Film and Counterculture in the 2011 Egyptian Uprising 2021-04-15

this book examines how film articulates countercultural flows in the context of the egyptian revolution the book interrogates the gap between radical politics and radical aesthetics by analyzing counterculture as a form drawing upon egyptian films produced between 2010 and 2016 the work offers a definition of counterculture which liberates the term from its western frame and establishes a theoretical concept of counterculture which is more globally redolent the book opens a door for further research of the arab uprising arguing for a new and topical model of rebellion and struggle and sheds light on the interaction between cinema and the street as well as between cultural narratives and politics in the context of the 2011 egyptian uprising what is counterculture in the twenty first century what role does cinema play in this new notion of counterculture

Prem Rawat and Counterculture 2019-12-12

ron geaves demonstrates how the convergence of prem rawat formerly known as guru maharaj ji and glastonbury fayre in 1971 was a key event in understanding the jigsaw that came to be known as new age spirituality the book charts the discovery of prem rawat in india in 1969 by a small number of british and north american hippies and explores how his arrival in britain in june 1971 as well as his speech from the pyramid stage at the fayre at just 13 years old escalated his activities to make him one of the key influencers of 1970s counterculture spirituality both glastonbury and prem rawat have gone on to re emerge in significantly different identities to the ones presented in 1971 the meeting between the two demonstrates how alternative spiritualities were being formed in the 1960s and how some strands went on to develop into the new age counterculture that eventually permeated mainstream cultures in britain and the usa

Getting Saved from the Sixties 2014-03-19

this groundbreaking study explores the ways young americans today understand right and wrong how they think out their morality and how they live it out it describes contrasting ethical styles in the biblical utilitarian and personalist traditions of our culture first as they structured the conflict between mainstream and counterculture during the 1960s and second as they have shaped the transformation of these values in new religious movements since the early 1970s coupling descriptive ethics with interpretive sociology this study pursues biography and moral dialogue with sixties youth who participated in a charismatic

christian sect a zen buddhist meditation center and a human potential organization est it shows the significance of these movements for the adherents changing ideas of their own identity their relationships sex roles courtship and marriage and their politics and vision of society it analyzes the cultural logic and the social location of their ideas which break down recombine and find renewal in the course of conversion

Countering the Counterculture 2003-11-20

rebellious against bourgeois vacuity and taking their countercultural critique on the road the beat writers and artists have long symbolized a spirit of freedom and radical democracy manuel martinez offers an eye opening challenge to this characterization of the beats juxtaposing them against chicano nationalists like raul salinas jose montoya luis valdez and oscar acosta and mexican migrant writers in the united states like tomas rivera and ernesto galarza in an innovative rereading of american radical politics and culture of the 1950s and 1960s martinez uncovers reactionary neoromantic and sometimes racist strains in the beats vision of freedom and he brings to the fore the complex stances of latinos on participant democracy and progressive culture he analyzes the ways that beats chicanos and migrant writers conceived of and articulated social and political perspectives he contends that both the beats extreme individualism and the chicano nationalists narrow vision of citizenship are betrayals of the democratic ideal but that the migrant writers presented a distinctly radical and inclusive vision of democracy that was truly countercultural

British Counter-Culture 1966-73 1989-09-25

for those who eagerly awaited its periodic appearance it was more than a publication it was a way of life the whole earth catalog billed itself as access to tools and it grew from a bay area blip to a national phenomenon catering to hippies do it yourselfers and anyone interested in self sufficiency independent of mainstream america in recovering the history of the catalog s unique brand of environmentalism andrew kirk recounts how san francisco s stewart brand and his counterculture cohorts in the point foundation promoted a philosophy

