~~complete and correct collection of the several minutes and advices issued by~~
the yearly meeting for regulating the affairs of the society secondly that
these minutes and advices being more generally made known may be more
uniformly observed and put in practice that order unity peace and harmony may
be preserved throughout the churches about the publisher forgotten books
publishes hundreds of thousands of rare and classic books find more at
forgottenbooks.com this book is a reproduction of an important historical
work forgotten books uses state of the art technology to digitally
reconstruct the work preserving the original format whilst repairing
imperfections present in the aged copy in rare cases an imperfection in the
original such as a blemish or missing page may be replicated in our edition
we do however repair the vast majority of imperfections successfully any
imperfections that remain are intentionally left to preserve the state of
such historical works the oxford handbook of the study of religion provides a
comprehensive overview of the academic study of religion written by an
international team of leading scholars its fifty one chapters are divided
thematically into seven sections the first section addresses five major
conceptual aspects of research on religion part two surveys eleven main
frameworks of analysis interpretation and explanation of religion reflecting
recent turns in the humanities and social sciences part three considers eight
forms of the expression of religion part four provides a discussion of the
ways societies and religions or religious organizations are shaped by
different forms of allocation of resources other chapters in this section
consider law the media nature medicine politics science sports and tourism
part five reviews important developments distinctions and arguments for each
of the selected topics the study of religion addresses religion as a
historical phenomenon and part six looks at seven historical processes
religion is studied in various ways by many disciplines and this handbook
shows that the study of religion is an academic discipline in its own right
the disciplinary profile of this volume is reflected in part seven which
considers the history of the discipline and its relevance each chapter in the
handbook references at least two different religions to provide fresh and
innovative perspectives on key issues in the field this authoritative
collection will advance the state of the discipline and is an invaluable
reference for students and scholars a brief but insightful overview of the
history surrounding the publication of the king james version of 1611 why do
people study religion how have they studied it in the past how do we study
religion today is the academic study of religion the same as religious
education these and many other questions are addressed in this engaging
introduction to the discipline of religious studies topics include
definitions of religion perspectives in the study and teaching of religion
how religion began to be studied traditional perspectives philosophical and
theological how people experience religion perspectives in the study of
religious consciousness and perception phenomenological and psychological
studying religion within communities social and cultural perspectives
anthropological sociological political and economic judging religion critical
perspectives feminist approaches the interaction of popular literature and
religion contextual perspectives historical and comparative themes theories
and current directions the thoroughly updated second edition only changes
the students to think critically about the theories and methods presented
2023-03-09 will find arguments for the 4/18 strengths and limitations of these

~~revisionary accounts of religious belief the book ends with reflections on~~
the future of religion the philosophy of religion will be essential reading for all students of the subject as well as the interested lay reader discipline the canonical buddhism of the vinayapitaka is a penetrating analysis of a heretofore neglected yet centrally important portion of the pali canon in identifying the pivotal role of discipline in the bhikkhu quest for nibbana professor holt finds that vinaya rules represent a practical implementation of the budha s dhamma specifically adherence to this monastic code theoretically facilitates an overcoming of asavas mental dispositions that foster attachment to the self and thus perpetuate the process of samsaric kammic retribution the formulation of buddhist monastic law therefore need not be seen as the result of casuistry rather it is the consequence of a conscious attempt on the part of the early buddhist tradition to identify behavioral expressions that at once generate and reflect a calmed detached and disciplined mental and spiritual state the author has also examined the significance of the principal rituals of buddhist monasticism as they are prescribed within the vinaya text he interprets these rites as cultic celebrations of discipline which in turn legitimate the sangha s claim to be the embodiment and reservoir of the buddha s teachings the claim supported the sangha s role of occupying a mediating position between the spiritual needs of the laity and the authority and the spiritual exemplar of buddhism the buddha in short discipline written from the perspective of the history of religious approach contributed significantly to the increased understanding of the dynamics of the buddhist religion in its formulative stages

The Discipline of Religion 2003-12-08

the discipline of religion is a lively critical journey through religious studies today looking at its recent growth as an academic discipline and its contemporary political and social meanings focusing on the differences between religious belief and academic religious discourse russell t mccutcheon argues that the invention of religion as a discipline blurs the distinction between criticism and doctrine in its assertion of the relevance of faith as a credible object of study in the leap from disciplinary criticism to avowal of actual cosmic and moral meaning schools of religious studies extend their powers far beyond universities and into the everyday lives of those outside managing and curtailing specific types of speech and dissent

this book of quaker faith and practice is an attempt to express truth through the vital personal and corporate experience of friends it is largely composed of extracts a fitting way of expressing the breadth of quaker theology it also describes the current structures of britain yearly meeting of the religious society of friends back cover

Self-Discipline. [Extracted from "Lectures on the Essentials of Religion."] 1832

what does church discipline have to do with the separation of church and state at first glance they seem like a strange combination one a relatively obscure church procedure and the other a hotly contested legal and political issue but they have been forced together as a growing number of churches find themselves in court behind these court cases is an almost forgotten history of the relationship between church and state this story is an important one for every american who cares about religious freedom and for every christian who cares about the integrity of the church

