confidence support and often some start up finance to make a go of it this book will provide inspiration information and loads of advice from a range of women who run their own business it starts by recognising that women start all kinds of ventures in many different circumstances developing an idea from home freelancing joining the mumpreneurs launching a business with capital investment buying a franchise or creating a franchise becoming an direct selling agent creating a social enterprise starting up after redundancy or unemployment breaking new ground young retired disabled disadvantaged this book is really just me trying to give the best advice i can i want to help people all over the world and although i do that already whilst broadcasting i wanted to do something that people can refer back to if they ever need to in the last few years i have been through a lot and i don t want anyone to think they have to suffer in silence because you don t everything in my book i have either experienced or seen it i know how it feels when you think the world has its back turned away from you motivating mum motivatingmum co uk is a website that offers support and advice to mums who are running businesses and those who are thinking of starting up in march 2011 motivating mum organised a charity mentoring festival called mummy mentoring month in association with international women s day successful business women were encouraged to donate their time and their professional services and these services were sold to mums who were starting up with all proceeds going to charity as part of this festival we asked business women in the uk and australia to send in blogs which were published one a day during the month of march i kept the scope very wide blog about anything that would give support and advice to mums the results were amazing blogs written by professional coaches and very successful businesswomen and blogs written by people who are just starting out some are sharing their professional advice in various different disciplines some are just sharing their personal journeys successes and failures taken as a whole i think these blogs provide a great resource of really good advice for mums in business and that is why i decided to put them together into an ebook that people can dip into for inspiration on an ongoing basis the charity that we supported for mummy mentoring month in the uk is nema nemafoundation org which helps women in rural mozambique with aid healthcare and

education so that they can support their communities and families so in order to continue the spirit of mummy mentoring month and international women s day i am donating 20 of my royalties from the sale of this book to nema i hope that you will be inspired and educated by the blogs in this book if you are please visit motivatingmum co uk or motivatingmum com in australia where the support advice and inspiration is ongoing there is a long and sacred tradition of women inspiring other women in overcoming seemingly impossible difficulties in following dreams into uncharted territory in rising to great heights of achievement in finding spiritual and creative fulfillment the world s best advice from the world s wisest women from other women is a collection of wise advice personal anecdotes though i don't have legal clearance to give juicy details through much incredible family dysfunction both of my girls spent a significant amount of years in the custody of their grandmother this precarious situation led me to though court appointed at first psychotherapy several years later of therapy led me to explore and process my own ambiguous childhood that was riddled with sexual abuse this exploration spawned another realm of self discovery that led to an extreme appreciation for radical forgiveness see next section for which i am eternally grateful for the maturation of my own emotional health the realm of emotional processing and self discovery along with the desire to leave a by product of said discovery to my kids others re the value in character value building and steering one's own moral compass that they may have missed out on is the largest inspiration for writing this book the contents of these pages represent the conversations experiences and the transference of knowledge of your mothers morals standards and values via tough and expressed love that we have had up until your 18th birthday s respectively i also want to selfishly prepare and or reserve my inevitable place in heaven by fulfilling my charge as a mom it is my fervent hope and prayer that every person who has experienced a fragmented relationship with his/her parent/guardian can gain enough practical and spiritual advice offered here to build their own moral compass to live their lives fully and completely in love take the necessary steps to heal your relationship s it is possible and worth it when i make the transition die don't cry much because i'm gone smile in gratitude for having had me in your life for whatever time we had together i maintain a posture of gratitude for everything and everybody whether positive or negative the positive people and events have created an enormous and expansive sense of gratitude including but certainly not limited to my readers the negative people and events have spawned an enormous and expansive perplexity of forgiveness and love i hope i've completed my plight as god's charge as a mother to my own children and many others as well