of pragmatic environmentalism that celebrated technological achievement human ingenuity and sustainable living by piecing together the social cultural material environmental and technological history of that philosophy's incarnation in the catalog kirk reveals the driving forces behind it tells the story of the appropriate technology movement it espoused and assesses its fate this book takes a fresh look at the many individuals and organizations who worked in the 1950s 1960s and 1970s to construct this philosophy of pragmatic environmentalism at a time when many of these ideas were seen as heretical to a predominantly wilderness based movement whole earth became a critical forum for environmental alternatives and a model for how complicated ecological ideas could be presented in a hopeful and even humorous way it also enabled later environmental advocates like al gore to explain our current inconvenient truth and the actions of brand's point foundation demonstrated that the epistemology of whole earth could be put into action in meaningful ways that might foster an environmental optimism distinctly different from the jeremiads that became the stock in trade of american environmentalism kirk shows us that whole earth was more than a mere counterculture fad in an era of political protest it suggested that staying home and modifying your toilet or installing a solar collector could make a more significant contribution than taking to the streets to shout down establishment misdeeds given its visible legacy in the current views of al gore and others the subtle environmental heresies of whole earth continue to resonate today which makes kirk's lucid and lively tale an extremely timely one as well

Counterculture Green 2007-11-19

this book explores the development content and impact of world culture combining several of the most fruitful theoretical perspectives on world culture including the world polity approach and globalization theory the book gives a historical treatment of the development of world culture and assesses the complex impact of world culture on people organizations and societies this is a provocative synthetic and grounded interpretation of world culture that is essential for any student or scholar of globalization and world affairs traces world culture back from the mid 19th century to the present day includes numerous illustrations of key issues and empirical research written in lively accessible language for the student and general scholar

World Culture, EPZ Edition 2008-04-15

hitherto there has been no book that attempted to sum up the breadth of umberto eco's work and its importance for the study of semiotics communication and cognition there have been anthologies and overviews of eco's work within eco studies sometimes works in semiotics have used aspects of eco's work yet thus far there has been no overview of the work of eco in the breadth of semiotics this volume is a contribution to both semiotics and eco studies the 40 scholars who participate in the volume come from a variety of disciplines but have all chosen to work with a favorite quotation from eco that they find particularly illustrative of the issues that his work raises some of the scholars have worked exegetically placing the quotation within a tradition others have determined the epistemic value of the quotation and offered a critique while still others have seen the quotation as a starting point for conceptual developments within a field of application however each article within this

volume points toward the relevance of eco for contemporary studies concerning semiotics communication and cognition

Umberto Eco in His Own Words 2017-08-21

welcome to the front lines everywhere we turn battle lines are being drawn traditional marriage vs gay marriage pro life vs pro choice personal freedom vs governmental protection seemingly overnight culture has shifted to the point where right and wrong are no longer measured by universal truth but by popular opinion and as difficult conversations about homosexuality abortion and religious liberty continue to inject themselves into our workplaces our churches our schools and our homes christians everywhere are asking the same question how are we supposed to respond to all this in counter culture new york times bestselling author david platt shows christians how to actively take a stand on such issues as poverty sex trafficking marriage abortion racism and religious liberty and challenges us to become passionate unwavering voices for christ drawing on compelling personal accounts from around the world platt presents an unapologetic yet winsome call for christians to faithfully follow christ into the cultural battlefield in ways that will prove both costly and rewarding the lines have been drawn the moment has come for christians to rise up and deliver a gospel message that is more radical than even the most controversial issues of our day

Counter Culture 2015-02-03

the oxford encyclopedia of american cultural and intellectual history brings together in one two volume set the record of the nation's values aspirations anxieties and beliefs as expressed in both everyday life and formal bodies of thought over the past twenty years the field of cultural history has moved to the center of american historical studies and has come to encompass the experiences of ordinary citizens in such arenas as reading and religious practice as well as the accomplishments of prominent artists and writers some of the most imaginative scholarship in recent years has emerged from this burgeoning field the scope of the volume reflects that development the encyclopedia incorporates popular entertainment ranging from minstrel shows to video games middlebrow ventures like chautauqua lectures and book clubs and preoccupations such as perfectionism and wellness that have shaped americans behavior at various points in their past and that continue to influence attitudes in the present the volumes also make available recent scholarly insights into the writings of political scientists philosophers feminist theorists social reformers and other thinkers whose works have furnished the underpinnings of americans civic activities and personal concerns anyone wishing to understand the hearts and minds of the inhabitants of the united states from the early days of settlement to the twenty first century will find the encyclopedia invaluable

