The Age of the Seventh Sun Trilogy

2023-10-10

rich in imagination and romance and based on the legends and history of the aztec and maya people the age of the seventh sun trilogy brings to vivid life a world on the edge of apocalyptic disaster the seventh sun though his royal blood controls the power of the sun young prince ahkin is now responsible for the lives of all the chicome people and the sun is fading mayana whose blood controls the power of water is one of six noble daughters presented to him as a possible wife those who are not chosen will be sacrificed to the gods mayana and ahkin feel an immediate connection but the gods themselves may be against them the jade bones cast into the underworld after an act of shattering betrayal mayana and ahkin must overcome unimaginable odds if they are to return home and reclaim the throne of the chicome meanwhile the new empress has made a dangerous alliance that might destroy everything the princess and prince hold dear the obsidian butterfly to the chicome people an eclipse is a time of terror when darkness falls the barrier separating the heavens and the earth becomes unstable then come the ravening tzitzimime the star demons who thirst for human blood as the eclipse nears many maneuver for power in this deadly game of worlds ending as for ahkin and mayana the entire empire seems to want to keep them apart can their love endure the end of the world

The New York Times Theater Reviews

1991

children s literature today is dominated by the gothic mode and it is in children s gothic fictions that we find the implications of cultural change most radically questioned and explored this collection of essays looks at what is happening in the children s gothic now when traditional monsters have become the heroes when new monsters have come into play when globalisation

brings harry potter into china and yaoguai into the children s gothic and when childhood itself and children s literature as a genre can no longer be thought of as an uncontested space apart from the debates and power struggles of an adult domain we look in detail at series such as the mortal instruments twilight chaos walking the power of five skulduggery pleasant and cirque du freak at novels about witches and novels about changelings at the gothic in china japan and oceania and at authors including celia rees frances hardinge alan garner and laini taylor amongst many others at a time when the energies and anxieties of children s novels can barely be contained anymore within the genre of children s literature spilling over into ya and adult literature we need to pay attention weird things are happening and they matter

The New York Times Theater Reviews, 1920-

1975

like the canaries that alerted miners to a poisonous atmosphere issues of race point to underlying problems in society that ultimately affect everyone not just minorities addressing these issues is essential ignoring racial differences race blindness has failed focusing on individual achievement has diverted us from tackling pervasive inequalities now in a powerful and challenging book lani guinier and gerald torres propose a radical new way to confront race in the twenty first century given the complex relationship between race and power in america engaging race means engaging standard winner take all hierarchies of power as well terming their concept political race guinier and torres call for the building of grass roots cross racial coalitions to remake those structures of power by fostering public participation in politics and reforming the process of democracy their illuminating and moving stories of political race in action include the coalition of hispanic and black leaders who devised the texas ten percent plan to establish equitable state college admissions criteria and the struggle of black workers in north carolina for fair working conditions that drew on the strength and won the support of the entire local community the aim of political race is not merely to remedy racial injustices but to create truly participatory democracy where people of all races feel empowered to effect changes that will improve conditions for everyone in a book that is ultimately not only aspirational but inspirational guinier and torres envision a social justice movement that could transform the nature of democracy in america

Quick and Popular Reads for Teens

2009

despite the prejudices of critics popular romance fiction remains a complex dynamic genre it consistently maintains the largest market share in the american publishing industry even as it welcomes new subgenres like queer and bdsm romance digital publishing originated in erotic romance and savvy online communities have exploded myths about the genre s readership romance scholarship now reflects this diversity transformed by interdisciplinary scrutiny new critical approaches and an unprecedented international dialogue between authors scholars and fans these eighteen essays investigate individual romance novels authors and websites rethink the genre s history and explore its interplay of convention and originality by offering new twists in enduring debates this collection inspires further inquiry into the emerging field of popular romance studies

the author focuses directly on the constitution s seemingly undemocratic features he argues that constitutionalism is best regarded not as a constraint upon self government but as a crucial ingredient in a complex non majoritarian form of democracy

