swallow bad news about the health of his dog linge also charts the changes in hitler s character during their time together and his fading health during the last years of the war during his last days hitler s right eye began to hurt intensely and linge was responsible for administering cocaine drops to kill the pain in a number of instances such as with the stauffenberg bomb plot of july 1944 linge gives an excellent eyewitness account of events he also gives thumbnail profiles of the prominent members of hitler s court hess speer bormann and ribbentrop amongst them though linge held an ss rank he claims not to have been a nazi party member his profile of one of history s worst demons is not blindly uncritical but it is nonetheless affectionate the hitler that emerges is a multi faceted individual unpredictable and demanding but not of an otherwise unpleasant nature this eyewitness account was compiled for one man s eyes only those of josef stalin one of the first biographies of adolf hitler it derives from the testimony of his two closest assistants interrogated at the soviet leader s command in order to understand the psychology of his greatest enemy and to be certain that he was dead book jacket more than thirty years after his first investigation of the nazi underground peter levenda has returned again and again to his quest for the truth about the true character of the nazi cult and the people and political movements it has influenced in the decades since the end of world war ii the wide sweep of this investigation moves from a ku klux klan headquarters in reading pennsylvania to the new york city office of the palestine liberation organization from the apartment of a notorious neo nazi leader to an islamic boarding school headquarters of the man who ordered the bali bombings when levenda uncovered the existence of a nazi underworld in asia the nexus of religion politics terrorism and occult beliefs was revealed to be the real domain of the threat to global security meticulously researched from both archival material and declassified intelligence agency files to personal interviews and investigations undertaken in asia europe and latin america the hitler legacy is the story of how the mistakes of the 20th century have come home to roost in the 21st this book will challenge the conventional thinking about such subjects as the muslim brotherhood and islamist terrorism and even about the alleged death of one of history s most infamous killers adolf hitler eighty two percent of german boys and girls between the ages of ten and eighteen belonged to hitlerjugend hitler youth or one of its affiliates by the time membership became fully compulsory in 1939 these adolescents were recognized by the ss an exclusive cadre of nazi zealots as a source of future recruits to its own elite ranks which were made up largely of men under the age of thirty in this book gerhard rempel examines the special relationship that developed between these two most youthful and dynamic branches of the national socialist movement and concludes that the coalition gave nazism much of its passionate energy and contributed greatly to its initial political and military success rempel center his analysis of the hj ss relationship on two branches of the hitler

youth the first of these the patrol service was established as a juvenile police force to pursue ideological and social deviants political opponents and non conformists within the hj and among german youth at large under ss influence however membership in the organization became a preliminary apprenticeship for boys who would go on to be agents and soldiers in such ss controlled units as the gestapo and death s head formations the second the land service was created by hj to encourage a return to farm living but this battle to reverse the flight from the land took on military significance as the ss sought to use the land service to create defense peasants who would provide a reliable food supply while defending the fatherland the transformation of the patrol and land services like that of the hj generally served ss ends at the same time that it secured for the nazi regime the practical and ideological support of germany s youth by fostering in the hitler youth as national community of the young the ss believed it could convert the popular movement of nazism into a protomilitary program to produce ideologically pure and committed soldiers and leaders who would keep the movement young and vital sometimes the smallest detail reveals the most about a culture in heil hitler the history of a gesture sociologist tilman allert uses the nazi transformation of the most mundane human interaction the greeting to show how national socialism brought about the submission and conformity of a whole society made compulsory in 1933 the hitler salute developed into a daily reflex in a matter of mere months and quickly became the norm in schools at work among friends and even at home adults denounced neighbors who refused to raise their arms and children were given tiny hitler dolls with movable right arms so they could practice the pernicious salute the constantly reiterated declaration of loyalty at once controlled public transactions and fractured personal relationships and always the greeting sacralized hitler investing him and his regime with a divine aura publishers description a candid and revealing memoir shows a normal boy and a family at war and in its aftermath determined to do what it took to survive fascinating the great war when adolf hitler and the nazi party came into power in 1933 he promised the downtrodden demoralized and economically broken people of germany a new beginning and a strong future millions flocked to his message including a corps of young people called the hitlerjugend the hitler youth by 1942 hitler had transformed germany into a juggernaut of war that swept over europe and threatened to conquer the world it was in that year that a nine year old wilhelm reinhard gehlen took the jungvolk oath vowing to give his life for hitler this is the story of wilhelm gehlen s childhood in nazi germany during world war ii and the awful circumstances which he and his friends and family had to endure during and following the war including a handful of recipes and descriptions of the strange and sometimes disgusting food that nevertheless kept people alive this book sheds light on the truly awful conditions and the twisted mistaken devotion held by members of the hitler youth that it was their duty to do everything possible to save the thousand year reich the bundle of 31 letters the pages of which had long yellowed with age had lain hidden in the attic where they were found for over a century only when the razor sharp script was examined further did historians discover just who had written them and that person alois was adolf hitler s father born alois schicklgruber on 7 june 1837 the identity of his biological father still undisclosed alois eventually became a civil servant in the austrian customs service at around the age of 40 alois changed his family name from schicklgruber to hitler his infamous son being born some eleven years later the contents of the re discovered letters have allowed the renowned historian and author roman sandgruber to reassess the image that we have of alois offering the world a completely new and authentic impression of the man in hitler s father sandgruber re examines alois personality and how he significantly shaped the young adolf the letters also shed further light onto the everyday life of the hitler family as whole a story which is often characterized by myths inventions and assumptions they have given the author the opportunity to recount the childhood and youth of the future dictator painting a dramatic picture of the führer growing up these letters also help answer the question that is so often asked how could a child from an upper austrian province seemingly a failure and self taught rise to a position of such power indeed adolf hitler s father and the province seemingly lay heavily on him until his suicide in the führerbunker in 1945 the author examines how the young hitler s lowly upbringing may have affected him in the years that followed years which shaped the history of the whole world hitler believed himself to be as much an artist as a politician and his rise to power owed a great deal to the creation of myth around his own personality in his germany politics and culture became one the cult of celebrity nurtured and driven by hitler and his acolyte joseph goebbels in their version of hollywood there were scandals starlets secret agents premieres and the infamous casting couch but one of the actresses was a soviet agent who held the key to killing the führer hitler and the nazi cult of celebrity probes the correlation between art and ambition shows how films were used as weapons and uncovers the sexual predilections of the nazi hierarchy it also brings to light previously unpublished information about the hitler film goebbels saw as the greatest story ever told which was in the planning even as hitler himself was

