## **Jsl Vol 7-N5 1997-09-01**

even students capable of writing excellent essays still find their first major political science research paper an intimidating experience crafting the right research question finding good sources properly summarizing them operationalizing concepts and designing good tests for their hypotheses presenting and analyzing quantitative as well as qualitative data are all tough going without a great deal of guidance and encouragement writing a research paper in political science breaks down the research paper into its constituent parts and shows

students what they need to do at each stage to successfully complete each component until the paper is finished practical summaries recipes for success worksheets exercises and a series of handy checklists make this a must have supplement for any writing intensive political science course
