Nathan's Run 2011-08-01 an innocent boy is on the run from the law and a ruthless assassin in the new york times bestselling author s heart pounding tale of suspense people after a guard is murdered at a juvenile detention center and one of the inmates is found missing it appears that nathan bailey has graduated from car thief to cold blooded killer now the subject of a nationwide manhunt nathan is the most wanted fugitive in america and only twelve years old but nathan is also the target of another kind of hunt after escaping his corrupt uncle and killing that guard in self defense he has more to fear than legal prosecution he s also the target of a savage hit man to survive he has only himself his smarts and his honesty to depend on but will that be enough as he takes on a world of violence beyond his comprehension fast intriguing a clever plot with enough menace to keep readers on the edge of their seats boston herald

Isn't This Bathsheba? 2011-11-08 bathsheba is undeniably a minor character in the biblical plotline appearing in only four chapters in samuel and kings combined and even therein saying and doing very little thus she is often ignored or mentioned merely parenthetically when bathsheba has been considered she has been depicted in a myriad of ways on the spectrum from helpless victim to hapless seductress in fact with so many different interpretations of her throughout the centuries it is easy to find oneself asking along with the anonymous informant in 2 sam 11 3 isn t this bathsheba this study argues that while she is a minor character bathsheba is complex and positive and shows development from when she first appears in samuel to when she fades out of the story in kings koenig compares close and careful reading of bathsheba in the masoretic text with the story as it appears in the versions of the septuagint the peshitta and the targum of jonathan in those versions bathsheba s characterization as a complex generally positive individual and as a character who shows development remains consistent with the masoretic text not in spite of the changes from the hebrew into greek syriac and aramaic but because of them this study also considers how bathsheba is portrayed in early jewish interpretations from josephus the talmud and rabbinic midrash even there the portrayal of bathsheba is rich and positive studying bathsheba s character has implications for a broader understanding of how texts are read how meanings are gathered and how characters are built

Robert Nathan 1968 the transformational decade shows the transformation that took place in american life from the attack on the world trade center to the emergence of the obama presidency it is not a strict history but rather snapshots of a decade that has fundamentally altered perceptions of the united states in some respects this book is modeled after frederick lewis allen s only yesterday and since yesterday acclaimed books that sought to capture the spirit of the 1920s and 30s london sees the period from 2001 to 2008 as post yesterday a period that broke with the past challenged the essence of the free market and contested america s role on the world stage in an effort to limn these snapshots from recent history london has written several decade books the overheated decade the counterfeit decade and the decade of denial this book the transformational decade differs in that it represents a separation from the past london illuminates a decade that he considers to be a new and more frightful period than any in recent american history

The Transformational Decade 2012-05-14 tremper longman has studied and taught the old testament and its interpretation for four decades now in a planned three book project he presents his mature thoughts on the essentials of old testament interpretation this first volume explores the importance of reading the old testament as literature we need to recognize that each culture tells its stories and writes its poems in different ways to read and understand the old testament texts the way the ancient authors intended we need to be aware of the conventions of hebrew storytelling and poetry in part one dealing with literary theory longman investigates how texts create meaning the history of the study of the old testament as literature and how genre dictates reading strategy he explores the hebrew conventions of both narrative and poetry in conversation with contemporary literary analysis part two delves into practice using the tools gained in part one to look at

and interpret a variety of old testament narratives and poetry longman s accessible writing and balanced judgments make this book suitable for the classroom and the church

The Old Testament as Literature (Approaching the Old Testament) 2024-04-23 new and classic explorations of the work of rabbi nahman of bratslav a major hasidic thinker using a wide range of approaches

God's Voice from the Void 2012-02-01 gershom scholem stands out among modern thinkers for the richness and power of his historical imagination a work widely esteemed as his magnum opus sabbatai Şevi offers a vividly detailed account of the only messianic movement ever to engulf the entire jewish world sabbatai Şevi was an obscure kabbalist rabbi of seventeenth century turkey who aroused a fervent following that spread over the jewish world after he declared himself to be the messiah the movement suffered a severe blow when Şevi was forced to convert to islam but a clandestine sect survived a monumental and revisionary work of jewish historiography sabbatai Şevi details Şevi s rise to prominence and stands out for its combination of philological and empirical authority and passion this edition contains a new introduction by yaacob dweck that explains the scholarly importance of scholem s work to a new generation of readers

