In the Hell of the Eastern Front

2020-09-30

a nazi infantryman recalls the horrors of combat against the soviet union in this wwii memoir as told to his son friedrich fritz sauer was posted to the eastern front in 1942 a soldier in the 132nd infantry division he was deployed in hitler s grand invasion of russia but instead of the swift knockout blow the germans had anticipated operation barbarossa ground on for almost four years sent first to the crimea and then the region around leningrad fritz experienced horrors of all kinds in this memoir fritz recalls losing his best friend to a sniper rescuing the body of a fallen comrade from no man s land enduring soviet tank assaults and his own wounding during a counterattack fritz was later transferred to a tank assault regiment where on a mission to contact another unit he lost his way in the snow after sheltering with a farmer s family fritz headed west to flee the advancing red army his subsequent journey home took many twists and turns

In the Fire of the Eastern Front

2012-02-29

dutch ss accounts are very rare particularly ones such as this covering recruitment training and frontline service first with 5th ss panzer division wiking then later with ss regiment besslein he not only informs and illustrates the general politics of the time but also explains how dutch views of the third reich changed so radically discusses the founding of the waffen ss the recruitment of dutch volunteers into it and why so many non german europeans volunteered to fight and risk their lives for germany his discussion of the intensity of the ss s training is also noteworthy of course the core of the book lies in hendrik s recollections of his service on the eastern front between 1941 and 1945 initially with the 5th ss panzer division wiking he offers the reader an impressive and fluid account whether it be describing the midst of battle surviving 50 degrees below zero frosts and frozen ground or traversing a quagmire of roads of particular historical interest are his later recollections of service during 1944 45 with ss regiment besslein on the eastern front focusing on his participation in the epic defense of breslau this siege remains little known in the west and first hand accounts such as hendrik s are even scarcer making this title a worthy addition to the literature on the second world war

The Eastern Front

2018-08-15

stackpole s battle briefings series offers accessible and insightful summaries of battles commanders and other military history topics this volume covers the epic clash between the germans and soviets on the eastern front during world war ii highlights include operation barbarossa the massive battles at stalingrad and kursk and the final desperate resistance of the germans as the red army closed in throughout are accounts from the turrets of t 34 and tiger tanks and from the men who fought often hand to hand in the snow mud and dust of the eastern front

Myths and Legends of the Eastern Front

2020-01-19

this english translation of the original russian work is thought provoking challenging the official version of what happened during world war ii firetrench the memory of the second world war on the eastern front still referred to in modern russia as the great patriotic war is an essential element of russian identity and history as alive today as it was in stalin s time it is represented as a defining episode a positive historical myth that sustains the russian national idea and unites the majority of russian citizens as a result as boris sokolov shows in this powerful and thought provoking study the heroic and tragic side of the war is highlighted while the dark side the incompetent negligent and even criminal way the war was run is overlooked although almost eighty years have passed since the defeat of nazi germany he demonstrates that many of the fabrications put forward during the war and immediately afterwards persist into the present day in a sequence of incisive chapters he uncovers the truth about famous wartime episodes that have been consistently misrepresented his bold reinterpretation should go some way towards dispelling the enduring myths about the great patriotic war it is necessary reading for anyone who is keen to understand how it continues to be distorted in russia today

The Eastern Front 1914-1917

2008-06-26

without question one of the classics of post war historical scholarship stone s boldly conceived and brilliantly executed book opened the eyes of a generation of young british historians raised on tales of the western trenches to the crucial importance of the eastern front in the first world war niall ferguson scholarly lucid entertaining based on a thorough knowledge of austrian and russian sources it sharply revises traditional assumptions about the first world war michael howard

