once considered the largest and most extensive source of biographies in the english language the universal dictionary of biography and mythology contains information on nearly every historical figure notable name and important subject of mythology from throughout the world prior to the 20th century spanning all fields of human effort from literature and the arts to philosophy and science and touching on topics from multiple areas of mythological study including norse greek and roman this extraordinary reference guide continues to be one of the most thorough and accurate collections of biographical data ever created combining mythological and biographical entries into a single comprehensive list and incorporating a unique system of indicating pronunciation and orthography the universal dictionary of biography and mythology offers readers an unparalleled record of historically significant identities from the obscure and forgotten newsmakers of yesteryear to the highly celebrated shapers of history that remain influential today volume i a clu of this exquisite four volume set includes information on such names as john quincy adams achilles sop napoleon bonaparte julius caesar and cleopatra as well as a detailed introduction to the entire body of this work joseph thomas 1811 1891 also wrote a comprehensive medical dictionary various pronouncing vocabularies of biographical and geographical names and a system of pronunciation for lippincott s pronouncing gazetteer of the world 1936 in this groundbreaking book nina lamal provides a compelling account of italian information and communication on the revolt in the low countries casting an entirely new light on the keen italian interest and involvement in this protracted conflict on 16 may 1811 the small town of albuera was the setting for one of the peninsular war s most bloody and desperate battles a combined spanish british and portuguese force of more than 30 000 men under the command of lord beresford stubbornly blocked the march of the french field marshal soult who was trying to reach the fortress of badajoz twelve miles to the north however after suffering losses of up to 7 000 men during the fighting wellington declared that another such battle will ruin us one british regiment the 57th foot suffered casualties of more than 50 per cent similarly the french fought with enormous tenacity and sustained almost equally heavy losses the stories from those who fought in the battle on both sides make for both chilling and inspiring reading these contemporaneous accounts include letters diaries official correspondence army records maps newspaper reports and memoirs totaling over 100 contemporary accounts of the battle they range from the comprehensive after action reports of the british portuguese spanish and french commanders to casualty and prisoner lists and to recollections of individual soldiers from all the combatant armies the purpose of this book is to tell the story of the battle exclusively by way of these primary sources with english translations for foreign language sources along with in each case a commentary identifying the source and its context the heart of the work will be a vast number of first hand accounts providing astonishing details of the intense fighting including the heroism of the spanish troops the massacre of colborne s brigade by polish lancers beresford s near fatal indecisiveness and the heroic charge of the fusilier brigade this presentation allows readers avid for detailed historical information to draw their own conclusions about how the events of the battle unfolded kenneth m setton provides a brief survey of the thirty years war as part of the background to venetian relations with the ottoman empire having lost the island of crete to the turks in the long war of 1645 1669 venice renewed her warfare with the porte in 1684 this time as the ally of austria after the turkish failure to take vienna the preceding year the venetians now conquered the peloponnesus the morea and occupied athens with the disastrous result that the parthenon was destroyed a tragedy which receives much attention in this book this volume is to some extent a continuation of the author s highly praised work on the papacy and the levant also published by the american philosophical society which covers in four volumes the period from the fourth crusade 1204 to the battle of lepanto 1571 and goes somewhat beyond in molti angoli d italia c è un parco dove ogni domenica pachistani e indiani sikh incrociano le mazze