The Handy History Answer Book 2020-09-01

at first glance the works of fedor dostoevsky 1821 1881 do not appear to have much in common with those of the controversial american writer henry miller 1891 1980 however the influencer of dostoevsky on miller was in fact enormous and shaped the latter s view of the world of literature and of his own writing the making of a counter culture icon examines the obsession that miller and his contemporaries the so called villa seurat circle had with dostoevsky and the impact that this obsession had on their own work renowned for his psychological treatment of characters dostoevsky became a model for miller lawrence durrell and anais nin interested as they were in developing a new kind of writing that would move beyond staid literary conventions maria bloshteyn argues that as dostoevsky was concerned with representing the individual s perception of the self and the world he became an archetype for miller and the other members of the villa seurat circle writers who were interested in precise psychological characterizations as well as intriguing narratives tracing the cross cultural appropriation and mis interpretation of dostoevsky s methods and philosophies by miller durrell and nin the making of a counter culture icon gives invaluable insight into the early careers of the villa seurat writers and testifies to dostoevsky s influence on twentieth century literature

The Making of a Counter-culture Icon 2007-01-01

winner of the 2014 christianity today book of the year first place winner of the religion newswriters association s non fiction religion book of the year the jesus people movement was a unique combination of the hippie counterculture and evangelical christianity it first appeared in the famed summer of love of 1967 in san francisco s haight ashbury district and spread like wildfire in southern california and beyond to cities like seattle atlanta and milwaukee in 1971 the growing movement found its way into the national media spotlight and gained momentum attracting a huge new following among evangelical church youth who enthusiastically adopted the jesus people persona as their own within a few years however the movement disappeared and was largely forgotten by everyone but those who had filled its ranks god s forever family argues that the jesus people movement was one of the most important american religious movements of the second half of the 20th century not only do such new and burgeoning evangelical groups as calvary chapel and the vineyard trace back to the jesus people but the movement paved the way for the huge contemporary christian music industry and the rise of praise music in the nation s churches more significantly it revolutionized evangelicals relationship with youth and popular culture larry eskridge makes the case that the jesus people movement not only helped create a resurgent evangelicalism but must be considered one of the formative powers that shaped american youth in the late 1960s and 1970s

God's Forever Family 2013-05-31

early civilizations native americans the english colonies slavery the american revolution the declaration of independence and the bill of rights begin the journey and lay the foundation for the united states of today the handy american history answer book takes a walk through the economic political and social forces as well as the military conflicts that created

The Handy American History Answer Book 2015-07-20

the survival of a counterculture is a lively engaging look into the ways communards or people who live in communes maintain modify use and otherwise live with their convictions while they attempt to get through the problems of everyday life communal families shape their norms to the circumstances they live with just as on a larger scale nations and major institutions also shape their ideologies to the pressures of circumstance they feel with a new introduction by the author that brings his work up to date this volume raises important questions regarding sociological theory

The Survival of a Counterculture 2003-12-01

migration community and identity analyses experiences of migration to rural wales from 1965 1980 it focuses on people who were part of the era s counterculture looking for an escape from mainstream society using original interviews the book shows why people moved and how the move shaped their lives and identities drawing together geographical and historical research this book explores the significance of this migration phenomenon it provides a unique insight into late 20th century welsh society and shines a new light onto the counterculture itself through analysing the experience of life in wales and ongoing developments to the migrants sense of identity it argues that rather than being a uniform group the counterculture encompassed a diverse range of beliefs and aspirations the book will be suitable for upper level undergraduates and above the broad range of themes covered in this book is relevant not only to rural and historical geographers and migration researchers but also those interested in sociology anthropology and the modern history of britain and wales the theories and concepts discussed have global appeal and will be of interest to those studying similar migration phenomena elsewhere

