The Fall of Yugoslavia 1992 vigorous passionate humane and extremely readable for an account of what has actually happened glenny s book so far stands unparalleled the new republic the fall of yugoslavia tells the whole true story of the balkan crisis and the ensuing war for those around the world who have watched the battle unfold with a mixture of horror dread and confusion when croatia and slovenia declared their independence in june 1991 peaceful neighbors of four decades took up arms against each other once again and a savage war flared in the balkans the underlying causes go back to business left unfinished by both the second and first world wars in this acclaimed book now revised and updated with a new chapter on the dayton accords and the subsequent u s involvement misha glenny offers a sobering eyewitness chronicle of the events that rekindled the violent conflict a lucid and impartial analysis of the politics behind them and incisive portraits of the main personalities involved above all he shows us the human realities behind the headlines and puts in its true historical context one of the most ferocious civil wars of our time

The Fall of Yugoslavia 1996-09 in this third fully revised and updated discussion of the five year conflict in the former yugoslavia misha glenny looks ahead to the uncertain future in this turbulent region it is an eyewitness chronicle of the struggle for independence for croatia and slovenia

The Balkan Wars, 1912-1913 2005-01-01 there has broken out and is now in progress a war which is generally regarded as the greatest of all time a war already involving five of the six great powers and three of the smaller nations of europe as well as japan and turkey so opens this second edition of the classic history published mere months after the first in 1914 and prompted by the rapidly devolving global political situation students of world war i and war reportage will find a stunning immediacy and a journalistic urgency in this recounting of a war that turned out to be but a mere skirmish preceding a much larger conflagration told by a diplomat on the scene the author a former philosophy professor served as u s minister to greece and montenegro during the balkan wars author bio jacob gould schurman 1854 1942 was born on prince edward island and educated in britain and germany but spent much of his life in the service of government and education in the united states in 1892 he was named cornell university s third president and during his 28 year tenure advanced the causes of academic freedom and intellectual liberalism his wide ranging diplomatic missions embarked upon during his years as cornell s president took him around the globe to postings in the pacific europe and china

The Balkan Wars 2009-01-01 for many countries in europe the early twentieth century was a maelstrom of conflict as age old alliances and feuds shifted and realigned in response to modernity imperialism colonialism and myriad other variables in this wide ranging analysis of the balkan wars that erupted in 1912 and 1913 when bulgaria greece serbia and montenegro mounted a joint attack against the ottoman empire historian jacob gould schurman assesses the aftermath and implications including the conflict s impact on the stirrings of turmoil that would later lead to the first world war

The Old Bridge 1995 nowhere is the refugee problem more apparent than in the former yugoslavia on his five journeys to the area between august 1992 and september 1994 christopher merrill has witnessed firsthand the plight of the refugees men and women whose stories illustrate their urgent needs and the

international community's inability to meet those needs

Only the Nails Remain 2001-10-23 only the nails remain scenes from the balkan wars is a chronicle of poet and critic christopher merrillos ten war time journeys to the balkans from the years 1992 through 1996 at once a travelogue a book of war reportage and a biography of the imagination under siege this beautifully written and personal narrative takes the reader along on the author's journeys to all the provinces and republics of the former yugoslavia and surrounding countries this literary meditation on war is a fascinating portrait of the poetry politics and the people of the balkans which will provide insight into the past present and future of those war torn lands
The Past in Exile 2007 in this study of identity politics memory and long distance nationalism among serbian migrants in california the author examines the complicated ways in which visions of the past are used to form diaspora subjects and make claims to the homeland in the present drawing on extended fieldwork in the san francisco bay area community she shows how the yugoslav wars generated a reevaluation serbian history and personal life stories resulting in the strengthening of ethnic identity nevertheless strategies for dealing with rupture and change also included contestation of exile nationalism

The Balkan Wars 1912-1913 2002-01-04 in the balkan wars 1912 1913 richard hall examines the origins the enactment and the resolution of the balkan wars during which the ottoman empire fought a balkan coalition of bulgaria greece montenegro and serbia the balkan wars of 1912 1913 opened an era of conflict in europe at the beginning of the 20th century which lasted until 1918 and which established a basis for problems which tormented europe until the end of the century based on archival as well as published diplomatic and military sources this book provides the first comprehensive perspective on the diplomatic and military aspects of the balkan wars it demonstrates that because of the diplomatic problems raised and the military strategies and tactics pursued to resolve those problems the balkan wars of 1912 1913 were the first phase of the greater and wider conflict of the first world war

