A Dream of Wessex 2014-11-13 life is indeed but a dream and yet if we do not recognize that we are mere players the dream and its many acts and actors assume immense power and importance during our lives then we die the norm is to pass through life consumed by the drama never noticing what actually powers the whole display discovering where is the line between what is real and what is but a dream is the journey of a lifetime or perhaps i should say the journey of many lifetimes it is not that we are trying to blur the lines between what is real and what is not real but rather that we are endeavoring to see beyond both the real and the unreal to what always is the changeless choiceless inmost nature from which all of our experiences of self and other arise is at the root of both the real and the unreal and the pieces of our dream are but the shifting evanescence of being itself