heading for his own wagnerian finale was hitler just a lone assassin of nations just a crazy fanatic who somehow managed to take power in a powerful nation and threaten world domination and destruction do all germans genetically have fascist tendencies the short answer is no to both of these mythologies and numerous others from hollywood and similar places yet despite the importance of the subject and shelves full of books and scholarly writings on the topic only this study by helga zepp larouche and a schiller institute research team actually approximates a thorough analysis of hitler and the nazi movement its origins and mystical philosophy its fascist economic policies its race science its backers and promoters its drug and gun running its terrorism and assassinations most importantly this book tracks the nazi apparatus transformation into today s green anti human movement and religious terrorism at the end of the war intelligence services engaged in a mad scramble to preserve and take over the nazi old boys networks don t be so sure that the old swastika is gone for good trappings and tactics have changed somewhat but the threat of global destruction is still hanging over us read this book and ensure that mankind can overcome the continuing menace and create a future of progress for all from the time his nazi regime launched world war ii to the present adolf hitler has frequently been depicted on film he was largely ridiculed at first since laughter was a powerful weapon and morale booster for nations at war later representations were more somber and realistic yet hitler s image never escaped the undertone of scorn this book concentrates exclusively on portrayals of hitler in feature films and television miniseries the filmography covers films with a factual historical storyline fictional stories alternate histories parodies and films where actors playing hitler have a cameo each entry provides production credits an annotated cast list an analysis and synopsis of the film an evaluation of the actor playing hitler in terms of the strengths and weaknesses of his portrayal and representative quotations from the film what did hitler really say about the jews in his own words adolf hitler has become one of the world s most recognized anti semites in history barely a day goes by without his name being mentioned in the controlled media more than sixty years after his death books continue to be produced about hitler and the third reich by the thousand year after year and as the heap of works mount up hysterical exaggeration and distortions have become the norm this is particularly so with the issue of jews and anti semitism the controlled media continues to insist on the most ludicrous far fetched reasons for hitlerian anti semitism from allegations of jewish ancestry the medical treatment according his mother to irrational fears or other psychological babble this book cuts through the lies and propaganda about national socialist anti semitism by going directly to the source adolf hitler himself to achieve this task the compiler combed through hundreds of hitler s speeches and his major writing dating from 1919 to april 1945 the end result of this labor is the production without commentary in in hitler s own words why he was an anti semite apart from the expected topics the press finance and politics all of which hitler argued were under jewish control the subjects addressed include deeper issues which explain the jewish presence in europe their influence upon society culture and art and race this is a riveting read from beginning to end and is vital for anyone seeking a real understanding of the hitler phenomena the second volume of a new chronicle of the third reich under hitler s hand ending with his death and germany s disastrous defeat in the hitler years disaster 1940 1945 frank mcdonough completes his brilliant two volume history of germany under hitler s third reich at the beginning of 1940 germany was at the pinnacle of its power by may 1945 hitler was dead and germany had suffered a disastrous defeat hitler had failed to achieve his aim of making germany a super power and had left her people to cope with the endless shame of the holocaust despite hitler s grand ambitions and the successful early stages of the third reich s advances into europe frank mcdonough convincingly argues that germany was only ever a middle ranking power and never truly stood a chance against the combined forces of the allies in this second volume of the hitler years professor frank mcdonough charts the dramatic change of fortune for the third reich and germany s ultimate defeat a lively chronicle of the 1983 sensation in which historians and the media and their credulous public were tricked by a petty german thief into temporarily rewriting the history of the third reich handwriting expert hamilton details his role in exposing the hoax and recounts the circus like trial annotation copyrighted by book news inc portland or the classic eye witness account of nazi germany by hitler s armaments minister and right hand man inside the third reich is not only the most significant personal german account to come out of the war but the most revealing document on the hitler phenomenon yet written it takes the reader inside nazi germany on four different levels hitler s inner circle national socialism as a whole the area of wartime production and the inner struggle of albert speer the author does not try to make excuses even by implication and is unrelenting toward himself and his associates speer s full length portrait of hitler has unnerving reality the führer emerges as neither an incompetent nor a carpet gnawing madman but as an evil genius of warped conceits endowed with an ineffable personal magic new york times the personality of hitler himself can hardly explain his immense

