Little Unicorn Is Shy

2020-01-07

Mr Men meets the Color Monster with a unicorn in the fourth book in this series that taps into the current trend of books about childhood emotions. This one is about shyness. A little unicorn's rainbow-colored mane shifts to a single color when he's feeling a particularly strong emotion. When he's feeling shy, like when he needs to speak up in class or meet someone new, his mane turns purple. But when he repeats a breathing exercise, his rainbow returns, and if he ever feels shy again, he'll know just what to do. This distinctive series about coping with strong feelings integrates a breathing exercise into the story, making these books perfect for parents who are seeking practical tools for their children. With accessible mainstream artwork and unicorn character appeal, each book focuses on just one emotion, allowing parents and children to dive deeper into individual moods. Little Unicorn is Sad will release at the same time.

How the Crayons Saved the Unicorn

2019-09-17

Can a lost box of crayons help a lonely unicorn regain his color? A shy unicorn has a hard time making friends. In his sadness, his colors start to fade away until they are gone completely. Worrying that he may never get back his colors or make true friends, the unicorn finds himself lost and alone. It is not until he comes across a group of spunky crayons that his world changes. The crayons band together to help their new friend get back his colors, and in the process, play and have fun. The crayons' helping generosity and friendship may just be what the unicorn has been missing. *How the Crayons Saved the Unicorn* is the all-new colorful friendship book from the plucky Crayons who brought you *How the Crayons Saved the Rainbow*. *How the Crayons Saved the Unicorn* teaches the importance of friendship and self-confidence through seven crayons with unique personalities and their hopes to help a friend in need.

Little Unicorn Is Scared

2019-07-09

For fans of unicorns, Mr. Men and Little Miss, this book in the Little Unicorn series about coping with strong feelings offers tools to manage anxiety or fear of the dark and integrates a breathing exercise right into the story. A little unicorn's rainbow-colored mane is magic; it shifts to a single color when he's feeling a particularly strong emotion. At bedtime, he often is scared of the dark, and his mane turns bright green. But when he repeats a special three-step breathing exercise, his fear disappears, and his rainbow returns. And if he ever feels scared again, he'll know just what to do. With simple, accessible artwork and the universal character appeal of unicorns, each book in the series allows children and caregivers to talk about and work through specific moods. Other Little Unicorn books you will enjoy: *Little Unicorn is Scared*, *Little Unicorn is Sad* (coming January 2019), and *Little Unicorn is Shy* (coming January 2019).

Little Unicorn Is Sad

2020-01-07

Mr Men meets the color monster with a unicorn in the third book in this series that taps into the current trend of books about childhood emotions. This one about sadness: a little unicorn's rainbow-colored mane shifts to a single color when he's feeling a particularly strong emotion. It seems like a storm comes over him when he's sad and his mane turns deep blue, but when he repeats a breathing exercise, the clouds clear and his rainbow returns. And if he ever feels sad again, he'll know just what to do. This distinctive series about coping with strong feelings integrates a breathing exercise into the story, making these books perfect for parents who are seeking practical tools for their children with accessible mainstream artwork and unicorn character appeal. Each book focuses on just one emotion, allowing parents and children to dive deeper into individual moods. Little Unicorn is shy, will release at the same time.

The Magic Unicorn - Bedtime Stories for Kids

2023-07-14

Make your child's imagination come to life while improving their vocabulary, lowering their stress levels with the magical unicorn storybook. Did you know that reading bedtime stories to your little one is more than just a cozy ritual that helps prepare them for sleep? Hundreds of research have concluded that reading bedtime stories also gives you a great opportunity to create warm, wonderful memories with them, cultivate their imagination, foster empathy, lower their stress levels, and encourage engagement and conversation between parent and child. But perhaps the most recent and profound benefit discovered is that bedtime stories are able to rewire children's brains to accelerate their mastery of language and boost their vocabulary. So when looking for the perfect bedtime stories for your child, it's important to look for tales that meet your child's language and emotional needs. And this is where Hannah Watson's book, *The Magic Unicorn*, comes in. This book is a collection of short bedtime stories that help your toddlers fall asleep and relax so they can dream about great unicorn fantasies all night. In this magical bedtime storybook, your child will relax their worries away in a comforting space where you get to snuggle and read bedtime stories together, strengthen their bond with you, and feel safe knowing they are loved and that their mom or dad is right next to them as they float away to dreamland. Enhance their empathy, vocabulary, and imagination as they explore the wonderful world of majestic, adventurous unicorns, cultivate their idea of friendship and exploration as the magic unicorn goes on an adventure with numerous mythical, colorful friends, and so much more. Children are like porous sponges that absorb every bit of information from the environment around them. When you read *The Magic Unicorn* to them every night, they will be able to simmer in the positivity as well as the educational bits that every chapter has to offer.