Armies of the Balkan Wars 1912-13 2012-03-20 in 1912 the balkan states formed an alliance in an effort to break free from the crumbling ottoman empire forming an army of some 645 000 troops from greece bulgaria serbia and montenegro they took on a force of 400 000 turkish soldiers both sides were equipped with the latest weapons technology this book looks at the diverse and sometimes colourful uniforms worn by both sides paying special attention to insignia weapons and equipment it also gives an overview of the campaigns that became a priming pan of world war i

The Balkan Wars 2020-08-13 reproduction of the original the balkan wars by jacob gould schurman

Balkan Wars 1916 there has broken out and is now in progress a war which is generally regarded as the greatest of all time a war already involving five

of the six great powers and three of the smaller nations of Europe as well as Japan and Turkey so opens this second edition of the classic history published mere months after the first in 1914 and prompted by the rapidly devolving global political situation students of World War I and war reportage will find a stunning immediacy and a journalistic urgency in this recounting of a war that turned out to be but a mere skirmish preceding a much larger conflagration told by a diplomat on the scene the author a former philosophy professor served as U.S. minister to Greece and Montenegro during the Balkan Wars author bio Jacob Gould Schurman 1854-1942 was born on Prince Edward Island and educated in Britain and Germany but spent much of his life in the service of government and education in the United States in 1892 he was named Cornell University's third president and during his 28 year tenure advanced the causes of academic freedom and intellectual liberalism his wide ranging diplomatic missions embarked upon during his years as Cornell's president took him around the globe to postings in the Pacific Europe and China

The Balkan Wars 2006-01-01 the Clinton administration and the other NATO governments boast that the alliance won a great victory in its war against Yugoslavia

NATO's Empty Victory 2000 did you know that the Balkan peninsula is often referred to as the powder keg of Europe it was a term devised in the early 20th century to describe the unstable political situation in the region just before it exploded into a conflict known as the First World War the Balkan Wars were a series of conflicts fought between the Balkan League Bulgaria Serbia Greece and Montenegro and its allies and the Ottoman Empire but these wars didn't involve any of the great European powers such as Germany France or the United Kingdom this is what makes them less known but they were crucial for the development of the European political scene the Balkan Wars were first fought for ethnic groups that were ruled by the Ottoman Empire so they could gain their complete independence and expand their territory looking up to the successful Western states Serbia Bulgaria Montenegro and Greece wanted to achieve national states with a territory that would gather all their ethnic brothers into one state but the legacy of the Ottoman Empire lives on in the multiethnic hodgepodge of the Balkan peninsula unlike Westerners the Ottomans considered their faith to be the uniting factor not the idea of belonging to a nation this belief created the complex situation in the Balkans that lasts to this day to understand this part of Europe one must look into the past and understand the obscure and complex conflicts that are known as the Balkan Wars this book will take you into the past and show you how it all started from the creation of the Balkan League to the Bucharest Peace Conference read captivating history's the Balkan Wars to understand the origins of the conflict as well as the national aspirations of the Balkan people how Bulgaria gained independence just to lose it against its will the creation of the Balkan League how Bulgarians pushed the Ottomans out of Thrace and Europe how they lost Macedonia their ultimate goal in the process the role of the Greek Navy in the Balkan Wars how Greece took Thessaly and its main prize the port of Thessaloniki why the Montenegrins were tied to Serbia and what their role in the war was why Serbia and Greece agreed on an alliance why Romania and the Ottoman Empire jumped into the conflict how it all ended with a peace treaty signed in Bucharest and Constantinople don't miss this opportunity to learn about the Balkan Wars

The Balkan Wars 2021-09-11 described as the sick man of Europe by the great powers the Ottoman Empire in the early twentieth century was in terminal decline the newly independent Balkan states Greece Serbia Montenegro and Bulgaria each had significant ethnic populations who had remained under Ottoman rule under the guidance of Russia which had its own interests in South East Europe they joined forces against the Ottomans under the name of the Balkan League in 1912 in the first phase of the Balkan Wars Bulgarian Greek Montenegrin and Serbian armies fought together against the Ottoman Empire dealing the Ottomans a heavy defeat in a result that made headlines around the world in the second phase the Balkan states fought each other and Romania also entered the war in the conflict's aftermath new borders failed to satisfy any of the belligerent parties interventions by the great powers further increased tensions in the region as the ultimate result the first bullet that triggered the First World War was fired in Sarajevo in June 1914 the causes and effects of the Balkan Wars have remained controversial despite the passage of time in this volume writers from various Balkan nations and from across various disciplines have come together under the aegis of the Balkan History Association to address little known and little studied aspects of the wars collectively they analyze a huge range of political historical medical sociological and religious aspects of the conflict the book with its groundbreaking content and unique bibliographies will be an important guide for undergraduate and graduate students studying the political military social and artistic history of the Balkan Wars and the Balkan Nations