Migration, Community and Identity 2023-10-20

volume ten includes chögyam trungpa s three most recent books and many selected writings the collected works of chögyam trungpa brings together in ten volumes the writings of one of the first and most influential and inspirational tibetan teachers to present buddhism in the west organized by theme the collection includes full length books as well as articles seminar transcripts poems plays and interviews many of which have never before been

available in book form from memoirs of his escape from chinese occupied tibet to insightful discussions of psychology mind and meditation from original verse and calligraphy to the esoteric lore of tantric buddhism the impressive range of trungpa s vision talents and teachings is showcased in this landmark series volume ten begins with chögyam trungpa s three most recent books work sex money mindfulness in action and devotion and crazy wisdom the first two books in the volume emphasize the importance of meditation in action and bringing awareness mindfulness intentionality and a sense of the sacred into everyday life the third book explores devotion and discusses mutual commitment and surrendering between teacher and student the selected writings in this volume range from older articles originally published in the vajradhatu sun to recently edited articles including several that have not yet appeared in print overall these articles show us how trungpa rinpoche worked deeply and directly with many interest groups and subsections of the community and how he infused each situation with dharma taking every opportunity to present essential teachings

The Collected Works of Chögyam Trungpa, Volume 10 2017-10-05

how 4chan and 8chan fuel white nationalism inspire violence and infect politics the internet has transformed the ways we think and act and by consequence our politics the most impactful recent political movements on the far left and right started with massive online collectives of teenagers strangely both movements began on the same website an anime imageboard called 4chan org it came from something awful is the fascinating and bizarre story of sites like 4chan and 8chan and their profound effect on youth counterculture dale beran has observed the anonymous messageboard community s shifting activities and interests since the beginning sites like 4chan and 8chan are microcosms of the internet itself simultaneously at the vanguard of contemporary culture politics comedy and language and a new low for all of the above they were the original meme machines mostly frequented by socially awkward and disenfranchised young men in search of a place to be alone together during the recession of the late 2000 s the memes became political 4chan was the online hub of a leftist hacker collective known as anonymous and a prominent supporter of the occupy wall street movement but within a few short years the site s ideology spun on its axis it became the birthplace and breeding ground of the alt right in it came from something awful beran uses his insider s knowledge and natural storytelling ability to chronicle 4chan s strange journey from creating rage comics to inciting riots to according to some memeing donald trump into the white house

It Came from Something Awful 2019-07-30

the first book to focus specifically on the women of the counterculture movement reveals how hippie women launched a subtle rebellion by rejecting their mothers suburban domesticity in favor of their grandmothers agrarian ideals which assigned greater value to women s contributions

Daughters of Aquarius 2009

the 1960s a decade rich in contradictions has alternately been compared with the 1920s for its frivolity and open sensuality and with the 1930s for its political activism and social seriousness but finally all comparisons with other periods break down all analogies crumble for as william o neill makes us realize the 1960s was a time like no other america has ever known in this appraisal of the new culture that became identified with the sixties he conveys all that was inspired phony large spirited dreary mad magnificent screwed up delightful and confused about the period

Dawning of the Counter-Culture: The 1960s 2011-11-15

this book tracks the political history and specific political actions associated with the diffusion of state level marijuana decriminalization it provides an integrated chronology of policy diffusion to show how social and cultural changes have impacted the shift from anti to pro marijuana political platforms the main contributions are an interdisciplinary approach to analyzing policy learning and evolution an overview of the political history of marijuana criminalization a clear synthesis of the medical literature on cannabis effects and a supply and demand analysis of legal and illegal marijuana markets in america for scholars of criminal justice law political science policy studies sociology and addiction it provides an amalgam of the diverse and divergent extant research on marijuana

***From Criminalizing to Decriminalizing Marijuana* 2018-10-15**