Hijikata Tatsumi and Ohno Kazuo

2017-12-14

the constitution is the cornerstone of american government hailed as one of the greatest contributions of the western enlightenment while many seem content simply to celebrate it those most familiar with the document invariably find it wanting in at least some aspects this unique volume brings together many of the country s most esteemed constitutional commentators and invites them to answer two questions first what is the stupidest provision of the constitution stupid need not mean evil thus a second related question is whether the scholar interpreter would be forced to reach truly evil results even if applying his or her own favored theory of constitutional interpretation the contributors include lawrence alexander akhil reed amar jack balkin philip bobbitt gerard bradley rebecca brown steven calabresi lief carter christopher eisgruber lawrence sager marie failinger daniel farber james fleming mark graber stephen griffin gary jacobsohn randall kennedy lewis larue theodore lowi earl maltz michael mcconnell matthew michael robert nagel daniel ortiz pamela karlen michael paulsen robert post lucas powe dorothy roberts jeffrey rosen frederick schauer michael seidman suzanna sherry david strauss laurence tribe mark tushnet and john yoo

2007-05

american fiction of the 1990s reflections of history and culture brings together essays from international experts to examine one of the most vital and energized decades in american literature this volume reads the rich body of 1990s american fiction in the context of key cultural concerns of the period the issues that the contributors identify as especially productive include immigration and america s geographical borders particularly those with latin america racial tensions race relations and racial exchanges historical memory and the recording of history sex scandal and the politicization of sexuality postmodern technologies terrorism and paranoia american fiction of the 1990s examines texts by established authors such as don delillo toni morrison philip roth and thomas pynchon who write some of their most ambitious work in the period but also by emergent writers such as sherman alexie chang rae lee e annie proulx david foster wallace and jonathan franzen offering new insight into both the literature and the culture of the period as well as the interaction between the two in a way that furthers the new

american studies this volume will be essential reading for students and lecturers of american literature and culture and late twentieth century fiction contributors include timothy aubry alex blazer kasia boddy stephen j burn andrew dix brian jarvis suzanne w jones peter knight a robert lee stacey olster derek parker royal krishna sen zoe trodd andrew warnes and nahem yousaf

Constitutional Stupidities, Constitutional Tragedies

1998-06-01

filipino americans are one of the three largest asian american groups in the united states and the second largest immigrant population in the country yet within the field of asian american studies filipino american history and culture have received comparatively less attention than have other ethnic groups over the past twenty years however filipino american scholars across various disciplines have published numerous books and research articles as a way of addressing their unique concerns and experiences as an ethnic group the sage encyclopedia of filipina x o american studies the first on the topic of filipino american studies offers a comprehensive survey of an emerging field focusing on the filipino diaspora in the united states as well as highlighting issues facing immigrant groups in general it covers a broad range of topics and disciplines including activism and education arts and humanities health history and historical figures immigration psychology regional trends and sociology and social issues

Maui and Lana'i

1998-08-15

though all women are women no woman is only a woman wrote elizabeth spelman in the inessential woman gone are the days when feminism translated simply into the advocacy of equality for women women s interests are not always aligned race class and sexuality complicate the equation in recent years feminist ideologies have become increasingly diverse today one feminist s most ardent political opponent may well be another feminist as feminism grows increasingly diverse the time has come to ask a painful and frequently avoided question what does it mean for women to oppress women this pathbreaking provocative anthology addresses this troublesome dilemma from various feminist perspectives offering an interdisciplinary collection of writings that widens our understanding of oppression to take into account women who are at odds the book examines the social political and psychological ramifications of this phenomenon as evidenced in a range of texts from women s antislavery writing to women s anti abortion writing from mother daughter incest stories to maternal surrogacy narratives from the bible to the popular romance nove from jane austen to alice walker the value of the volume is perhaps best summed up by an early response to the idea this is a book that should never be written feminists should concentrate on how men oppress women ironically it is precisely because the subject triggers such responses the authors argue that a volume such as feminist nightmares has become a necessity