The German Army on the Eastern Front

2018-05-30

histories of the german army on the eastern front generally focus on battlefield exploits on the war as it was fought in the front line they tend to neglect other aspects of the armys experience particularly its participation in the racial war demanded by the leadership of the reich this ground breaking book aims to correct this incomplete often misleading picture using a selection of revealing extracts from a wide range of wartime documents it looks at the totality of the wehrmachts war in the east the documents have previously been unpublished or have never been translated into english and they offer a fascinating inside view of the armys actions and attitudes combat is covered and complicity in hitlers war of annihilation against the soviet union there are sections on the conduct of the war in the rear areas logistics medical judicial and the armys tactics motivation and leadership the entire text is informed by the latest research into the reality of the conflict as it was perceived and understood by those who took part

800 Days on the Eastern Front

2007

litvin s stark candid memoir focuses on his more than two years of service in the red army during its war with germany originally written in 1962 and recently revised through extended interviews between author and translator the result is a gripping account in a straightforward matter of fact tone of the trials and tribulations of being a common soviet soldier on the eastern front during world war ii

The Eastern Front

2024-03-28

the definitive history of the eastern front in the first world war from the acclaimed military historian and author of passchendaele and the western front in the second volume of his landmark first world war trilogy professor nick lloyd tells the story for the first time of what winston churchill once called the unknown war the vast conflict in eastern europe and the balkans that brought about the collapse of three empires much has been written about the fighting in france and belgium yet the eastern front was no less bloody between 1914 and 1917 huge numbers of people perhaps as many as 16 million soldiers and two million civilians were killed wounded or maimed in enormous battles that sometimes ranged across a front of 100 km in length through intimate eyewitness reports diary entries and memoirs many of which have never been translated into english before lloyd reconstructs the full story of a war that began in the balkans as a local struggle between austria hungary and serbia and which sucked in russia germany and italy right through to the final collapse of the habsburg empire in 1918 the eastern front paints a vivid and authoritative picture of a conflict that shook the world and that remains central to understanding the tragic blood soaked trajectory of the entire twentieth century including the current war in ukraine

Nazi Policy on the Eastern Front, 1941

2012

nazi germany s invasion of the soviet union in june 1941 and events on the eastern front that same year were pivotal to the history of world war ii it was during this year that the radicalization of nazi policy through both an all encompassing approach to warfare and the application of genocidal practices became most obvious germany s military aggression and overtly ideological conduct culminating in genocide against soviet jewry and the decimation of the soviet population through planned starvation and brutal antipartisan policies distinguished operation barbarossa the code name for the german invasion of the soviet union from all previous military campaigns in modern european history this collection of essays written by young scholars of seven different nationalities provides readers with the most current interpretations of germany s military economic racial and diplomatic policies in 1941 with its breadth and its thematic focus on total war genocide and radicalization this volume fills a considerable gap in english language literature on germany s war of annihilation against the soviet union and the radicalization of world war ii during this critical year alex j kay is the author of exploitation resettlement mass murder political and economic planning for german occupation policy in the soviet union 1940 1941 and is an independent contractor for the ludwig boltzmann institute for research on war consequences jeff rutherford is assistant professor of history at wheeling jesuit university where he teaches modern european history david stahel is the author of operation barbarossa and germany s defeat in the east and kiev 1941 hitler s battle for supremacy in the east

The Second World War on the Eastern Front

2013-09-13

russia s engagement with germany on the eastern front during world war ii was ferocious unprecedented and bloody costing millions of civilian and military lives in this challenging new book lee baker distinguishes myth from reality and deflates the idea that this war while gargantuan in scale was in essence a war like any other

