we are delighted to present the proceedings of the 4th international conference on innovation in education science and culture iciesc that organized by research and community service centre of universitas negeri medan lppm unimed proceedings of the 4th iciesc contains several papers that have presented at the seminar with theme education and science in time of uncertainty recovering for the future this conference was held on 11 october 2022 virtually and become a routine agenda annually the 4th iciesc was realized this year with various presenters lecturers researchers and students from universities both in and out of indonesia the 4th international conference on innovation in education science and culture iciesc 2022 shows up as a mathematics and natural science material science physics education biology education chemistry education vocational education applied sciences computers multimedia technology applied mathematics e learning system applied sciences information technology applied sciences engineering social science and humanities management innovation and heritage culture research platform to gather presentations and discussions of recent achievements by leading researchers in academic research with the number participants 260 participants who came from the various national and international universities member research institute and academician there are 181 papers passed through rigorous reviews process and accepted by the committee all of papers reflect the conference scopes and become the latest trend it has been our privilege to convene this conference our sincere thanks to the conference organizing committee to the program chairs for their wise advice and brilliant suggestion on organizing the technical program and to the program committee for their through and timely reviewing of the papers recognition should go to the local organizing committee members who have all worked extremely hard for the details of important aspects of the conference programs and social activities we welcome you to read this proceeding and hope the reader can find according to your interests and scientific field

SOCIAL WORK IN JUVENILE AND CRIMINAL JUSTICE SYSTEMS (4th Ed.)

2017-05-16

social work in juvenile and criminal justice systems sets the standard of care for mental health treatment and the delivery of social services to crime victims juvenile and adult offenders and their families the chapters all authored by experts in the field and all committed to the mission of social justice are written with the clear understanding that we cannot study criminal justice in a vacuum therefore a major focus of the book is on the renewed growing sense of the profession s obligation to social justice each chapter interconnects with the various components of juvenile and criminal justice another prominent aspect of the book is that it is strength based it views those involved in the criminal and juvenile justice systems as individuals rather than inmates or criminals each with unique positive talents and abilities the book is divided into four sections the first section discusses forensic social work including crime and delinquency theories trends and ethical issues the second section prepares social workers for practice in correctional institutions and explores crisis intervention with victims of violence reentry of adult offenders in society and aging in prison the third section covers assessment and intervention in child sexual abuse mental health and substance abuse interpersonal violence and prevention child welfare and juvenile justice the final section presents an overview on social work in the twenty first century which includes restorative justice and the justice system new ways of delivering justice domestic violence neighborhood revitalization race and ethnicity and social work practice with lgbtq offenders this book will be the best single source on social work in criminal justice settings and will prove to be an invaluable resource for the many professionals who have responsibility for formulating and carrying out the mandates of the criminal justice system