Unicorn Bedtime Stories for Kids

2014-07-22

The perfect magical bedtime stories for your little ones that want to go on fantastical adventures before bed. Take your little ones on a journey to a land filled with shimmering rainbows and gentle breezes where unicorns gracefully dance under the moonlit sky as the stars twinkle. Twilight, Say Cheese!

1986

2nd book in the magic locket series theresa barlow writes stories magical stories for children lord rivendale has a daughter who cannot speak and the only way to reach her seems to be through miss barlow s books both are wary of love but in trying to help the child anna tessa and william discover they have much more in

common than either would have thought a book worth passing down to a reader's own children some day. *Affaire de coeur*, *The Widower's Folly* is thoroughly enjoyable as a stand-alone; you don't need to read *The Ambitious Baronet* first, but once you delve into one, you'll want to read the others. So far, the three sisters and two heroes are quite distinct from each other in personality and interest, yet tied together by love, family, and the mysterious locket. Faithful regency readers are well aware of Ms. Kihlstrom's fine novels; readers new to her works will find this an excellent place to start. Jane Bowers notes that this book was originally published as a traditional regency by signet.

Seven children assigned to save the earth. Ridiculous? Yes. Impossible? No. Not when the seven receive special gifts from the king. Then anything is possible. An ancient evil has risen in the realms of the universe. The dark lord Gribbain, the most feared sorcerer in the realms, has been released from his long prison/exile to walk unhindered in his evil pursuit to rule them all. Long ago, Gribbain promised vengeance against his nemeses, Essais of Kenrith and Ameth of Naveah. Above all else, he intends to fulfill that promise. He is a destroyer, and he will live up to his name. But Ameth, the just and most high ruler of the realms, has chosen a peculiar army to overthrow Gribbain. He has chosen children: Brady Barrett and six others will join together in a quest to save the realms from Gribbain's planned reign of terror, whether they want to or not. Unbeknownst to Gribbain, his top aide, Belthryd of Oricus, fancies himself as the true dark lord, destined to take Gribbain's place. His plan includes the creation of the most hideous and fiendish monsters ever imagined: creatures of incredible strength and intelligence formed in the dark belly of the underworld. The seven, a nickname by which Brady and the other six become known, are caught up in a dangerous game of cat and mouse with an enemy they have never heard of and from which they might not escape. Only the most high ruler knows the importance of convincing the seven that their services are desperately needed in order for the powerful Navean army to win the war. The seven have powerful gifts given to them by the most high ruler, gifts they were never aware of. Gifts that in the end could destroy them.

The Widower's Folly

2011-07-29

Get young readers hooked on some of the best titles in juvenile literature, ranging from humor to mystery to fantasy, with unusual and effective methods like games. Getting students to want to read is one of the greatest challenges facing middle school teachers and librarians. Determining which are the right books that can spark a child's mental awakening is also difficult. This book from prolific author Nancy Polette furnishes interesting and fun games to pique students' interest in junior novels that are worth reading carefully. Selected titles that will contribute to their educational and emotional growth. Gateway to reading: 250 author games and booktalks to motivate middle readers is a powerful tool for luring middle school students away from the distractions of 21st-century media and introducing them to junior or tween novels that they won't be able to put down. By presenting children with a challenge to engage their minds, racing to decode book titles, or using their creativity to come up with titles of their own, for example, students are naturally drawn towards reading these books from well-known children's authors.

The Children of the White Tree

1967

arctic breeze is a poetry book with some creative style ballads and poems that were written about the arctic culture the main theme for writing this book was a bit spiritual with some mystic background it portrays the arctic culture for the beauty of nature and the wilderness poems about the caribou and snowy owls and ballads about inuit legends so this book has a variety of well crafted poetry about the wild life as well as some inuit mythology as well as some romance poems
