Envisioning the City 1998-07-06 over the past four and a half centuries the magnificent city of oxford has been mapped for many reasons few of which have involved the mere finding of one s way through the streets maps were

produced as part of schemes to defend oxford from rampaging roundheads raging floodwaters and the ravages of cholera to plan the new canals and bridges of the eighteenth century and the new railways tramways and suburbs of the nineteenth to determine and display changes in the city s political stature under the reform acts of 1832 and 1867 to aid police enforcement of the laws against homosexuality and even to plan a soviet ground assault on the heart of the british motor industry given its status as a world centre of drama poetry literature music architecture and scientific experimentation and sometime royal capital it is unsurprising that oxford was the first british town to be included in map form in a tourist guidebook as early as 1762 and one of just two inland towns mapped by french invasion planners in the seven years war for the first time this lavishly illustrated volume brings together sixty of the most remarkable maps and views of the area that have been made by friend and foe since 1575

Panoramic Maps of Anglo-American Cities 1974 the travelvision line of state road and city maps covers america like nothing else we employ a large scale that permits us to include more information yet keep the maps uncluttered and easy to read the maps feature points of interest airports camping facilities parks selected local attractions and more state maps feature insets of major cities our city map offers additional detail with depiction of streets on one side and a large scale metro area road map on the other
