New International Business English Teacher's book

1996-03-28

new international business english is a thoroughly revised and redesigned new edition of the highly successful course international business english while maintaining the first edition s flexible learner centred approach for people who need english in their day to day work new international business is now easier to use and even more effective in the way it addresses the key business english language skills such as telephoning socializing and taking part in meetings the key features of the new edition are bright open design at large format and in colour for the student s book shorter more manageable units new international business english is a genuine 90 hour course a new unit on negotiating

The Civil Condition in World Politics

2023-10

bringing together an international team of contributors this volume draws on international political theory and intellectual history to rethink the problem of a pluralistic world order inspired by the work of international political theorist nicholas rengger the book focuses on three main areas of rengger s contribution to the political theory of international relations his augustine inspired idea of an anti pelagian imagination his oakeshottian argument for a pluralist conversation of mankind and his ruminations on war as the uncivil condition in world politics through a critical engagement with his work the book illuminates the promises and limitations of civility as a sceptical non utopian anti perfectionist approach to theorizing world order that transcends both realist pessimism and liberal utopianism

Controversial New Religions

2004-11-04

this book complements lewis s xford handbook of new religious movements the former provides an overview of the state of the field this volume collects papers on those specific new religious movements nrms that have generated the most scholarly attention with few exceptions these organizations are also the controversial groups that have attracted the attention of the mass media often because they have been involved in or accused of violent or anti social activities among

the movements to be profiled are such groups as the branch davidians heaven s gate aum shinrikyo solar temple scientology falun gong and many more the book will function as a reference for scholars as a text for courses in nrms and will also appeal to non specialists including reporters law enforcement public policy makers and others

an engrossing and impossibly wide ranging project in the free world every seat is a good one carlos lozada the washington post the free world sparkles fully original beautifully written one hopes menand has a sequel in mind the bar is set very high david oshinsky the new york times book review editors choice one of the new york times s 100 best books of 2021 one of the washington post s 50 best nonfiction books of 2021 a mother jones best book of 2021 in his follow up to the pulitzer prize winning the metaphysical club louis menand offers a new intellectual and cultural history of the postwar years the cold war was not just a contest of power it was also about ideas in the broadest sense economic and political artistic and personal in the free world the acclaimed pulitzer prize winning scholar and critic louis menand tells the story of american culture in the pivotal years from the end of world war ii to vietnam and shows how changing economic technological and social forces put their mark on creations of the mind how did elitism and an anti totalitarian skepticism of passion and ideology give way to a new sensibility defined by freewheeling experimentation and loving the beatles how was the ideal of freedom applied to causes that ranged

from anti communism and civil rights to radical acts of self creation via art and even crime with the wit and insight familiar to readers of the metaphysical club and his new yorker essays menand takes us inside hannah arendt s manhattan the paris of jean paul sartre and simone de beauvoir merce cunningham and john cage s residencies at north carolina s black mountain college and the memphis studio where sam phillips and elvis presley created a new music for the american teenager he examines the post war vogue for french existentialism structuralism and post structuralism the rise of abstract expressionism and pop art allen ginsberg s friendship with lionel trilling james baldwin s transformation into a civil right spokesman susan sontag s challenges to the new york intellectuals the defeat of obscenity laws and the rise of the new hollywood stressing the rich flow of ideas across the atlantic he also shows how europeans played a vital role in promoting and influencing american art and entertainment by the end of the vietnam era the american government had lost the moral prestige it enjoyed at the end of the second world war but america s once despised culture had become respected and adored with unprecedented verve and range this book explains how that happened
