present perfect continuous i have been working *May 05 2024*

we use the present perfect continuous to talk about repeated activities which started at a particular time in the past and are still continuing up until now i ve been going to spain on holiday every year since 1987 i haven t been eating much lunch lately i ve been going to the gym at lunchtimes

present perfect have been working vs have worked *Apr 04 2024*

22 what is the difference between the following two sentences i have been working here for 20 years i have worked here for 20 years the present perfect tense is used for repetitive or constant actions that began in the past and continue to the present

what is the difference between i was there and i have been *Mar 03 2024*

however a subtle difference is i was there merely talks about the past event that you were present at that place i have been there talks about the past event of you being there but also emphasize that that event has something to do in the present talk scenario

have been vs has been vs had been how to use each one Feb 02 2024

have been vs has been vs had been how to use each one correctly the verb phrases have been has been and had been all have closely related meanings that similarity may at times lead to confusion about the right time to use each construction
