A must-read for anyone interested in Canadian history, adventure writing, and the challenges of life on the frontier, this work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America and possibly other nations within the United States. You may freely copy and distribute this work as no entity, individual, or corporate has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant.

## **Eight Controversial Questions of History 2024-04-24**

The only proper place for ice is in a cocktail. I'm Derby Cavendish, that's pronounced Derby with an 'ar' sound, not an 'er'. Remember that for later. Ever since I was a boy, the forces of the otherworldly have been drawn to me like divas to a spotlight, but I'm ready for them. Bring it on, bitches! He's the reason there are no zombies at Christmas, no fairy magic, the bad kind, at gay pride, and no werewolves, except one, and he's a dear friend at Hanukkah. He's Derby Cavendish, and for several years, celebrated author Don Basingthwaite has been bringing him to life each holiday season. Now, for the first time, these flamboyantly funny, supernaturally saucy stories have been brought together in one fabulous, long-awaited collection: *Fruitcake Faddler*, sold separately if you like your chills with giggles and glitter cocktails. At seven, *Apocalypse at Eight* is for you.