hold over the german people this study a revised version of a book previously published in germany under the title der hitler mythos volksmeinung und propaganda im dritten reich examines how the nazis experts in propaganda accomplished the virtual deification of the führer based largely on the reports of government officials party agencies and political opponents dr kershaw charts the creation growth and decline of the hitler myth the first book to present the so called hitler library it sheds new light on the readings of hitler and on his techniques how to read a book hitler presented himself as an ideal reader of schopenhauer nevertheless his remarks destroy that image particularly if we see how he read ernst jünger richard wagner or paul de lagarde and how he reread mein kampf the book describes the gnostic character of the phenomenon as an explication of the success of nazism and that of the hitler myth and challenges the static views of traditional historiography a collection of 126 items from source materials documents excerpts from books etc dealing with various aspects of the history of nazi germany with essays and comments by the editors pp 185 188 survey nazi racist ideology in reference to the jews see especially ch 13 pp 397 425 the solutions to the jewish problem 1933 1941 items 94 102 and ch 14 pp 427 455 the death camps 1941 1945 items 103 106 now available in a single abridged paperback ian kershaw s hitler is the definitive biography of the nazi leader ian kershaw s two volume biography hitler 1889 1936 hubris and hitler 1936 1945 nemesis was greeted with universal acclaim as the essential work on one of the most malign figures in history from his earliest origins to the final days of the second world war now this landmark historical work is available in one single abridged edition tracing the story of how a bitter failed art student from an obscure corner of austria rose to unparalleled power destroying the lives of millions and bringing the world to the brink of armageddon supersedes all previous accounts it is the sort of masterly biography that only a first rate historian can write david cannadine observer the hitler biography for the twenty first century richard evans sunday telegraph i cannot imagine a better biography of this great tyrant emerging for a long while jeremy paxman magisterial anyone who wishes to understand the third reich must read kershaw for no one has done more to lay bare hitler s morbid psyche niall ferguson sunday telegraph hitler s secret book is his forthright and chilling blueprint for world conquest and domination written prior to mein kampf this manuscript was hitler s first synthesis of his political goals and the methods by which he intended to achieve them hitler had ordered the book locked away but the manuscript was unearthed among millions of captured war documents finally brought to light for readers everywhere hitler s secret book is a fascinating look inside the mind of the man who molded the third reich originally published in 1953 this masterly study of heinrich himmler is a forceful dispassionate analysis of a man who rose from obscure beginnings as an agricultural student to a position of almost absolute power until in the nazi twilight he challenged hitler himself outwardly insignificant diffident possessing neither the flamboyance of goering nor the incisiveness of goebbels himmler head of the dreaded secret police yet made himself the man most feared in the nazi hierarchy and as much by his friends as his enemies only when the incredible facts about himmler s extraordinary hold over his colleagues became known were the full depths of the infamy to which nazism had brought germany revealed based on journalist willi frischauer s unique knowledge of the background and sequence of events which gave rise to the hitler regime he manages to unearth the evidence building up stone by stone the mosaic of himmler s true portrait a fully documented and unforgettable narrative hitler and the rise of the nazi party begins with an overview of the personality and early life of adolf hitler and proceeds to examine the early years of the nazi party and the major factors which led to the growth of support for it among ordinary germans in particular it looks at organisation and party propaganda during this period and reassesses some of the commonly assumed reasons for hitlers appointment as german chancellor in january 1933 what made six ordinary men instigate the terrifying criminal nazi regime throughout german society and beyond with such enthusiasm and diligence supported by recently discovered files from all over the world and interviews with former nazi members and victims guido knopp examines the background and activities of some of hitler s right hand men here is adolf eichmann who arranged the deportation of jews in crowded trains before sentencing thousands to a terrifying death as part of the final solution martin bormann hitler s secretary and deputy who controlled sensitive papers to influence government policy joachim von ribbentrop hitler s foreign advisor roland friesler known as the hanging judge on account of his brutality in administrating nazi law baldur von schirach leader of the hitler youth movement and joseph mengele the doctor involved in the bizarre genetic experiments on concentration camp prisoners these very different people all shared an awestruck dedication to hitler and a deep hatred of the jews fifty six years after adolf hitler s suicide his legacy lives agonizingly on in myriad forms from hero worshipping tourists at berchtesgaden to reactionary academics the hitler virus complements and supplements daniel goldhagen s bestselling hitler s willing executioners 8 pp of illustrations after providing the reader with the necessary background information author kilzer thoroughly examines all

possibilities conclusively he identifies hitler s chief henchman as the traitor  
codenamed werther book jacket

