'schwa' - articulation and use of a sound in the English and French language

2005-08-17

this book will tell all you need to know about british english spelling it s a reference work intended for anyone interested in the english language especially those who teach it whatever the age or mother tongue of their students it will be particularly useful to those wishing to produce well designed materials for teaching initial literacy via phonics for teaching english as a foreign or second language and for teacher training english spelling is notoriously complicated and difficult to learn it is correctly described as much less regular and predictable than any other alphabetic orthography however there is more regularity in the english spelling system than is generally appreciated this book provides for the first time a thorough account

of the whole complex system it does so by describing how phonemes relate to graphemes and vice versa it enables searches for particular words so that one can easily find not the meanings or pronunciations of words but the other words with which those with unusual phoneme grapheme grapheme phoneme correspondences keep company other unique features of this book include teacher friendly lists of correspondences and various regularities not described by previous authorities for example the strong tendency for the letter name vowel phonemes the names of the letters to be spelt with those single letters in non final syllables

A Programed Approach to Good Spelling!

1981

learn to spell 500 words a day is a book in 6 volumes a e i o u and consonants vowels rule english and they cannot be avoided hence each vowel is dissected and isolated in a volume and the consonants is the 6th volume having 100 spelling rules applied in 600 phonics based spelling lessons children and adults learn to spell hundreds of words at a time guaranteed the vowel i book is for children and adults who can read but cannot spell the words that they read it can be used in schools from the 4th grade and up or as a self help book without the help of a teacher dyslexia in spelling and in writing letters in reverse ends after learning to spell and after slowing down to write words slowly the vowel i has eight sounds we call phonics which are spelled in 19 ways we call spelling patterns every sound and spelling pattern of the vowel i is presented in this book as in these examples short i jim gym long i night sign child die dye type icon by bypass minor sounds of i bikini onion mission vision soldier schwa sound of i credible analyst the vowel i book contains 62 comprehensive and detailed phonics based spelling lessons each lesson begins with a logical spelling rule followed by a list of nearly all the words that follow that rule followed by a nonsensical story that contains most of the listed words and then students are asked to read aloud slowly to memorize the spelling of hundreds of words at a time sample of the nonsensical stories to memorize phonics in words lyle has a nice style lyle takes enzymes mixed with thyme lyle types 90 wpm lyle needs to analyze before he can memorize lyle and kyle s names rhyme lyle and kyle do not stereotype people kyle cares for a tyke paralyzed dog etc the author linguist camilia sadik spent 15 years intensely dissecting english discovering over 100 spelling rules applying the spelling rules in 600 phonics based spelling lessons class testing her discoveries and preparing 10 breakthrough learning books for children and adults to read and spell hundreds of words at a time the 30 unique learning features in sadik s books make learning to read and spell phonics inescapable sadik worked hard to make spelling easy and possible for all ages and all types of learners for sample lessons and much more visit spellingrules.com
