NASA Memorandum

1959

the declaration of the people s republic of china in october 1949 presented american foreign policy officials with two dilemmas how to deal with the communist government on the mainland and what to do about Chiang Kai Shek s nationalist regime on taiwan by 1950 these questions were pressing hard upon u s civilian and military planners and policy makers for it appeared that the red army was preparing to invade the island most observers believed that nothing short of american military intervention would preclude a communist victory how u s officials grappled with the question of what to do about taiwan is at the heart of washington s taiwan dilemma today u s policy toward taiwan remains a highly charged and fundamentally divisive issue in u s china relations especially the security dimensions of that policy this volume is essential background reading for understanding the roots of this foreign policy dilemma

House documents

1887

the book examines the public s influence on foreign policy through case studies including the formosa straits crisis intervention at Dien Bien Phu the sputnik launch the new look defense strategy the panama canal treaties the soviet invasion of afghanistan the strategic defense initiative the beirut marine barracks bombing german reunification the gulf war and intervention in somalia and bosnia

Report of the Deputy Keeper of the Public Records

1849

the u s detention center at guantánamo bay has long been synonymous with torture secrecy and the abuse of executive power it has come to epitomize lawlessness and has sparked protracted legal battles and political debate for too long however guantánamo has been viewed in isolation and has overshadowed a larger interconnected global detention system that includes other military prisons such as bagram air base in afghanistan secret cia jails and the transfer of prisoners to other countries for torture guantánamo is simply and alarmingly the most visible example of a much larger prison system designed to operate outside the law habeas corpus after 9 11 examines the rise of the u s run global detention system that emerged after 9 11 and the efforts to challenge it through habeas corpus a petition to appear in court to claim unlawful imprisonment habeas expert and litigator jonathan hafetz gives us an insider s view of the detention of enemy combatants and an accessible explanation of the complex forces that keep these systems running in the age of terrorism some argue that habeas corpus is impractical and unwise hafetz advocates that it remains the single most important check against arbitrary and unlawful detention torture and the abuse of executive power

Proceedings of the American Philosophical Society Held at Philadelphia for Promoting Useful Knowledge

1893

investigates security clearance given william wieland his meetings with fidel castro and activities as a state dept official both before and after castro s takeover of cuba also considers questionable state dept security practices

Proceedings of the American Philosophical Society

1893

how the nsf became an important yet controversial patron for the social sciences influencing debates over their scientific status and social relevance in the early cold war years the u s government established the national science foundation nsf a civilian agency that soon became widely known for its dedication to supporting first rate science the agency s 1950 enabling legislation made no mention of the social sciences although it included a vague reference to other sciences nevertheless as mark solovey shows in this book the nsf also soon became a major albeit controversial source of public funding for them

1892

this final volume details the last decade of marshall s life this seventh and final volume of the papers of george catlett marshall covers the last ten years of marshall s life when he served as secretary of defense from september 1950 to september 1951 following a year as american red cross president dramatic swings in fortune for us and un forces in korea consumed him as defense secretary yet europe remained marshall s strategic focus and with it the establishment of a nato military command efforts to convince the french to accept german rearmament congressional approval for a major us military buildup and a mutual security program for america s allies marshall also participated in the decision to relieve general douglas macarthur sparking public uproar and a senate investigation marshall remained active and honored in retirement particularly in 1953 when he led the us delegation to the coronation of queen elizabeth ii and then became the first professional soldier to win the nobel peace prize a tribute to the marshall plan through it all he maintained an extensive correspondence with national and international leaders when he died on october 16 1959 george catlett marshall was hailed by many as the nation s greatest soldier statesman since george washington

Washington's Taiwan Dilemma, 1949-1950

2014-04-15

when missiouri became the twenty fourth state in the union in 1821 it was already heir to a rich and varied historical legacy from 1673 until the louisiana purchase europeans of different nationalities assisted by the africans they brought with them competed alternately with indians and among themselves for control of the land but while land and resources were the target of the struggle the region s cultural identity was being determined by the mingling and clashing of diverse cultures indian french african spanish and anglo american the story of the blending of those diverse cultures in a land rich in resources and beauty is an extraordinary tale especially appealing to many readers will be the attention foley gives to common missourians to the status of women and blacks and to indian white relations in this account the pioneer hunters trappers and traders who roamed the ozark hills and the boatmen who traded on the missouri and mississippi rivers take their places beside the small coterie of prominent st louisans whose wealth and influence enabled them to dominate the region politically and economically back cover