Livres hebdo 2006 the pivot pattern is a unique type of chiasmus a linguistic pattern characterized by an inversion of the internal order of a phrase or passage the main idea is found primarily at its pivot while its elements normally of an uneven number are distributed on both sides of the pivot in a mirrored symmetry klaus undertakes here to compile a grammar of the pattern and to characterize exemplify and differentiate its various forms

Sabbatai Sevi 1973 across europe and particularly in great britain the romantic age coincided with a large scale revival of lost literatures and the first attempts to create a coherent history of western literature calling into question that history stuart curran demonstrates that the romantic poets far from being indifferent or hostile to popular forms of literature were actually obsessed with them as repositories of literary conventions and conveyors of implicit ideological value whether in their proccupation with fixed forms which resulted in the incomparable artistry of romantic odes or in their rethinking of major genres like the pastoral the epic and the romance the romantic poets transformed every element they touched to suit their own democratic secular and skeptical ethos a world view recognizably modern in its dimensions

The First and Second Books of the Kings 1909 to keep his practice alive a desperate lawyer takes a case defending a battered wife just seven years after he left law school sid kaplan was one of new york s top defense attorneys with a glittering style and a hunger for competition he was as fierce as they come he was the go to lawyer for manhattan s toughest flashiest criminals until his mother s death wrecked his confidence suddenly the only way to sustain his sixteen hour days was a ceaseless stream of cocaine and scotch a combination that ruined his life s work in a matter of months his only remaining employees are caleb and julia a pair of ex clients who don t mind working for irregular pay sid s latest bum case is priscilla sweet a drug addict with priors violent tendencies and a dead husband whom she may or may not have killed in self defense she also has dangerous friends which means that defending prissy will make sid famous again either on the front page or in the obituaries

Pivot Patterns in the Former Prophets 1999-06-01 gershom scholem stands out among modern thinkers for the richness and power of his historical imagination a work widely esteemed as his magnum opus sabbatai Şevi offers a vividly detailed account of the only messianic movement ever to engulf the entire jewish world sabbatai Şevi was an obscure kabbalist rabbi of seventeenth century turkey who aroused a fervent following that spread over the jewish world after he declared himself to be the messiah the movement suffered a severe blow when Şevi was forced to convert to islam but a clandestine sect survived a monumental and revisionary work of jewish historiography sabbatai Şevi details Şevi s rise to prominence and stands out for

its combination of philological and empirical authority and passion this edition contains a new introduction by yaacob dweck that explains the scholarly importance of scholem s work to a new generation of readers

Poetic Form and British Romanticism 1990-02-22 has anyone ever worked harder and longer at being immature than philip roth the novelist himself pointed out the paradox saying that after establishing a reputation for maturity with two earnest novels he worked hard and long and diligently to be frivolous an effort that resulted in the notoriously immature portnoy s complaint 1969 three and a half decades and more than twenty books later roth is still at his serious pursuit of the unserious but his art of immaturity has itself matured developing surprising links with two traditions of immaturity an american one that includes emerson melville and henry james and a late twentieth century eastern european one that developed in reaction to totalitarianism in philip roth s rude truth one of the first major studies of roth s career as a whole ross posnock examines roth s mature immaturity in all its depth and richness philip roth s rude truth will force readers to reconsider the narrow categories into which roth has often been slotted laureate of newark new jersey junior partner in the firm salinger bellow mailer and malamud jewish american regionalist in dramatic contrast to these caricatures the roth who emerges from posnock s readable and intellectually vibrant study is a great cosmopolitan in the tradition of henry james and milan kundera

Bad Lawyer 2013-01-22 the bane of cinco de mayo follows the ill fated career of a mexican immigrant who enters the u s illegally becomes naturalized and joins the central intelligence agency he distinguishes himself on black missions that involve international intrigue and assassinations he becomes disillusioned with the political environment and turns into a renegade wet rogue agent wra the plot thickens when he attempts to murder a governor who is campaigning for the republican presidential nomination like the two earlier books in the trilogy this one deals with a potpourri of unlikely characters who are drawn together by ironies and individual agendas