## **The Hitler I Knew**

2010-06-01

up to the last moment his overwhelming despotic authority aroused false hopes and deceived his people and his entourage only at the end when i watched the inglorious collapse and the obstinacy of his final downfall was i able suddenly to fit together the bits of mosaic i had been amassing for twelve years into a complete picture of his opaque and sphinx like personality if my contemporaries fail to understand me those who came after will surely profit from this account otto dietrich when otto dietrich was invited in 1933 to become adolf hitler s press chief he accepted with the simple uncritical conviction that adolf hitler was a great man dedicated to promoting peace and welfare for the german people at the end of the war imprisoned and disillusioned otto dietrich sat down to write what he had seen and heard in twelve years of the closest association with hitler requesting that it be published after his death dietrich s role placed him in a privileged position he was hired by hitler in 1933 was his confidant until 1945 and he worked and clashed with joseph goebbels his direct personal experience of life at the heat of the reich makes for compelling reading

## ***The Hitler of History***

2011-04-06

in this brilliant strikingly original book historian john lukacs delves to the core of adolf hitler s life and mind by examining him through the lenses of his surprisingly diverse biographers since 1945 there have been more than one hundred biographies of hitler and countless other books on him and the third reich what happens when so many people reinterpret the life of a single individual dangerously the cumulative portrait that begins to emerge can suggest the face of a mythic antihero whose crimes and errors blur behind an aura of power and conquest by reversing the process by making hitler s biographers rather than hitler himself the subject of inquiry lukacs reveals the contradictions that take us back to the true hitler of history like an attorney lukacs puts the biographies on trial he gives a masterly account of all the major works and of the personalities methods and careers of the biographers one cannot separate the historian from his history particularly in this arena he looks at what is still not known and probably never will be about hitler he considers various crucial aspects of the real hitler and he shows how different biographers have either advanced our understanding or gone off track by singling out those who have been involved in or co opted into an implicit rehabilitation of hitler lukacs draws powerful conclusions about hitler s essential differences from other monsters of history such as napoleon mussolini and stalin and equally important about hitler s place in the history of this century and of the world

up to the last moment his overwhelming despotic authority aroused false hopes and deceived his people and his entourage only at the end when i watched the inglorious collapse and the obstinacy of his final downfall was i able suddenly to fit together the bits of mosaic i had been amassing for twelve years into a complete picture of his opaque and sphinx like personality otto dietrich when otto dietrich was invited in 1933 to become adolf hitler s press chief he accepted with the simple uncritical conviction that adolf hitler was a great man dedicated to promoting peace and the welfare for the german people at the end of the war imprisoned and disillusioned dietrich sat down to write what he had seen and heard in twelve years of the closest association with hitler requesting that it be published after his death dietrich s role placed him in a privileged position he was hired by hitler in 1933 and was a confidant until 1945 and he worked and clashed with joseph goebbels his direct personal experience of life at the heart in the reich makes for compelling reading

## **The Hitler Bloodline**

2023-08-17

adolf hitler was one of six children born to his mother and one of eight born to his father from two of his three marriages alois hitler né schicklgruber was an official of the austrian customs service and the combination of an imperial uniform and a severe

drinking habit seems to have ensured that hitler s father was a drunken bully given to beating his children if they were not instantly obedient alois had two children alois junior and angela by his second wife and six by his third hitler s mother clara of whom four all boys died at birth or in infancy young adolf was therefore left with a half brother alois and half sister angela and a full sister paula who died in 1960 when hitler killed himself in april 1945 all his siblings were still living and some had children of their own so what happened to them the answer is that no one was really certain until david gardner published this book in 2001 having patiently and steadfastly tracked down hitler s living relations to the usa and made contact with some of them now revised and updated this is a fascinating study of a little known side of hitler s history as well as a riveting account of how the author traced and contacted the survivors of a bloodline that most of the world probably hoped had become extinct

## ***Adolf Hitler and the Rise of the Third Reich***

2015-12-15

in depth analysis and narrative prose explain the climate of germany post world war i and make it clear to students exactly who adolf hitler was and what his political aspirations for germany were a clear chronology of the early twentieth century will enlighten readers about the rise of the third reich and its leader

## ***The Hitler State***

1981

h w koch himself a former hitler youth brings a unique sensitivity and perspective to the history of one of the most fascinating vehicles for nazi thought and propaganda he traces the hitler youth movement from its antecedents in nineteenth century german romanticism and pre 1914 youth culture through the world war i radicalization of german youth to its ultimate exploitation by the nazi party

## ***The Hitler Youth***

2000-08-08

describes the growth of the hitler myth and the fascination which hitler had for people analyzes the themes and methods used by hitler based on his book mein kampf and on his speeches including his attacks on the jews deals especially with his language the phraseology of sacrifice of nature and of prophecy for material relating to nazi laws against the jews see pp 159 174

## ***Hitler***

1975-07-03

in modern times the recruitment of children into a political organization and ideology reached its boldest embodiment in the hitler youth founded in 1933 soon after the nazi party assumed power in germany determining that by age ten children s minds could be turned from play to politics the regime inducted nearly all german juveniles between the ages of ten and eighteen into its state run organization the result was a potent tool for bending young minds and hearts to the will of adolf hitler baldur von schirach headed a strict chain of command whose goal was to shift the adolescents sense of obedience from home and school to the racially defined volk and the third reich luring boys and girls into hitler youth ranks by offering them status uniforms and weekend hikes the nazis turned campgrounds into premilitary training sites air guns into machine guns sing alongs into marching drills instruction into indoctrination and children into nazis a few resisted for personal or political reasons but the overwhelming majority enlisted drawing on original reports letters diaries and memoirs michael h kater traces the history of the hitler youth examining the means degree and impact of conversion and the subsequent fate of young recruits millions of hitler youth joined the armed forces thousands gleefully participated in the subjugation of foreign peoples and the obliteration of racial aliens although young they committed crimes against humanity for which they cannot escape judgment their story stands as a harsh reminder of the moral bankruptcy of regimes that make children complicit in crimes of the state