The Doctrines and Discipline of the Methodist Church, 1884 1884

the education provided by canada s faith based schools is a subject of public political and scholarly controversy as the population becomes more

why nobody believes the numbers distinguishing fact from fiction in population health management (2023)
~~religiously diverse the continued establishment and support of faith based~~
schools has reignited debates about whether they should be funded publicly and to what extent they threaten social cohesion these discussions tend to occur without considering a fundamental question how do faith based schools envision and enact their educational missions discipline devotion and dissent offers responses to that question by examining a selection of canada s jewish catholic and islamic schools the daily reality of these schools is illuminated through essays that address the aims and practices that characterize these schools how they prepare their students to become citizens of a multicultural canada and how they respond to dissent in the classroom the essays in this book reveal that canada s faith based schools sometimes succeed and sometimes struggle in bridging the demands of the faith and the need to create participating citizens of a multicultural society discussion surrounding faith based schools in canada would be enriched by a better understanding of the aims and practices of these schools and this book provides a gateway to the subject

I Will Have One Doctrine and One Discipline **2007-12-01**

this book draws together leaders in science the health sciences the humanities and the social sciences to investigate the role of religion its meaning and relevance for their area of specialization it provides a much needed fresh perspective on the way in which religion operates within the modern neo liberal world the book approaches the topic by way of a critical engagement between religion broadly defined and the individual disciplines in which each of the contributors is expert rather than simply taking the dogmatic position that religion offers something to every possible discipline each of the chapters in this collection addresses the question is there something that religion can offer to the discipline in question that is the value of the book it takes a truly critical stance on the place of religion in contemporary society

Social Discipline in the Reformation 1989

the first and second books of discipline were amongst the constitutional foundation documents of the scottish reformation and for four and a half centuries have been relied on to guide the polity of presbyterian churches around the world their scholarly editing and publication a generation ago helped to revive serious study in the church s constitutional law and this reprint makes very important material available in a time of immense organisational change in the church rev dr marjory a maclean deputy principal clerk to the general assembly of the church of scotland

The Discipline of the Religious Society of Friends, of the Ohio Yearly Meeting 1860

these were the words of the eastern sage as he looked down from the mountain height upon the camp of israel abiding among the groves of the lowland according to their tribes in order discipline and unity before a people so organized he saw well none of the nations round could stand israel would burst through them with the strength of the wild bull crashing through the forest he would couch as a lion and as a great lion who dare rouse him up

Introduction to the Study of Religion 2023-11-29

published in 1817 the doctrines and discipline of the african methodist episcopal church was the first definitive guide to the history beliefs teachings and practices of the african methodist episcopal church beginning with a brief history the book moves into a presentation of the articles of religion including the trinity the word of god resurrection the holy spirit scripture original sin and free will justification works the church purgatory the sacraments baptism the lord s supper marriage church ceremonies and government immediately following the articles is an extended four part catechism that more fully explicates the meanings and implications of the doctrinal statements a docsouth book this collaboration between unc press and the university of north carolina at chapel hill library brings classic works from the digital library of documenting the american south back into print docsouth books uses the latest digital technologies to make these works available in paperback and e book formats each book contains a short summary and is otherwise unaltered from the original publication docsouth books provide affordable and easily accessible editions to a new generation of scholars students and general readers

The Doctrines and Discipline of the Methodist Church of Canada 1878

reprint of the original first published in 1874

Quaker Faith and Practice 2009

this exciting textbook combines a clear introduction to the themes traditionally covered in the philosophy of religion with contemporary developments in the discipline the combination of traditional and alternative approaches makes it the most innovative introduction to the area currently available while a range of exercises and student features provide a lively and accessible approach to the discipline most introductions to the philosophy of religion turn out in practice to be philosophic defences of religious belief concentrating solely on the theistic tradition this book differs from such an approach by offering a range of alternative views and in particular by examining the human dimension of religion and religious belief thus alongside helpful clarifications of such traditional issues as arguments of the existence of god the problem of evil and immortality this book also addresses more neglected areas like natural histories of religion feminist approaches and revisionary accounts of religious belief the book ends with reflections on the future of religion the philosophy of religion will be essential reading for all students of the subject as well as the interested lay reader

An Inquiry, Chiefly on Principles of Religion, Into the Nature and Discipline of Human Motives 1820

discipline the canonical buddhism of the vinayapitaka is a penetrating analysis of a heretofore neglected yet centrally important portion of the pali canon in identifying the pivotal role of discipline in the bhikkhu quest for nibbana professor holt finds that vinaya rules represent a practical implementation of the buddha's dhamma specifically adherence to this monastic code theoretically facilitates an overcoming of asavas mental dispositions that foster attachment to the self and thus perpetuate the process of samsaric kammic retribution the formulation of buddhist monastic law therefore need not be seen as the result of casuistry rather it is the consequence of a conscious attempt on the part of the early buddhist tradition to identify behavioral expressions that at once generate and reflect a calmed detached and disciplined mental and spiritual state the author has also examined the significance of the principal rituals of buddhist monasticism as they are prescribed within the vinaya text he interprets these rites as cultic celebrations of discipline which in turn legitimate the sangha's claim to be the embodiment and reservoir of the buddha's teachings the claim supported the sangha's role of occupying a mediating position between the spiritual needs of the laity and the authority and the spiritual exemplar of buddhism the buddha in short discipline written from the perspective of the history of religious approach contributed significantly to the increased understanding of the dynamics of the buddhist religion in its formulative stages