The First Day on the Eastern Front

2018-11-01

sunday june 22 1941 three million german soldiers invaded the soviet union as part of hitler s long planned operation barbarossa which aimed to destroy the soviet union secure its land as lebensraum for the third reich and enslave its slavic population from launching points in newly acquired poland in three prongs north central south german forces stormed western russia virtually from the baltic to the black sea by late fall the invasion had foundered against russian weather terrain and resistance and by december it had failed at the gates of moscow but early on as the germans sliced through russian territory and soldiers with impunity capturing hundreds of thousands it seemed as though russia would fall in the spirit of martin middlebrook s classic first day on the somme craig luther narrates the events of june 22 1941 a day when german military might was at its peak and seemed as though it would easily conquer the soviet union a day the common soldiers would remember for its tension and the frogs bellowing in the polish marshlands it was a day when the german blitzkrieg decimated soviet command and control within hours and seemed like nothing would stop it from taking moscow luther narrates june 22 one of the pivotal days of world war ii from high command down to the tanks and soldiers at the sharp end covering strategy as well as tactics and the vivid personal stories of the men who crossed the border into the soviet union that fateful day which is the eastern front in microcosm representing the years of industrial scale warfare that followed and the unremitting hostility of germans and soviets

Adventures in My Youth

2013-03-20

the personal memoir of a nazi soldier from joining the german army in 1941 through his time as a panzer on the eastern front originally written only for his daughter armin schedierbauer s adventures in my youth chronicles his time as a soldier during world war ii as an infantry officer with the 252nd infantry division german army schedierbauer saw four years of combat on the eastern front after joining his unit during the winter of 1942 he was wounded six times and had firsthand experience of the soviet offensives in the summer of 1944 and january 1945 while fighting in east prussia he was captured by the soviets and not released until 1947 schedierbauer was only twenty one years old when the war ended and his memoir recollects the experiences he went through as a young man on the front

The Eastern Front

1984

describes the battles weapons and men who took part in the nazi invasion of soviet russia in 1941

The War on the Eastern Front

2021-12-22

the ria novosti press agency now known as sputnik in the west has one of the best archives of soviet second world war photographs and for this remarkable book alexander hill has made a superb selection of them these striking images record vividly as only photographs can the brutal conflict on the eastern front and the extraordinary experience of the soldiers and civilians who were caught up in it every aspect

of the struggle is depicted the fighting on the front lines and behind the lines aerial combat and naval warfare the ordeal of living under german occupation the war industries and lend lease and the massive sacrifices made at every level of soviet society to defeat the germans the photographs and captions take the reader through the entire course of the war from the nazi soviet pact and soviet expansion into poland finland and the baltic republics through operation barbarossa and the german advances of 1941 and 1942 to the momentous battles at stalingrad and kursk and the sequence of massive offensives mounted by the red army that drove the wehrmacht back to berlin the landscapes over which the armies moved and the shattered towns and cities they left behind are recorded as are individuals whose faces were captured by the camera during this devastating conflict over seventy years ago

The Italian War on the Eastern Front, 1941–1943

2019-09-09

the italian army s participation in hitler s war against the soviet union has remained unrecognized and understudied bastian matteo scianna offers a wide ranging in depth corrective mining italian german and russian sources he examines the history of the italian campaign in the east between 1941 and 1943 as well as how the campaign was remembered and memorialized in the domestic and international arena during the cold war linking operational military history with memory studies this book revises our understanding of the italian army in the second world war

The Eastern Front, 1941–45, German Troops and the Barbarisation of Warfare

2001-07-30

based largely upon unpublished sources omer bartov s study looks closely at the background of the german army on the eastern front during the second world war he describes the physical hardship the discipline and morale at the front and analyses the social educational and political background of the junior officers who formed the backbone of the german army only with these factors in mind together with the knowledge of the extent of national socialist indoctrination can we begin to explain the criminal activities of the german army in russia and the extent of involvement of the army in the execution of hitler s brutal policies

Legacies of Stalingrad

2011-09-19

christina morina s book examines the history of the eastern front war and its impact on german politics and society throughout the postwar period she argues that the memory of the eastern front war was one of the most crucial and contested themes in each part of the divided germany although the holocaust gained the most prominent position in west german memory official memory in east germany centered on the war against the ussr the book analyzes the ways in which these memories emerged in postwar german political culture during and after the cold war and how views of these events played a role in contemporary political debates the analysis pays close attention to the biographies of the protagonists both during the war and after drawing distinctions between the accepted public memory of events and individual encounters with the war