## **Hitler Youth**

2009-06-30

heinrich hoffmann was the photographer to kings princes and the glitterati of the first half of the 20th century his archive of images ran into the millions and he grew to be rich and moderately famous an assistant in london to emil otto hoppé the undisputed leader of pictorial portraiture in europe at the time hoffmann returned to germany progressed through the tumult of wwi into the chaos of the weimar and there he came into contact with an idealist with a growing following adolf hitler as official court photographer heinrich hoffmann played a critical role in the painstaking cultivation of hitler s public image and the glorification of the third reich however his influence stretched far beyond the realm of propaganda not only was he present during many of the key moments in the history of the third reich he was also a close personal friend of the führer with exclusive and intimate access to hitler s inner circle and to the man himself it was hoffmann who introduced hitler to eva braun his studio assistant it was also hoffmann with whom hitler was on a trip from munich to hamburg when the führer received word that his beloved niece geli raubal had committed suicide hoffmann took over two million photographs of hitler and published several books including the hitler nobody knows 1933 at the end of the war hoffmann was arrested by the u s military who seized his photographic archive and was sentenced to imprisonment for nazi profiteering these memoirs were first published in english in 1955 four years after his release from prison and represent a crucial eyewitness source for the historian and general reader alike

## **Hitler Was My Friend**

2018-09-03

interpretative study of the hitler state now available in english an important contribution to the study of totalitarian states

## **The Hitler State**

2014-06-06

adolf hitler remains one of the most discussed figures in world history every year an untold number of articles and books are published and television programs and internet pages are produced by respected historians through to amateur conspiracy theorists one of the consequences of this continuous flow of stories is that over time increasing numbers of falsehoods and fabrications have emerged about hitler many of these have subsequently gained credence by virtue of their constant repetition however bizarre they may be these include such claims that hitler was impotent contradicted by another myth that he had an illegitimate son that he had jewish ancestors or that he had killed his niece another claim one of the most persistent is that he did not commit suicide but escaped berlin to live in argentina for years after the war despite his well recorded failing health what is the truth about his corpse his sexual experiences his years of poverty his complete dominance of his subordinates how much of what we think we know is the result of intentional or misunderstood modern interpretations many rumours also circulated during hitler s life and with the passage of time have been presented as facts despite having no substantial foundation was hitler really a hero of the first world war and if so why was he not promoted beyond the rank of corporal was he the true author of mein kampf and did he write a second book that was never published and was hitler initially a socialist in the hitler myths the author clinically dissects many of these myths often in a highly amusing fashion as he exposes the inaccuracies and impossibilities of the stories the myths the familiar and the obscure are discussed chronologically following the course of hitler s life in his analysis of each of the myths the author draws on an array of sources to prove or disprove the rumours and speculations once and for all

## ***The Hitler Myths***

2022-05-05

brilliant a 5 out of 5 masterpiece evening standard the renowned historian of the third reich takes on the conspiracy theories surrounding adolf hitler and the nazis in a vital history book for the post truth age the idea that nothing happens by chance in history that nothing is quite what it seems to be at first sight that everything that

occurs is the result of the secret machinations of malign groups of people manipulating everything from behind the scenes is as old as history itself but conspiracy theories are becoming more popular and more widespread in the twenty first century nowhere have they become more obvious than in revisionist accounts of the history of the third reich long discredited conspiracy theories have taken on a new lease of life given credence by claims of freshly discovered evidence and novel angles of investigation this book takes five widely discussed claims involving hitler and the nazis and subjects them to forensic scrutiny that the jews were conspiring to undermine civilization as outlined in the protocols of the elders of zion that the german army was stabbed in the back by socialists and jews in 1918 that the nazis burned down the reichstag in order to seize power that rudolf hess flight to the uk in 1941 was sanctioned by hitler and conveyed peace terms suppressed by churchill and that hitler escaped the bunker in 1945 and fled to south america in doing so it teases out some surprising features these and other conspiracy theories have in common this is a history book but it is a history book for the age of post truth and alternative facts a book for our own troubled times

## **The Hitler Conspiracies**

2020-10-01

heinz linge worked with adolf hitler for a ten year period from 1935 until the führer s death in the berlin bunker in may 1945 he was one of the last to leave the bunker and was responsible for guarding the door while hitler killed himself during his years of service linge was responsible for all aspects of hitler s household and was constantly by his side he claims that only eva braun stood closer to hitler over these years here linge recounts the daily routine in hitler s household his eating habits his foibles his preferences his sense of humor and his private life with eva braun in fact linge believed hitler s closest companion was his dog blondi after the war linge said in an interview it was easier for him to sign a death warrant for an officer on the front than to swallow bad news about the health of his dog linge also charts the changes in hitler s character during their time together and his fading health during the last years of the war during his last days hitler s right eye began to hurt intensely and linge was responsible for administering cocaine drops to kill the pain in a number of instances such as with the stauffenberg bomb plot of july 1944 linge gives an excellent eyewitness account of events he also gives thumbnail profiles of the prominent members of hitler s court hess speer bormann and ribbentrop amongst them though linge held an ss rank he claims not to have been a nazi party member his profile of one of history s worst demons is not blindly uncritical but it is nonetheless affectionate the hitler that emerges is a multi faceted individual unpredictable and demanding but not of an otherwise unpleasant nature

