Before You Live Together

2003-08-08

will living together bring you closer or drive you apart you are about to make a decision that will take your life in a totally new direction one that will have a lasting impact on you and someone you love if you are wrestling with that decision now is the time to stop and set your emotions gently aside and take time to sort through your own feelings as well as other people s opinions about what is best for you the basic message of before you live together is candid caring and thoughtful using true stories to illustrate different living together situations and their outcomes it also addresses the basic questions and issues you may have asked yourself including is this the best way to find out if we are compatible why do we need a piece of paper to tell us we are committed to each other is it so much cheaper than paying two rents while this book presents biblical values in a compelling and loving way it never lectures but instead seeks to help you decide what is best for both of you read it for yourself read it with the one you love read it to make the right decision at the time when it matters most

Love Where You Live

2019-01-22

despite being part of one of the most mobile societies in history it s easy for us to feel stuck where we are whether because of a recent move or because we re still in the exact same place we ve been for years many of us just aren t where we thought we d be or doing what we thought we d be doing sometimes we may wonder if god knows what he s doing how can this be part of his plan with enthusiasm and contagious joy shauna pilgreen assures readers that yes god does have a plan and a purpose for them right where they are in fact he sent them there she invites readers to live sent showing them how to see their surroundings with fresh eyes and renewed energy weaving her own remarkable story with biblical habits readers can incorporate into their daily routines pilgreen equips us to reach out into our communities with god s love knowing that our efforts are never in vain

If You Lived Here

2011

features detailed bas relief collage spreads of dwellings in other world regions and historical times to explain how different people live and have lived from a village house in south africa to a floating green house in the netherlands

If You Lived Here, You'd Be Home Already

2019-09-19

back in the days of ronald reagan s america those far from innocent days of nostalgic rot and willful illusion small town life was thought to be simple pure the source of all decent values and the home of true hearts and ever helpful neighbors who bear each other s burdens james mcgrath a church musician who has just destroyed his personal life and his career through an act of catastrophic stupidity believes this nonsense just long enough to flee a city he loves hoping to heal he goes to live with his father in a tiny town on the canadian border he finds what fools have always found truths more ordinary and more bitter than he wants to accept and a life more impoverished and antagonistic than he imagined descending into this bleak reality like jesus in the wilderness james must face and answer the question what do we live by he makes some friends falls in and out of love rediscovers his art and eventually finds a way back into his life but it s not a smooth journey and it comes with a price

The Revolution Where You Live

2017-01-09

discover the real revolution unfolding across america america faces huge challenges climate change social injustice racist violence economic insecurity journalist sarah van gelder suspected that there were solutions and she went looking for them not in the centers of power where people are richly rewarded for their allegiance to the status quo but off the beaten track in rural communities small towns and neglected urban neighborhoods she bought a used pickup truck and camper and set off on a 12 000 mile journey through eighteen states dozens of cities and towns and five indian reservations from the ranches of montana to the coalfields of kentucky to the urban cores of chicago and detroit van gelder discovered people and communities who are remaking america from the ground up join her as she meets the quirky and the committed the local heroes and the healers who under the mass media s radar are getting stuff done the common thread running through their work was best summed up by a phrase she saw on a mural in newark we the people love this place that connection we each have to our physical and ecological place and to our human community is where we find our power and our best hopes for a new america

On the Street where You Live: Victoria's early roads and railways

2000

in the mid 1800s victoria grew from a fur trading post into a provincial capital the jewel in british columbia s golden crown meanwhile many of the early residents happy to leave the hudson s bay company behind followed simple trails from the fort or discovered new routes of their own in her first book danda humphreys introduced readers to some of the people who forged those pioneer pathways now she takes us another step back in time to the roads and railways that connected the original city s core to today s suburbs from saanich to sooke street names tell stories of intrigue and adventure rowland avenue named for the farm labourer with a sinister sideline hangman for the hbc joan crescent where coal baron robert dunsmuir s widow once resided in solitary splendour in a castle called craigdarroch sidney avenue close to where the brethour brothers donated land for the northern terminus of the cordwood express first train to link the city with the saanich peninsula and the islands in the strait of georgia in this second book in her on the street where you live trilogy danda once again combines her passion for the past with a penchant for lively prose to bring you stories about victoria s pioneers you know the streets now meet the people their lives their loves and the legends they left behind

It's Not Where You Live, It's How You Live

2023-01-05

this ground breaking and compelling book takes us deep into the world of a public housing estate in dublin showing in fine detail the life struggles of those who live there the book puts the emphasis on class and gender processes revealing them to be the crucial dynamics in the lives of public housing residents the hope is that this understanding can help change perspectives on public housing in a way that diminishes suffering and contributes to human flourishing and well being combining long term research into residents lived experience with critical realist theory it provides a completely fresh perspective on public housing in ireland and arguably beyond