War on the Eastern Front, 1941-1945

1982

text and photos record the conditions and experiences of german soldiers on the battle front with russia

Life and Death on the Eastern Front

2022-03-18

this incredible visual record of life and death along the eastern front features more than 250 images from the the pixpast archive a collection of more than 32 000 original color photographs taken between 1936 and 1946 collated into three parts and organised thematically the book begins with images of the ground war including hitler s invasion of the soviet union and the tanks vehicles weaponry and infantry on both sides moving into the war in the skies the images depict aircraft in flight and on the ground the bombers fighters luftwaffe personnel and the destruction wrought from battle and finally the images take us behind the lines to the prisoners of war partisans medics the daily lives and leisure activities of soldiers and civilians along the front and the impact of the harsh russian winter accompanied by text by renowned author and commentator anthony tucker jones these images offer a rare often surprising insight into the realities of the second world war and people caught up in it in vivid color detail

The Eastern Front

2012-07-16

written by three leading military historians the eastern front is a superb history of the cataclysmic struggle between nazi germany and the soviet union

War on the Eastern Front

2014-10-30

this classic wwii history presents a comprehensive yet vividly detailed account of the third reich s epic and bitter clash with the red army the opening onslaughts of operation barbarossa began on june 22nd 1941 as german forces stormed into the soviet union few of them were to survive the five long years of bitter struggle a posting to the eastern front during the second world war was rightly regarded with dread by the german soldiers they faced the unremitting hostility of the climate the people and even at times their own leadership there were epic conflicts such as the battles of stalingrad and kursk but surrounding these famous events was a daily war of attrition which ultimately ground hitler s war machine to a halt in this classic account military historian james lucas examines the eastern front from trench warfare to a bicycle mounted antitank unit fighting against the oncoming russian hordes told through the experiences of the german soldiers who endured these nightmarish years of warfare war on the eastern front is a unique record of this cataclysmic campaign

The Initial Period of War on the Eastern Front, 22 June - August 1941

2012-11-12

beginning with operation barbarossa the german invasion of the soviet union in june 1941 this volume draws upon eye witness german accounts supplemented with german archival and detailed soviet materials formerly classified soviet archival materials has been incorporated

Soldiers of Barbarossa

2020-11-15

the scope and scale of operation barbarossa the german invasion of the soviet union make it one of the pivotal events of the second world war yet our understanding of both the military campaign as well as the war of annihilation conducted throughout the occupied territories depends overwhelmingly on top down studies the three million german soldiers who crossed the soviet border and experienced this war are seldom the focus and are often entirely ignored who were these men and how did they see these events luther and stahel two of the leading experts on operation barbarossa have reconstructed the 1941 campaign entirely through the letters as well as a few diaries of more than 200 german soldiers across all areas of the eastern front it is an original perspective on the campaign one of constant combat desperate fear bitter loss and endless exertions one learns the importance of comradeship and military training but also reads the frightening racial and ideological justifications for the war and its violence which at times lead to unrelenting cruelty and even mass murder soldiers of barbarossa is a unique and sobering account of 1941 which includes hundreds of endnotes by luther and stahel providing critical context corrections and commentary

The World Crisis: The Eastern Front

2013-09-23

the conclusion of the great statesman s epic five volume history of world war i the fifth and final volume of winston churchill s remarkable series the world crisis the eastern front tells a gritty true to life account of the combat in eastern europe written by someone whose decisions had a profound impact on the success of war efforts both in the east and in the west jon meacham while the battle for modern civilization was being fought on the western front during world war i an equally important war with equally high stakes was being fought on the eastern front between russia germany and germany s austrian allies it s rare that a historical account of world war i documents in as much detail the events of the eastern front as those of the west churchill s account was one of the first to do so telling the story of an armed conflict that was shockingly dissimilar from its counterpart in the west whether as a statesman or an author churchill was a giant and the world crisis towers over most other books about the great war david fromkin author of a peace to end all peace