## ***With Hitler to the End***

2009-09-01

this eyewitness account was compiled for one man s eyes only those of josef stalin one of the first biographies of adolf hitler it derives from the testimony of his two closest assistants interrogated at the soviet leader s command in order to understand the psychology of his greatest enemy and to be certain that he was dead book jacket

## ***The Hitler Book***

2005-11-07

more than thirty years after his first investigation of the nazi underground peter levenda has returned again and again to his quest for the truth about the true character of the nazi cult and the people and political movements it has influenced in the decades since the end of world war ii the wide sweep of this investigation moves from a ku klux klan headquarters in reading pennsylvania to the new york city office of the palestine liberation organization from the apartment of a notorious neo nazi leader to an islamic boarding school headquarters of the man who ordered the bali bombings when levenda uncovered the existence of a nazi underworld in asia the nexus of religion politics terrorism and occult beliefs was revealed to be the real domain of the threat to global security meticulously researched from both archival material and declassified intelligence agency files to personal interviews and investigations undertaken in asia europe and latin america the hitler legacy is the story of how the mistakes of the 20th century have come home to roost in the 21st this book will challenge the conventional thinking about such subjects as the muslim brotherhood and islamist terrorism and even about the alleged death of one of history s most infamous killers adolf hitler

## ***The Testament of Adolf Hitler***

1978

eighty two percent of german boys and girls between the ages of ten and eighteen belonged to hitlerjugend hitler youth or one of its affiliates by the time membership became fully compulsory in 1939 these adolescents were recognized by the ss an exclusive cadre of nazi zealots as a source of future recruits to its own elite ranks which were made up largely of men under the age of thirty in this book gerhard rempel examines the special relationship that developed between these two most youthful and dynamic branches of the national socialist movement and concludes that the coalition gave nazism much of its passionate energy and contributed greatly to its initial political and military success rempel center his analysis of the hj ss relationship on two branches of the hitler youth the first of these the patrol service was established as a juvenile police force to pursue ideological and social deviants political opponents and non conformists within the hj and among german youth at large under ss influence however membership in the organization became a preliminary apprenticeship for boys who would go on to be agents and soldiers in such ss controlled units as the gestapo and death s head formations the second the land service was created by hj to encourage a return to farm living but this battle to reverse the flight from the land took on military significance as the ss sought to use the land service to create defense peasants who would provide a reliable food supply while defending the fatherland the transformation of the patrol and land services like that of the hj generally served ss ends at the same time that it secured for the nazi regime the practical and ideological support of germany s youth by fostering in the hitler youth as national community of the young the ss believed it could convert the popular movement of nazism into a protomilitary program to produce ideologically pure and committed soldiers and leaders who would keep the movement young and vital

## ***The Hitler Legacy***

2014-11-08

sometimes the smallest detail reveals the most about a culture in heil hitler the history of a gesture sociologist tilman allert uses the nazi transformation of the most mundane human interaction the greeting to show how national socialism brought about the submission and conformity of a whole society made compulsory in 1933 the hitler salute developed into a daily reflex in a matter of mere months and quickly became the norm in schools at work among friends and even at home adults denounced neighbors who refused to raise their arms and children were given tiny hitler dolls with movable right arms so they could practice the pernicious salute the constantly reiterated declaration of loyalty at once controlled public transactions and fractured personal relationships and always the greeting sacralized hitler investing him and his regime with a divine aura publishers description

## ***Hitler's Children***

2015-07-15

a candid and revealing memoir shows a normal boy and a family at war and in its aftermath determined to do what it took to survive fascinating the great war when adolf hitler and the nazi party came into power in 1933 he promised the downtrodden demoralized and economically broken people of germany a new beginning and a strong future millions flocked to his message including a corps of young people called the hitlerjugend the hitler youth by 1942 hitler had transformed germany into a juggernaut of war that swept over europe and threatened to conquer the world it was in that year that a nine year old wilhelm reinhard gehlen took the jungvolk oath vowing to give his life for hitler this is the story of wilhelm gehlen s childhood in nazi germany during world war ii and the awful circumstances which he and his friends and family had to endure during and following the war including a handful of recipes and descriptions of the strange and sometimes disgusting food that nevertheless kept people alive this book sheds light on the truly awful conditions and the twisted mistaken devotion held by members of the hitler youth that it was their duty to do everything possible to save the thousand year reich

