the modern green from the verdant public commons in the heart of cities to the lookout points on mountains in national parks planned green spaces serve as felicitous stages for the performance of modernism in its focus on designed and public green zones modernism in the green offers a new perspective on modernism s overlapping investments in the arts politics urbanism race class gender and the nature culture divide this collection of essays is the first to explore the prominent and diverse ways greens materialize in modern literature and culture along with the manner in which modernists represented them this volume presents the idea of the green as a point of exploration as our contributors analyze social organic spaces ranging from public parks to roadways and refuse piles like the term green one that evokes both more than human natural zones and crafted public meeting places these chapters uncover the social and spatial intersection of nature and culture in the very architecture of parks gardens buildings highways and dumps this book argues that such greens facilitate modernists exploration of how nature can manifest in an era of increasing urbanization and mechanization and what identities and communities the green now enables or prevents reproduction of the original women and the alphabet by thomas wentworth higinson hana schank had never given much thought to her wedding or even really imagined herself married so when she found herself suddenly sporting a brand new engagement ring she assumed planning a small low key wedding would be no big deal but soon she finds herself adrift in wedding land a world where all brides are expected to want to look like cinderella where women plan weddings with fantasy butterfly themes where a woman s wedding is without question the happiest day of her life despite her best efforts not to become a bridezilla hana finds herself transformed from a thirty year old woman with a 401 k into a nearly unrecognizable version of herself as she spends weeks crafting save the date cards worries about matching her cocktails to her wedding colors and obsessively reads martha stewart weddings magazine she decides that if she is going to follow traditions like wearing white and walking down the aisle with flowers she at least wants to understand why in her search she turns up interesting wedding facts bridesmaids for instance were originally recruited to confuse evil spirits ultimately she casts a critical eye on the 72 billion wedding industry from the women at wedding websites who cackle over the etiquette missteps of others to wedding magazines that provide checklists of 187 tasks to plan the perfect wedding suggesting that to have anything less is to fail as a bride as a woman as a wife part confessional memoir part social critique a more perfect union chronicles a year in wedding land capturing as it does not only the stresses but the undoubted joys of becoming a bride men really can be jerks but only if you let them like millions of women daylle deanna schwartz had a habit of falling for jerks until she had enough this cycle wasn t going to change until she made a change herself and now in this anniversary edition of her groundbreaking relationship book she shows you how to do the same this book tells it like it is the only person who can make you happy is you and the only person who can change a guy is himself it s time to take control and make him prove he s not

a jerk or move on as a relationship expert and self empowerment counselor daylle s guidance will motivate you to develop a satisfying healthy relationship without playing games with fresh insight and new stories throughout this updated edition of all men are jerks until proven otherwise makes your happiness your first priority men can act like real jerks but complaining about them won t get you anywhere it s time to take control of how men treat you and get the love you deserve the intelligence of woman is a classic feminist theory book by w l george it was created after wwi which altered the social movements giving rise to feminist views the purpose of this book was to describe the trend of feminism at the beginning of the twentieth century kim is a waiter in a dorset hotel an absolute hot bed of sex but he s seeing none of it instead he falls for cally a 43 year old artist who is steaming with chutzpah she is a woman who grabs life by the throat she knows what she wants and most of the time she gets it too she lives only in the moment losing a number of her nine lives and nearly killing kim in the process kim finds love as he has never known it before but even when he s completely in cally s thrall he s still unable to resist the allure of other younger women a couple can bridge a 20 year age gap but can they ever make the relationship last this is the third book in the series following on from the well tempered clavier and the woman who made men cry this edition of women and elective office offers the latest research on women as candidates and officeholders it provides a comprehensive look at at the history and status of women in elective office their prospects for the future and why women in elected office matter to american democracy it features all new essays and up to the minute research by leading experts in the field including the latest political trends and events such as hillary rodham clinton s run for the presidency women s representation on the state and local level the diversity of women officeholders experiences and circumstances and female judges women and elective office is an essential guide to understanding the past present and future of women in all echelons of government the study of medieval literature has experienced a revolution in the last two decades which has reinvigorated many parts of the discipline and changed the shape of the subject in relation to the scholarship of the previous generation new texts laws and penitentials women s writing drama records innovative fields and objects of study the history of the book the study of space and the body medieval masculinities and original ways of studying them the sociology of the text performance studies have emerged this has brought fresh vigour and impetus to medieval studies and impacted significantly on cognate periods and areas the oxford handbook of medieval literature in english brings together the insights of these new fields and approaches with those of more familiar texts and methods of study to provide a comprehensive overview of the state of medieval literature today it also returns to first principles in posing fundamental questions about the nature scope and significance of the discipline and the directions that it might take in the next decade the handbook contains 44 newly commissioned essays from both world leading scholars and exciting new scholarly voices topics covered range from the canonical genres of saints lives sermons romance lyric poetry and heroic poetry major themes including monstrosity and marginality patronage and literary politics manuscript studies and vernacularity are investigated and there are close readings of key texts such as beowulf wulf and eadwacer and ancrene wisse and key authors from Ælfric to geoffrey chaucer langland and the gawain poet encyclopedia of women and american politics third edition contains all the material a reader needs to understand the role of women throughout america s political history this informative a to z volume contains hundreds of entries covering the people events and terms involved in the history of women and politics entries include abortion alexandria ocasio cortez the birth control movement black lives matter hillary rodham clinton deb haaland domestic violence equal rights amendment era glass ceiling league of women voters metoo movement michelle obama sonia sotomayor elizabeth warren and many more the spanish civil war 1936 1939 pitted conservative forces including the army the church the falange fascist party landowners and industrial capitalists against the republic installed in 1931 and supported by intellectuals the petite bourgeoisie many campesinos farm laborers and the urban proletariat provoking heated passions on both sides the civil war soon became an international phenomenon that inspired a number of literary works reflecting the impact of the war on foreign and national writers while the literature of the period has been the subject of scholarship women s literary production has not been studied as a body of work in the same way that literature by men has been and its unique features have not been examined addressing this lacuna in literary studies this volume provides fresh perspectives on well known women writers as well as less studied ones whose works take the spanish civil war as a theme the authors represented in this collection reflect a wide range of political positions writers such as maria zambrano mercè roreda and josefina aldecoa were clearly aligned with the republic whereas others including mercedes salisachs and liberata masoliver sympathized with the nationalists most however are situated in a more ambiguous political space although the ethics and character portraits that emerge in their works might suggest republican sympathies taken together the essays are an important contribution to scholarship on literature inspired by this pivotal point in spanish history soon to be a tv show on hulu eve babitz is a writer like no other she is to prose what chet baker is to jazz vanity fair and she has influenced a generation of writers and readers with her sophisticated witty and delightful work l a woman is quintessential babitz the story of sophie a twenty something blonde jim morrison groupie gliding through a golden existence in l a and lola a german immigrant who settles in hollywood in the twenties to drive pierce arrows recklessly down sunset boulevard and who knows that maybelline mascara cakes and rudolph valentino are the essence of life sophie and lola like the many other women who move in and out of this electric saga know that while l a is constantly changing it is essentially eternal through their eyes we see the mixture of high culture and low the promises of youth and the fulfillment of nostalgia the pink sunsets and the palm trees that are l a and through this fantastic tale

babitz shares what it is to be a woman in what she convinces us is the capital of civilization explores the history of the women s farm and garden association