Sabbatai Şevi 2016-09-20 louise nevelson one of the most important american sculptors of the twentieth century was a beautiful woman who lived so audacious a life that by the time of her death she was a legend both inside and outside the art world born Leah Berliawsky in czarist russia in 1899 she grew up in maine ostracized as a jew and a foreigner at twenty she escaped to manhattan as mrs charles nevelson eventually leaving her husband for a life devoted to art she lived and loved with lusty abandon often in poverty and obscurity until she finally achieved fame and fortune at sixty this biography of a monstre sacre is a tale of hard tacks heroism and heedless swipes at those who dared to love her said interview magazine nevelson found inspiration in cubism primitive art and her own unconscious creating a rich iconography of images with black white or gold paint and perfect placement she transformed old pieces of wood picked up on the street into powerful sculptures in later years she appeared in mink eyelashes and flamboyant costumes all the while going to her studio every day before dawn to add to the astonishing body of work now in collections of museums around the world laurie lisle interviewed nevelson before the artist s death in 1988 as well as her lovers family members artist friends and many others this biography provides fascinating insights and information discovered in archives and public records letters and diaries and the artist s own prose and poetry now in a revised e book edition louise nevelson a passionate life is the only biography of this important american sculptor it is impressive in its thoroughness which nonetheless results in good reading by virtue of its interweaving of personal and professional information its eclectic introduction of psychological analysis and a phraseology that appreciates both the pain and the joy surrounding nevelson s eccentric behavior according to woman s art journal

The Sunday School Helper 1896 continuing graham hurley s series charting the shadowy and often lethal pas de deux between rival allied and german intelligence services during world war ii

Philip Roth's Rude Truth 2008-07-28 for centuries the most revered poem in the western literary canon vergil's aeneid celebrates the roman virtue of pietas in the preface to his english translation of the poem john dryden attempts to explain all that this virtue includes piety alone he writes comprehends the whole duty of man towards the gods towards his country and towards his relations dryden's definition belongs to a dialogue about meaning that reflects a history of contention over religious political and moral issues of enduring cultural significance because it is the site of antagonism between pagan and christian republican and imperialist emperor and pope protestant and catholic pietas and its derivatives in the modern languages bring to literary works multiple contexts of ideological dispute this book traces the history of the vergilian ideal from classical latin to neoclassical english literature in the process of it comparatively engages interpretation of a range of literary works diversely responsive to the aeneid from the histories and historical epics of the silver age to the medieval mirrors for magistrates to renaissance adaptations of aeneid 4 and 12 and finally to dryden's complete translation

The Bane of Cinco de Mayo 2000-08 this final volume in the successful catholic commentary on sacred scripture new testament series interprets first and second thessalonians from within the living tradition of the church nathan eubank recovers interpretations of these pauline letters from the ancient and medieval church as he explores their historical and theological significance attractively packaged and accessibly written this commentary series relates scripture to christian life today
Louise Nevelson 2016-03-08 a pleasant mystery and a loving tribute to poodles fetching in every way booklist melanie travis thought her sleuthing days were behind her she has a new baby to take care of not to mention five standard poodles these days the closest melanie gets to detective work is scoping out the scene at the local doggie day care center for her friend alice brickman as melanie learns it's a dog's life at the pine ridge canine care center and life is good everyone seems blissfully happy everyone canine that is as melanie soon discovers there are some simmering resentments among the pine ridge staff and when steve pine the center's charming good looking co owner is found shot to death on the floor of his office there's no shortage of suspects with the police at a loss for leads it's now up to melanie to go undercover and sniff out a killer whose secrets lie buried in a dog's paradise that's proving to be anything but from an agatha and macavity award finalist this is another cute tail wagging puzzler publishers weekly delightful four paws for this one carolyn hart new york times bestselling author of the death on demand series if you like dogs you'll love laurien berenson's melanie travis mysteries joanne fluke new york times bestselling author of the hannah swensen series