## ***The Hitler Salute***

2008-04

the bundle of 31 letters the pages of which had long yellowed with age had lain hidden in the attic where they were found for over a century only when the razor sharp script was examined further did historians discover just who had written them and that person alois was adolf hitler s father born alois schicklgruber on 7 june 1837 the identity of his biological father still undisclosed alois eventually became a civil servant in the austrian customs service at around the age of 40 alois changed his family name from schicklgruber to hitler his infamous son being born some eleven years later the contents of the re discovered letters have allowed the renowned historian and author roman sandgruber to reassess the image that we have of alois offering the world a completely new and authentic impression of the man in hitler s father sandgruber re examines alois personality and how he significantly shaped the young adolf the letters also shed further light onto the everyday life of the hitler family as whole a story which is often characterized by myths inventions and assumptions they have given the author the opportunity to recount the childhood and youth of the future dictator painting a dramatic picture of the führer growing up these letters also help answer the question that is so often asked how could a child from an upper austrian province seemingly a failure and self taught rise to a position of such power indeed adolf hitler s father and the province seemingly lay heavily on him until his suicide in the führerbunker in 1945 the author examines how the young hitler s lowly upbringing may have affected him in the years that followed years which shaped the history of the whole world

## ***Hitler's Home Front***

2016-09-30

hitler believed himself to be as much an artist as a politician and his rise to power owed a great deal to the creation of myth around his own personality in his germany politics and culture became one the cult of celebrity nurtured and driven by hitler and his acolyte joseph goebbels in their version of hollywood there were scandals starlets secret agents premieres and the infamous casting couch but one of the actresses was a soviet agent who held the key to killing the führer hitler and the nazi cult of celebrity probes the correlation between art and ambition shows how films were used as weapons and uncovers the sexual predilections of the nazi hierarchy it also brings to light previously unpublished information about the hitler film goebbels saw as the greatest story ever told which was in the planning even as hitler himself was heading for his own wagnerian finale

## ***Hitler's Father***

2022-10-21

was hitler just a lone assassin of nations just a crazy fanatic who somehow managed to take power in a powerful nation and threaten world domination and destruction do all germans genetically have fascist tendencies the short answer is no to both of these mythologies and numerous others from hollywood and similar places yet despite the importance of the subject and shelves full of books and scholarly writings on the topic only this study by helga zepp larouche and a schiller institute research team actually approximates a thorough analysis of hitler and the nazi movement its origins and mystical philosophy its fascist economic policies its race science its backers and promoters its drug and gun running its terrorism and assassinations most importantly this book tracks the nazi apparatus transformation into today s green anti human movement and religious terrorism at the end of the war intelligence services engaged in a mad scramble to preserve and take over the nazi old boys networks don t be so sure that the old swastika is gone for good trappings and tactics have changed somewhat but the threat of global destruction is still hanging over us read this book and ensure that mankind can overcome the continuing menace and create a future of progress for all

## **Hitler and the Nazi Cult of Celebrity**

2012-05-15

from the time his nazi regime launched world war ii to the present adolf hitler has frequently been depicted on film he was largely ridiculed at first since laughter was a powerful weapon and morale booster for nations at war later representations were more somber and realistic yet hitler s image never escaped the undertone of scorn this book concentrates exclusively on portrayals of hitler in feature films and television miniseries the filmography covers films with a factual historical storyline fictional stories alternate histories parodies and films where actors playing hitler have a cameo

each entry provides production credits an annotated cast list an analysis and synopsis of the film an evaluation of the actor playing hitler in terms of the strengths and weaknesses of his portrayal and representative quotations from the film

## **The Hitler Book**

1984

what did hitler really say about the jews in his own words adolf hitler has become one of the world s most recognized anti semites in history barely a day goes by without his name being mentioned in the controlled media more than sixty years after his death books continue to be produced about hitler and the third reich by the thousand year after year and as the heap of works mount up hysterical exaggeration and distortions have become the norm this is particularly so with the issue of jews and anti semitism the controlled media continues to insist on the most ludicrous far fetched reasons for hitlerian anti semitism from allegations of jewish ancestry the medical treatment according his mother to irrational fears or other psychological babble this book cuts through the lies and propaganda about national socialist anti semitism by going directly to the source adolf hitler himself to achieve this task the compiler combed through hundreds of hitler s speeches and his major writing dating from 1919 to april 1945 the end result of this labor is the production without commentary in in hitler s own words why he was an anti semite apart from the expected topics the press finance and politics all of which hitler argued were under jewish control the subjects addressed include deeper issues which explain the jewish presence in europe their influence upon society culture and art and race this is a riveting read from beginning to end and is vital for anyone seeking a real understanding of the hitler phenomena

## **The Hitler Filmography**

2015-07-11

the second volume of a new chronicle of the third reich under hitler s hand ending with his death and germany s disastrous defeat in the hitler years disaster 1940 1945 frank mcdonough completes his brilliant two volume history of germany under hitler s third reich at the beginning of 1940 germany was at the pinnacle of its power by may 1945 hitler was dead and germany had suffered a disastrous defeat hitler had failed to achieve his aim of making germany a super power and had left her people to cope with the endless shame of the holocaust despite hitler s grand ambitions and the successful early stages of the third reich s advances into europe frank mcdonough convincingly argues that germany was only ever a middle ranking power and never truly stood a chance against the combined forces of the allies in this second volume of the hitler years professor frank mcdonough charts the dramatic change of fortune for the third reich and germany s ultimate defeat

## ***Hitler Speaks on the Jews***

2019-02-04

a lively chronicle of the 1983 sensation in which historians and the media and their credulous public were tricked by a petty german thief into temporarily rewriting the history of the third reich handwriting expert hamilton details his role in exposing the hoax and recounts the circus like trial annotation copyrighted by book news inc portland or

