Jovial Harbinger of Doom 2016-01-08 i am just a normal guy with a bad job when god came to me and offered the job i couldn t imagine what it would entail my dead friends are ghosts who harass me my best friend is the supreme entity and i get killed more times than i should the job sucks but the reward is well worth it i am the harbinger of doom the bringer of the apocalypse and i will do what i have to do to get the job done come watch me save the world and destroy all of mankind sorry but yes it s going to suck to be you

A Harbinger's Tale 2013-02-24 apocalypse translated literally from greek is a disclosure of knowledge hidden from humanity in an era dominated by falsehood and misconception i e a lifting of the veil or revelation although this sense did not enter english until the 14th century in religious contexts it is usually a disclosure of something hidden in the revelation of john the last book of the new testament the revelation which john receives is that of the ultimate victory of good over evil and the end of the present

age and that is the primary meaning today it is commonly and erroneously used in reference to any prophetic end time scenario or to the end of the world in general the key to the cryptic message in the book of revelation is in the metaphysics of truth the truth is always trying to reveal itself to us once we understand our world as a reflection of the delicate metaphysical balance between truth s incessant will to be made manifest and the errant choices of human will we will see the book of revelation for what it really is an unveiling of truth through the harsh experiences that enlighten us in the final volume of the apocalypse now series we examine revelation s sixth seal revelation s sixth seal marks the day in humanity s future when the delicate balance between truth and belief will become askew on a colossal scale the event will be significant enough to inspire everyone to change their priorities just as a near brush with death inspired many towards understanding truth and the internal nature of our being so too would humanity be inclined by a world changing catastrophe not a single person can tell us when it will occur but the event can be demonstrated as revelation s looming harbinger or warning event it is a prelude to doom deception and long awaited redemption for those who have departed it earmarks the swift escalation towards the final battle between truth and our perceptions of it discover the mysteries of revelation s prophecy as the secrets unfold in volume 5 of the apocalypse now series
