Dr. Dwight D. Waite, pastor of Bible for Today Baptist Church and an international scholar, has authored another masterful work on the 1st and 2nd books of Thessalonians by examining scripture verse by verse. Dr. Waite has presented the first and second phases of the Lord Jesus Christ's second coming. He presents who will be involved in the rapture. The first phase, he admonishes that every born-again believer in Jesus should abide in Him in order to not be ashamed at His appearing, which will be sudden. Be ready! This would make a great gift for pastors, teachers, missionaries, and students of God's words.

Waite Groups Microsoft C Bible 1990

Everybody waits, but nobody likes to wait. Waiting feels like a waste of time, an unnecessary exercise in patience, or a foreboding sense that something bad is about to happen. More than we realize, we have grown accustomed to filling our desires instantaneously, and we have taught ourselves to miss out on one of the most rewarding exercises in all of life. The Bible has much to say about waiting: commands, encouragements, examples, and promises for waiting. Saturate God's word to wait on God is to entrust ourselves to His perfect care, to apply faith in the midst of unchanging circumstances, to trust God's plan over time, and to eagerly anticipate future realities which are being perfectly prepared for us. The reward of waiting is immeasurable joy in God. He dispenses all good things to His children according to His infinite resources and His flawless timing. Waiting on God fuels our pilgrimage through this life, kindles our affections for eternal realities, bolsters our fight against sin, disarms our hearts, idols, and

best of all culminates in our being forever in the presence of our great glorious and gracious god

Wait and See 2016-10-01

satan knows that god has promised to preserve his words found in the holy scriptures so it would be futile for him to try to destroy them thus satan s strategy is to obscure god s words by flooding the world with counterfeit bibles that way he can flimflam people into reading his corrupt bibles instead of god s infallible scriptures the devil can then lead men astray from the true gospel this book will prove that the authorized king james version of the holy bible is given by inspiration of god it will reveal how satan is using profane bible versions to divert the world away from god s inspired holy scriptures the changes in the new bible versions are not merely cosmetic for ease of reading as claimed by the publishers they change doctrine the new bible versions have demoralized churches by proclaiming a

why does god make us wait and wait and wait in a fast paced society we don t like waiting for anything drive throughs and microwaves expedite dinner while texting and email afford instantaneous communication because we re conditioned to expect instant gratification we re startled even frustrated when we have to wait and perhaps we become spiritually frustrated doubting our faith when we find ourselves waiting on god bradley baurain invites christians to reject how society has conditioned us to view waiting especially when it comes to knowing god on waiting well identifies the experience of waiting as a crucial dimension to loving god having faith and following christ your time doesn t have to become passive purposeless or tedious when god seems to be absent or moving slowly instead discover how waiting is actually integral to god s plans of life and salvation when we gain that perspective these seemingly dry times of waiting become invigorating opportunities to strengthen our hope in god and see that he is always faithful