World War II: The Eastern Front 1941-1945

2010-01-15

outlines events on the eastern front of world war ii from the 1941 german the invasion of the soviet union to stalin s declaration of war

with japan in 1945

Hitler versus Stalin: The Eastern Front 1941–1942

2016-06-30

this pictorial wwii history chronicles the epic drama of the eastern front from operation barbarossa to the battle of moscow the world was not prepared for the massive onslaught launched by nazi germany on the soviet union on june 22nd 1941 the scale of the invasion and the speed of the german advance forced the red army into a chaotic retreat toward leningrad and moscow as hundreds of thousands of soldiers were taken prisoner but then came the soviet s equally astonishing response despite all the predictions the red army stemmed the wehrmacht s advance held the lines before leningrad and moscow and mounted a counter offensive that changed the course of the campaign and the outcome of the second world war these are the historic events that nik cornish portrays in this volume of rare wartime images portraying the war on the eastern front

War Land on the Eastern Front

2000-05-18

war land on the eastern front is a study of a hidden legacy of world war i the experience of german soldiers on the eastern front and the long term effects of their encounter with eastern europe it presents an anatomy of an occupation charting the ambitions and realities of the new german military state there using hitherto neglected sources from both occupiers and occupied official documents propaganda memoirs and novels it reveals how german views of the east changed during total war new categories for viewing the east took root along with the idea of a german cultural mission in these supposed wastelands after germany s defeat the eastern front s lessons were taken up by the nazis radicalized and enacted when german armies returned to the east in world war ii vejas gabriel liulevicius s persuasive and compelling study fills a yawning gap in the literature of the great war

The Eastern Front

2012

describes the eastern front battles of world war ii in graphic novel format including stories of the battle of stalingrad and the red army s advance into romania

The Eastern Front, 1941-45, German Troops and the Barbarisation of Warfare

1986-04-28

based largely upon unpublished sources omer bartov s study looks closely at the background of the german army on the eastern front during the second world war he describes the physical hardship the discipline and morale at the front and analyses the social educational and political background of the junior officers who formed the backbone of the german army only with these factors in mind together with the knowledge of the extent of national socialist indoctrination can we begin to explain the criminal activities of the german army in russia and the extent of involvement of the army in the execution of hitler s brutal policies

First Winter on the Eastern Front

2013-08-01

photo chronicle of the german soviet campaign on the eastern front during its first brutal winter after operation barbarossa ground to a halt outside moscow

German Army on the Eastern Front—The Advance

2015-01-30

a photographic record of operation barbarossa the conditions endured by the invaders the defenders and civilians caught up in the conflict stuart asquith author of military modelling german army on the eastern front the advance is a highly illustrated record of the extraordinary feat of arms that saw the nazi armies drive deep into the vast terrain of the soviet union to the gates of stalingrad and moscow it traces the campaign from these hopeful beginnings until on the brink of victory the defenders and the winter contrived to slow and then halt the advance it vividly conveys the appalling conditions endured by the invaders by early 1943 the german advance finally petered out leaving some 1 5 million dead from the battle of stalingrad alone the long and costly retreat was about to begin this is a book of photographs featuring some hitherto unseen images of the german army on the eastern front in wwii the pictures and accompanying text have been well researched by the author and in my view this is an ideal book for those interested in that theatre of war in wwii the pictures alone tell the story the armorer the rare photographs will be of great interest to professionals and enthusiasts but this is also a very good starting point for the novice and represents very good value for money this book provides a strong impression of the happy months before the weaknesses led into an increasing string of defeats as the allied forces began to advance on german homeland fire project

The War Behind the Eastern Front

2005

a study based on soviet and german archival sources of soviet partisan activities in the rear of the german army group north 1941 44

The Second World War (5)

