

# Ebook free Outlooks 7 ancient worlds (2023)

the seven wonders of the ancient world from left to right top to bottom great pyramid of giza hanging gardens of babylon temple of artemis statue of zeus at olympia mausoleum at halicarnassus colossus of rhodes and the lighthouse of alexandria timeline and map of the seven wonders the seven wonders of the ancient world is a list of remarkable constructions of classical antiquity of the original seven wonders only one the great pyramid of giza remains intact seven wonders of the world preeminent architectural and sculptural achievements of the ancient mediterranean and middle east as listed by various observers the pyramids of giza are the only one of the seven wonders substantially in existence today the 7 wonders of the world were the great pyramid at giza the hanging gardens of babylon the statue of olympian zeus the temple of artemis at ephesus the mausoleum of halicarnassus the colossus of rhodes and the lighthouse of alexandria the seven wonders of the ancient world selected by hellenic travelers and noted in poetry and other arts tell the stories of human imagination and technical aptitude and how civilizations left their marks on the world and culture the seven wonders of the ancient world from left to right top to bottom great pyramid of giza hanging gardens of babylon temple of artemis at ephesus statue of zeus at olympia mausoleum at halicarnassus also known as the mausoleum of mausolus colossus of rhodes and the lighthouse of alexandria as depicted by 16th century dutch discover the seven wonders of the ancient world from the majestic great pyramid to the awe inspiring lighthouse of alexandria in this collection we look in detail at each of the seven wonders of the ancient world the oldest and only surviving wonder is the great pyramid of giza which held the record for the tallest structure in the world until the 19th century ce the seven wonders of the ancient world beginning in 425 bce legendary scholars like philo of byzantium compiled an unrivaled ranking of the greatest artificial structures on earth after nearly two and a half thousand years we look back to see what remains of these mythological creations the seven wonders of the ancient world have been celebrated by scholars writers and artists since at least 200 b c these marvels of architecture like egypt s pyramids were monuments of human achievement built by mediterranean and middle eastern empires of their day with little more than crude tools and manual labor we might have all heard of the ancient seven wonders of the world but which incredible artefacts make up the most recent list from pyramids to temples our ancestors knew how to get things done more than 2 000 years ago travelers would write about incredible sights they had seen on their journeys over time seven of the seven wonders of the ancient world were the great pyramid of giza egypt the statue of zeus at olympia greece the hanging gardens of babylon iraq the mausoleum at halicarnassus turkey the temple of artemis at ephesus greece the colossus of rhodes greece the lighthouse at alexandria egypt contents show the seven wonders of the ancient world were a selection of exceptional pieces of architecture and works of art in the middle east north africa and southern europe what are the 7 wonders of the world ancient greek pilgrims compiled a list of the most astonishing creations they came across in their trials and today we honor that legacy by doing the same as of 2007 according to the new7wonders foundation these are the most stunning constructions people have ever built great pyramid of giza egypt the great pyramid of giza stands as a crowning achievement of the ancient world it s not only one of the 7 wonders of the ancient world but also the oldest and the only one still standing today this great pyramid was a monumental tomb built for the egyptian pharaoh khufu the seven wonders of the ancient world represent some of the most extraordinary examples of human architecture and engineering that were created by various ancient civilizations these once iconic landmarks include the great pyramid of giza in egypt the only wonder that is largely intact today the list includes the great pyramid of giza the mausoleum at halicarnassus the temple of artemis in ephesus the statue of zeus from olympia the colossus of rhodes alexandria s pharos or great lighthouse and the hanging gardens of babylon all but one of them has since been lost however unlike an empire that unites nations and regions under one centralized government by force a civilization refers to a group of sovereign places united by a common culture now without further ado here are the 7 greatest ancient civilizations from left to right top to bottom chichen itza christ the redeemer the great wall of china machu picchu petra the taj mahal and the colosseum the new 7 wonders of the world was a campaign started in 2001 to choose wonders of the world from a selection of 200 existing monuments 1 the popularity poll via free based voting and small