First Book of the Kings 1890 this has been offered to the reader as if to say that from the very outset any study of revelation that is done or offered without the direct application of jesus teaching specifically his sermon on the mount of olives is incomplete at best the argument that god conclusively broadened his redemptive purpose beginning with the jewish people then spread to all races as promised in matthew 28:19 rings true in revelation when understood in the context of what jesus taught what's more the development of temple based worship into a simpler spiritual based worship as expected in john 4:21-24 is equally difficult to ignore from what appears to have been fulfilled in the prophecy of revelation as predicted by jesus in his mount of olives sermon

The First Book of the Kings 1892 the new english bible translation of the text with an introduction and commentary
The First Book of Kings 1886 an original and thoughtful approach to a grace filled theology of leadership in a post christian culture parish clergy can find themselves at a loss ill equipped to deal with a reality for which seminary did not prepare them as a result the church and its clergy can seem to flounder from one program to the next or get enamored with secular self help strategies to learn to lead well in this new context the church needs to help clergy refocus on what both works and is true to their tradition and theology enter scott benhase whose done and left undone proposes an ascetical theology of

leadership based in st benedict s promise of stability obedience and conversion of life the promise helps clergy move forward from their inward identity to their outward askesis discipline their inner life experience of resting in the mercy of god s grace in harmony with their outward role in the church benhase believes parish clergy can lead faithfully and well without following a program or leadership style that does not fit them leading from ascetical grace does not require parish clergy to be something they are not it invites them rather to a way of being and an askesis that will help them be both faithful and effective in parish leadership

Aurore 2017-06 this is volume iii of six in a series on the ancient near east originally published in 1880 this is a succinct account of the talmud with its siz orders sedarim seventy one massicth and 633 perakim and 4187 mishnaoith a considerable part of the mishna has been at different times translated into english and other modern languages and to many theologians it has been known as a whole by the magnificent work of surenhusius

Pietas from Vergil to Dryden 1992-02-24 this groundbreaking book examines the significance of the news media for the political beliefs and behavior of contemporary americans relying on original in depth interviews with members of the group known as generation x marco calavita analyzes the memories and understandings of these individuals political development dating back to childhood specifically he focuses on the developmental significance of news media engagement in the context of institutions and phenomena like family peers schooling and popular culture calavita succeeds where others have failed at exploring the inevitably contextualized and ecological nature of individual political development and the specific roles of news media in that development apprehending politics illuminates the subtle but fundamental power of news media in who we are politically and how we got that way

First and Second Thessalonians (Catholic Commentary on Sacred Scripture) 2019-11-05 in private associations and jewish communities in the hellenistic and roman cities benedikt eckhardt brings together a group of experts to investigate a problem of historical categorization traditionally scholars have either presupposed that jewish groups were greco roman associations like others or have treated them in isolation from other groups attempts to begin a cross disciplinary dialogue about the presuppositions and ultimate aims of the respective approaches have shown that much preliminary work on categories is necessary this book explores the methodological dividing lines based on the common sense assumption that different questions require different solutions re introducing historical differentiation into a field that has been dominated by abstractions it provides the debate with a new foundation case studies highlight the problems and advantages of different approaches

Doggie Day Care Murder 2012-08-15 everything you wanted to know about the lacanian critique of deconstruction but were afraid to ask the coen brothers the coen brothers films are rife with figures of absence in the big lebowski the dude does nothing he is put on the trail of a kidnapping that never happened and solves the crime when he realizes that he paid the ransom with a ringer for a ringer the hudsucker proxy features a dupe who draws zeros throughout the film enthusiastically proclaiming you know for the kids barton fink is a film that revolves around the absence of a film in apropos of nothing clark buckner appeals to these and other figures of the void in the coen brothers films in order to articulate the close proximity and ultimate opposition between lacanian psychoanalysis and derridean deconstruction in the process he situates both theories in relationship to heidegger s existential phenomenology and undertakes a comparative analysis of the negativity in death language drive anxiety visual perception paternity and the unconscious formulating one of the most theoretically rigorous readings of the coens oeuvre to date buckner also offers a readable overview of some central debates in late twentieth century continental philosophy
