commentary on srimad bhagavatam the heart of this book is a dramatic love poem the rasa lila which is the ultimate focal point of one of the most treasured sanskrit texts of india the bhagavata purana judged a literary masterpiece by indian and western scholars alike this work of poetic genius and soaring religious vision is one of the world s greatest sacred love stories and as graham schweig clearly demonstrates should be regarded as india s song of songs the story presents the supreme deity as the youthful and amorous cowherd krishna who joins his beloved maidens in an enchanting and celebratory dance of divine love schweig introduces this work of exquisite poetry and profound theology to the western world in the form of a luminous translation and erudite scholarly treatment his book explores the historical context and literary genre of the work and elucidates the aesthetic and emotional richness of the composition highlighting poignant details of this drama of divine love schweig illuminates the religious dimensions and ethical nuances of the drama drawing widely from the commentaries and esoteric vision of masters of the caitanya school of vaishnavism a prominent devotional hindu tradition themes such as transcendence of death through love the yoga of devotion the contrast between worldly love and passionate love for god and the dialectical tension between ethical boundaries and boundless love are presented the final event of the rasa dance the author concludes presents a dynamic symbol of supreme love that provides the basis for a theological vision of genuine religious pluralism tantra is a family of rituals modeled on those of the vedas and their attendant texts and lineages these rituals typically involve the visualization of a deity offerings and the chanting of his or her mantra common variations include visualizing the deity in the act of sexual union with a consort visualizing oneself as the deity and transgressive acts such as token consumption of meat or alcohol most notoriously non standard or ritualized sex is sometimes practiced this accounts for tantra s negative reputation in some quarters and its reception in the west primarily as a collection of sexual practices although some today extol tantra s liberating qualities the role of women remains controversial traditionally there are two views of women and tantra either the feminine is a metaphor and actual women are altogether absent or tantra involves the transgressive use of women s bodies to serve male interests loriliai biernacki presents an alternative view in which women are revered worshipped and considered worthy of spiritual attainment her primary sources are a collection of eight relatively modern tantric texts written in sanskrit from the 15th through the 18th century her analysis of these texts reveals a view of women that is generally positive and empowering she focuses on four topics 1 the kali practice in which women appear not only as objects of reverence but as practitioners and gurus 2 the tantric sex rite especially in the case that contrary to other tantric texts the preference is for wives as ritual consorts 3 feminine language and the gendered implications of mantra and 4 images of male violence towards women in tantric myths biernacki by choosing to analyse eight particular sanskrit texts argues that within the tradition of tantra there exists a representation of women in which the female is an authoritative powerful equal participant in the tantric ritual practice build a solid foundation of knowledge based on the fundamentals and employ step by step instruction from spine surgery edited by edward c benzel this best selling medical reference explores the full spectrum of surgical techniques used in spine surgery and delivers the comprehensive cutting edge guidance you need to achieve successful outcomes online access thorough updates contributions by leading international authorities an abundance of detailed illustrations and procedural video clips provide everything you need to avoid and manage complex problems glean essential up to date need to know information in one comprehensive reference that explores the full spectrum of surgical techniques used in spine surgery hone your surgical skills and technique with intraoperative videos and more than 800 outstanding illustrations demonstrating each technique step by step grasp and apply the latest knowledge from more than 25 brand new chapters as well as extensive revisions or total rewrites to the majority of existing chapters to present all of the most up to date information available on every aspect of spine surgery including motion preservation technologies endovascular management back pain and psychosocial interactions biomechanics and more consult with the best renowned neurosurgery authority edward c benzel leads an international team of accomplished neurosurgeons and orthopedic surgeons many new to this edition who provide dependable guidance and share innovative approaches to surgical techniques and complications management equip yourself to address increasing occurrences of pain among aging and physically active patients access the information you need where you need it on your laptop or mobile device via expertconsult com with fully searchable text a wealth of procedural videos online updates from the experts downloadable image gallery and links

of an encyclopaedia of indian literature the venture covering twenty two languages of india is the first of its kind written in english the encyclopaedia gives a comprehensive idea of the growth and development of indian literature the entries on authors books and general topics have been tabulated by the concerned advisory boards and finalised by a steering committee hundreds of writers all over the country contributed articles on various topics the encyclopaedia planned as a six volume project has been brought out the sahyta akademi embarked upon this project in right earnest in 1984 the efforts of the highly skilled and professional editorial staff started showing results and the first volume was brought out in 1987 the second volume was brought out in 1988 the third in 1989 the fourth in 1991 the fifth in 1992 and the sixth volume in 1994 all the six volumes together include approximately 7500 entries on various topics literary trends and movements eminent authors and significant works the first three volume were edited by prof amaresh datta fourth and fifth volume by mohan lal and sixth volume by shri k c dutt during a nine day period every autumn hindus in india and throughout the world worship the great goddess durgā the formidable deity who is loved like a mother one of the most dramatic and popular of these celebrations is the durgā pūjā a rite noted for its visual pageantry ritual complexity and communal participation in this book hillary peter rodrigues describes the bengali style of durgā pūjā practiced in the sacred city of banaras from beginning to end a romanization of the sanskrit litany is included along with an english translation in addition to the liturgical description rodrigues provides information on the rite s component elements and mythic aspects there are interpretive sections on puja the great goddess women s roles in the ritual and the socio cultural functions of the ritual rodrigues maintains that the durgā pūjā is a rite of cosmic rejuvenation of empowerment at both the personal and social levels and a rite that orchestrates manifestations of the feminine both divine and human exposition of the bhagavatapurāṇa purported to bring out similarities between it and the bible and between krishna and jesus christ goddess worship has long been a significant aspect of hinduism in this book david kinsley author of the sword and the flute kali krsna dark visions of the terrible and the sublime in hindu mythology sorts out the rich yet often chaotic history of hindu goddess worship comparative selections on religious themes sin love salvation etc arranged topically srimad bhagavatam an epic philosophical and literary classic holds a prominent position in india s voluminous written wisdom the timeless wisdom of india is expressed in the vedas ancient sanskrit texts that touches upon all fields of human knowledge originally preserved through oral tradition the vedas were first put into writing by srila vyasadeva the literary incarnation of god after compiling the vedas srila vyasadeva was inspired by his spiritual master to present their profound essence in the form of srimad bhagavatam known as the ripened fruit of the tree of vedic literature srimad bhagavatam is the most complete and authoritative exposition of vedic knowledge after writing the bhagavatam vyasa taught it to his son shukadeva goswami who later spoke the bhagavatam to maharaja parikshit in an assembly of sages on the bank of the sacred ganges river although maharaja parikshit was a great rajarshi saintly king and the emperor of the world when he received notice of his death seven days in advance he renounced his entire kingdom and retired to the bank of the ganges to seek spiritual enlightenment the questions of king parikshit and shukadeva goswami s illuminating answers concerning everything from the nature of the self to the origin of the universe are the basis of srimad bhagavatam this edition of bhagavatam is the only complete english translation with an elaborate and scholarly commentary and it is the first edition widely available to the english reading public this work is the product of the scholarly and devotional effort of his divine grace a c bhaktivedanta swami prabhupada the world s most distinguished teacher of indian religious and philosophical thought his sanskrit scholarship and intimate familiarity with vedic culture combine to reveal to the west a magnificent exposition of this important classic unique resource from
