**lan**

Sep 16 2023

lan is a local area network. It is a network of computers that are connected to each other. It is used for sharing files and resources. The most common type of lan is ethernet. Other types include wireless lan and fiber optic lan. Lan is different from wan (wide area network) and internet. Lan local area network

**wiring diagram**

Aug 15 2023

wiring diagram is a schematic drawing of the wiring of an electrical system. It shows the components and how they are connected. It is used by electricians to install and troubleshoot electrical systems. It is a very important part of electrical engineering.
