History of the Office of the Secretary of Defense: The formative years, 1947-1950 *1984*

in the shadow of the vietnam war a significant part of an entire generation refused their assigned roles in the american century some took their revolutionary politics to the streets others decided simply to turn away seeking to build another world together outside the state and the market west of eden charts the remarkable flowering of communalism in the 1960s and 70s fueled by a radical rejection of the cold war corporate deal utopian visions of a peaceful green planet the new technologies of sound and light and the ancient arts of ecstatic release the book focuses on the san francisco bay area and its hinterlands which have long been creative spaces for social experiment haight ashbury's gift economy its free clinic concerts and street theatre and berkeley's liberated zones sproul plaza telegraph avenue and people's park were embedded in a wider network of producer and consumer co-ops food conspiracies and collective schemes using memoir and flashbacks oral history and archival sources west of eden explores the deep historical roots and the enduring though often disavowed legacies of the extraordinary pulse of radical energies that generated forms of collective life beyond the nuclear family and the world of private consumption including the contradictions evident in such figures as the guru predator or the hippie entrepreneur there are vivid portraits of life on the rural communes of mendocino and sonoma and essays on the black panther communal households in oakland the latter day diggers of san francisco the native american

occupation of alcatraz the pioneers of live work space for artists and the bucky dome as the iconic architectural form of the sixties due to the prevailing amnesia partly imposed by official narratives partly self imposed in the aftermath of defeat west of eden is not only a necessary act of reclamation helping to record the unwritten stories of the motley generation of communards and antinomians now passing but is also intended as an offering to the coming generation who will find here in the rubble of the twentieth century a past they can use indeed one they will need in the passage from the privations of commodity capitalism to an ample life in common

The Directory and Chronicle for China, Japan, Corea, Indo-China, Straits Settlements, Malay States, Siam, Netherlands India, Borneo, the Philippines, and Etc 1905

in the 1930 s and 1940 s the prevalent american view of china was that of a friendly democratic and increasingly christian state in many ways akin to the united states this view was fostered by a wide range of literary political and business leaders including pearl s buck franklin d roosevelt wendell willkie joseph stillwell claire chennault and most notably the powerful publisher of life and time henry r luce this book shows how the notion of the chinese as aspiring americans helped shape american opinions and policies toward asia for almost twenty years this notion derived less from the reality of chinese historical or cultural similarities than from a projection of american values and culture in the american view fueled by various political economic and religious interests china was less a geographical entity than a symbol of american hopes and fears one of the more important consequences was the idealization of china and the demonization of japan
