life in twenty first century tonga is rife with uncertainties though the postcolonial island kingdom may give the appearance of stability and order there is a malaise that pervades everyday life a disquiet rooted in the feeling that the twin forces of progress and development and the seemingly inevitable wealth distribution that follows from them have bypassed the society niko besnier s illuminating ethnography analyzes the ways in which segments of this small scale society grapple with their growing anxiety and hold on to different understandings of what modernity means how should it be made relevant to local contexts how it should mesh

with practices and symbols of tradition in the day to day lives of tongans the weight of transformations brought on by neoliberalism and democracy press not in the abstract but in individually significant ways how to make ends meet how to pay lip service to tradition and how to present a modern self without opening oneself to ridicule adopting a wide angled perspective that brings together political economic cultural and social concerns this book focuses on the interface between the different forms that modern uncertainties take

men s fashion particularly the trends involving undergarments was once reserved for the elite today it has become democratized clear proof of social progress the aestheticism of the body so highly valued by the greeks seems to have regained a prominent place in the masculine world mirroring the evolution of society s values the history of underwear also highlights the continuous dancing exchange that exists between women s styles and men s fashion undergarments are concealed flaunted stretched or shortened establishing a game between yesterday s illicit and today s chic and thereby denouncing the sense of disgrace that these simple pieces of clothing used to betray in this work shaun cole endeavours to re establish for the first time through well researched socio economic analysis the importance of men s underwear in the history of costume from ancient times to today a reflection of technological progress this study is full of surprises and powerful reflections on man s relationship with his body

following price and exchange rate liberalization domestic consumer prices in russia moved closer to market levels this paper quantifies the magnitude of the associated relative price changes it also shows that relative price variability has been positively correlated with inflation it is further established that convergence toward international relative and absolute price levels is far from complete and that geographical price dispersion within russia has declined since early 1992 but remains fairly high surviving the rising sun is the story of an american family in the philippines during the japanese occupation in world war ii the author was a teenage girl when she was interned in santo tomas prison camp for over three years along with her parents grandmother and uncle after liberation her grandmother was awarded the medal of freedom for her work in aiding the military prisoners in other camps in the manila area this book includes diary entries letters notes newspaper articles and over one hundred pictures