## **The Hitler Years: Disaster, 1940-1945**

2021-10-12

the classic eye witness account of nazi germany by hitler s armaments minister and right hand man inside the third reich is not only the most significant personal german account to come out of the war but the most revealing document on the hitler phenomenon yet written it takes the reader inside nazi germany on four different levels hitler s inner circle national socialism as a whole the area of wartime production and the inner struggle of albert speer the author does not try to make excuses even by implication and is unrelenting toward himself and his associates speer s full length portrait of hitler has unnerving reality the führer emerges as neither an incompetent nor a carpet gnawing madman but as an evil genius of warped conceits endowed with an ineffable personal magic new york times

## **The Hitler Diaries**

1991

the personality of hitler himself can hardly explain his immense hold over the german people this study a revised version of a book previously published in germany under the title der hitler myθος volksmeinung und propaganda im dritten reich examines how the nazis experts in propaganda accomplished the virtual deification of the führer based largely on the reports of government officials party agencies and political opponents dr kershaw charts the creation growth and decline of the hitler myth

## **Inside The Third Reich**

2015-11-26

the first book to present the so called hitler library it sheds new light on the readings of hitler and on his techniques how to read a book hitler presented himself as an ideal reader of schopenhauer nevertheless his remarks destroy that image particularly if we see how he read ernst jünger richard wagner or paul de lagarde and how he reread mein kampf the book describes the gnostic character of the phenomenon as an explication of the success of nazism and that of the hitler myth and challenges the static views of traditional historiography

## **The Hitler Cult**

1987-06-04

now available in a single abridged paperback ian kershaw s hitler is the definitive biography of the nazi leader ian kershaw s two volume biography hitler 1889 1936 hubris and hitler 1936 1945 nemesis was greeted with universal acclaim as the essential work on one of the most malign figures in history from his earliest origins to the final days of the second world war now this landmark historical work is available in one single abridged edition tracing the story of how a bitter failed art student from an obscure corner of austria rose to unparalleled power destroying the lives of millions and bringing the world to the brink of armageddon supersedes all previous accounts it is the sort of masterly biography that only a first rate historian can write david cannadine observer the hitler biography for the twenty first century richard evans sunday telegraph i cannot imagine a better biography of this great tyrant emerging for a long while jeremy paxman magisterial anyone who wishes to understand the third reich must read kershaw for no one has done more to lay bare hitler s morbid psyche niall ferguson sunday telegraph

## **Hitler's Library**

2023-09-15

hitler s secret book is his forthright and chilling blueprint for world conquest and domination written prior to mein kampf this manuscript was hitler s first synthesis of his political goals and the methods by which he intended to achieve them hitler had ordered the book locked away but the manuscript was unearthed among millions of captured war documents finally brought to light for readers everywhere hitler s secret book is a fascinating look inside the mind of the man who molded the third reich

## **Inside Hitler's Germany**

1992

originally published in 1953 this masterly study of heinrich himmler is a forceful

dispassionate analysis of a man who rose from obscure beginnings as an agricultural student to a position of almost absolute power until in the nazi twilight he challenged hitler himself outwardly insignificant diffident possessing neither the flamboyance of goering nor the incisiveness of goebbels himmler head of the dreaded secret police yet made himself the man most feared in the nazi hierarchy and as much by his friends as his enemies only when the incredible facts about himmler s extraordinary hold over his colleagues became known were the full depths of the infamy to which nazism had brought germany revealed based on journalist willi frischauer s unique knowledge of the background and sequence of events which gave rise to the hitler regime he manages to unearth the evidence building up stone by stone the mosaic of himmler s true portrait a fully documented and unforgettable narrative

## **Hitler**

2013-03-07

hitler and the rise of the nazi party begins with an overview of the personality and early life of adolf hitler and proceeds to examine the early years of the nazi party and the major factors which led to the growth of support for it among ordinary germans in particular it looks at organisation and party propoganda during this period and reassesses some of the commonly assumed reasons for hitlers appointment as german chancellor in january 1933

## **Hitler State**

1985

what made six ordinary men instigate the terrifying criminal nazi regime throughout german society and beyond with such enthusiasm and diligence supported by recently discovered files from all over the world and interviews with former nazi members and victims guido knopp examines the background and activities of some of hitler s right hand men here is adolf eichmann who arranged the deportation of jews in crowded trains before sentencing thousands to a terrifying death as part of the final solution martin bormann hitler s secretary and deputy who controlled sensitive papers to influence government policy joachim von ribbentrop hitler s foreign advisor roland friesler known as the hanging judge on account of his brutality in administrating nazi law baldur von schirach leader of the hitler youth movement and joseph mengele the doctor involved in the bizarre genetic experiments on concentration camp prisoners these very different people all shared an awestruck dedication to hitler and a deep hatred of the jews

## **Hitler's Secret Book**

1986

fifty six years after adolf hitler s suicide his legacy lives agonizingly on in myriad forms from hero worshipping tourists at berchtesgaden to reactionary academics the hitler virus complements and supplements daniel goldhagen s bestselling hitler s willing executioners 8 pp of illustrations

## **Himmler**

2016-10-27

after providing the reader with the necessary background information author kilzer thoroughly examines all possibilities conclusively he identifies hitler s chief henchman as the traitor codenamed werther book jacket
