a dark and witty story of environmental collapse and runaway capitalism from the booker listed author of the teleportation

accident the near future tens of thousands of species are going extinct every year and a whole industry has sprung up around their extinctions to help us preserve the remnants or perhaps just assuage our guilt for instance the biobanks secure archives of dna samples from which lost organisms might someday be resurrected but then one day it s all gone a mysterious cyber attack hits every biobank simultaneously wiping out the last traces of the perished species now we re never getting them back karin resaint and mark halyard are concerned with one species in particular the venomous lumpsucker a small ugly bottom feeder that happens to be the most intelligent fish on the planet resaint is an animal cognition scientist consumed with existential grief over what humans have done to nature halyard is an exec from the extinction industry complicit in the mining operation that destroyed the lumpsucker s last known habitat across the dystopian landscapes of the 2030s a nature reserve full of toxic waste a floating city on the ocean the hinterlands of a totalitarian state resaint and halyard hunt for a surviving lumpsucker and the further they go the deeper they re drawn into the mystery of the attack on the biobanks who was really behind it and why would anyone do such a thing virtuosic and profound witty and despairing venomous lumpsucker is ned beauman at his very best

egon loeser n est pas un héros banal c est un obsédé sexuel mais il ne couche jamais ou presque il est obnubilé par une jeune femme adele hitler aucun rapport avec adolf plongée dans la débauche la plus totale il est aussi obsédé par la téléportation mais toutes ses tentatives de mettre en scène une machine capable de ce prodige échouent lamentablement on suit ce drôle de type de 1931 à 1962 de berlin à paris en passant par los angeles et washington d c il est le jouet des événements et des rencontres dans ce roman qui fourmille astucieusement de personnages secondaires jubilatoires loeser ne maîtrise pas grand chose participe même à un autodafé à berlin en 1933 pensant qu il s agit d une joyeuse réunion d étudiants il n est pas loin de se prendre pour un justicier sorti tout droit des pages d un roman noir

mais demeure cette grande question arrivera t il à faire l amour avec adele l accident de téléportation est un roman singulier singulièrement intelligent singulièrement audacieux singulièrement bizarre d un singulier jeune auteur témérairement doué ben cosgrove time