2014-06-06

in 1940 fresh from the success in france hitler turned his attention to the east in this volume geoffrey jukes explains what led to hitler s decision to instigate the invasion of the soviet union operation barbarossa and offers a concise account of the campaign that followed the germans expected to conquer russia in only four months but at stalingrad and then kursk the russians fought back at a human cost of 27 million soviet lives hitler was forced into a humiliating retreat and russia emerged from the war as a super power ready to take on the capitalist world

In Deadly Combat

2000

this book offers a ground soldier's perspective on life and death on the front lines providing details of day to day operations and german army life wounded five times and awarded numerous decorations bidermann fought in the crimea and the siege of sebastopol participated in the battles in the forests to the south of leningrad and found himself in the courland pocket at the end of the war he shares his impressions of russian pows of peasants struggling to survive the war and of his fellow german soldiers he also recounts the humiliation of surrender and offers a sober glimpse of life in a soviet gulag annotation copyrighted by book news inc portland or

Through the Maelstrom

2008

a junior officer in the red army provides one of the richest and most detailed memoirs of life and warfare on the eastern front from his combat training in early 1942 until the surrender and occupation of germany

Siege

2004

chilling and authentic historical novel

Hitler Versus Stalin: The Eastern Front, 1943–1944

2017-03-30

the third volume in nik cornish's photographic history of the second world war on the eastern front records in vivid visual detail the sequence of red army offensives that pushed the wehrmacht back across russia after the failure of operation citadel the german attack at kursk previously unpublished images show the epic scale of the build up to the kursk battle and the enormous cost in terms of lives and material of the battle itself they also show that the military initiative was now firmly in soviet hands for the balance of power on the eastern front had shifted and the germans were on the defensive and in retreat subsequent chapters chronicle the hard fought and bloody german withdrawal across western russia and the ukraine recording the red army's liberation of occupied soviet territory the recovery of key cities like orel kharkov and kiev the raising of the siege of leningrad and the advance to the borders of the baltic states not only do the photographs track the sequence of events on the ground they also show the equipment and weapons used by both sides the living conditions experienced by the troops the actions of the soviet partisans the fight against the finns in the north the massive logistical organization behind the front lines and the devastation the war left in its wake

The Anvil of War

2016-10-19

an unprecedented look at german operations on the russian front during world war ii the anvil of war details the german strategies and tactics employed by the commanders on the cataclysmic russian front in the second world war monographs by two german officers who served in russia military improvisations during the russian campaign and german defense tactics against russian breakthrough by general erhard rauss and operations of encircled forces by generalleutnant oldwig von natzmer show how the germans adapted techniques to cope with their enemy s great numerical superiority and managed to delay and sometimes drive back the steamroller russian forces during the german retreat in 1945 these reports were written as part of a u s army program instigated after the war by colonel s l a marshall of the army historical division who was convinced that no record of the war could be complete without the input of german commanding officers and their main staff officers the significance of the material detailing the germans vast experience of fighting the soviets was emphasized with the fear of a russian attack during the cold war

Eyewitness to Wehrmacht Atrocities on the Eastern Front

2021-12-22

a german soldier deployed to russia recounts his harrowing experience as both victim and perpetrator of nazi atrocities in this wwii memoir serving his country on the eastern front luis raffener witnessed devastating acts committed by the german army that couldn t be reconciled with the heroic propaganda back home caught up in the turmoil of the vast conflict he struggled to make sense of the ruthlessness he witnessed and the part he himself played in it in this bracingly candid memoir raffener offers a detailed firsthand account of the nazi war of annihilation in the soviet union raffener chronicles his family life in a remote village in the tyrol in the 1930s his military service in italy his transfer to the wehrmacht and his training as a mechanic on assault guns he then proceeds to his march into the soviet union in 1941 there he experienced as he says war in its brutal and cruel reality captured by the red army raffener barely survived as a prisoner of war his dramatic and honest recollections shatter the myth of the clean conduct of the wehrmacht on the eastern front he testifies to vicious actions including some in which he himself was involved his memoir is not a heroic tale it shows how a man from an ordinary background can come to participate in the horrors of war