The Inner History of the Balkan War 2018-11-08 when it comes to the Balkans most people quickly become lost in the quagmire of struggle and intractable hatred that consumes that ancient land today many assume that the genesis of the past ten years of atrocity in the region might have had something to do with Tito and his repressive Yugoslav regime or perhaps with the assassination of Franz Ferdinand in 1914 the seeds were really planted much much earlier on a desolate plain in Kosovo in 1389 when the Serbian prince Lazar and his army clashed with and were defeated by the Ottoman forces of Sultan Murad I in this riveting new history of the Balkan Peoples André Erölymatos explores how ancient events engendered cultural myths that evolved over time gaining psychic strength in the collective consciousnesses of Orthodox Christians and Muslims alike in colorful detail we meet the key figures that instigated and perpetuated these myths including the assassin heroes Milos Obolic and Gavrilo Princip and the warlord Ali Pasha this lively survey of centuries of strife finally puts the modern conflicts in Bosnia and

kosovo into historical context and provides a long overdue account of the origins of ethnic hatred and warmongering in this turbulent land

The Balkan Wars 2008-08-05 this book explores the historical role of the balkan wars in eastern europe the two balkan wars of 1912 13 had greater importance than the first world war for the construction of nations and states this volume shows how these short wars profoundly changed the sociopolitical situation in the balkans with consequences that are still felt today more than one hundred years later the successors of the belligerent states in southeastern europe memorialize the wars as heroic highlights of their respective pasts furthermore the metaphor that the balkans were europe s powder keg perpetuated at the beginning of the twentieth century in the face of these wars was reactivated in both the west and the east up through the yugoslav wars of the 1990s the authors entangle the hitherto exclusive national master narratives and analyse them cogently and trenchantly for an international readership they make an indispensable contribution to the proper integration of the balkan wars into the european historical memory of twentieth century warfare

The Balkan Wars from Contemporary Perception to Historic Memory 2017-01-10 the interest in the balkan wars of 1912 1913 has exceeded the expectations of the publishers of this volume the first edition which was published five months ago is already exhausted and a second is now called for meanwhile there has broken out and is now in progress a war which is generally regarded as the greatest of all time a war already involving five of the six great powers and three of the smaller nations of europe as well as japan and turkey and likely at any time to embroil other countries in europe asia and africa which are already embraced in the area of military operations this war of many nations had its origin in the balkan situation it began on july 28 with the declaration of the dual monarchy to the effect that from that moment austria hungary was in a state of war with serbia and the fundamental reason for this declaration as given in the note or ultimatum to serbia was the charge that the serbian authorities had encouraged the pan serb agitation which seriously menaced the integrity of austria hungary and had already caused the assassination at sarajevo of the heir to the throne

East Central European Society and the Balkan Wars 1987 the history of the balkans incorporates all the major historical themes of the 20th century the rise of nationalism communism and fascism state sponsored genocide and urban warfare focusing on the centuries opening decades war in the balkans seeks to shed new light on the balkan wars through approaching each regional and ethnic conflict as a separate actor before placing them in a wider context although top down great powers historiography is often used to describe the beginnings of the world war i not enough attention has been paid to the events in the region in the years preceding the archduke ferdinand s assassination the balkan wars saw the defeat of the ottoman empire the end of the bulgarian kingdom then one of the most powerful military countries in the region an unprecedented hardening of serbian nationalism the swallowing up of slovenes croats and slovaks in a larger balkan entity and thus set in place the pattern of border realignments which would become familiar for much of the twentieth century

The Balkan Wars 2017-10-30 this authoritative reference follows the history of conflicts in the balkan peninsula from the 19th century through the present day the balkan peninsula which consists of albania bulgaria romania

moldova and the former yugoslavia resides in the southeastern part of the european continent its strategic location as well as its long and bloody history of conflict have helped to define the balkans role in global affairs this singular reference focuses on the events individuals organizations and ideas that have made this region an international player and shaped warfare there for hundreds of years historian and author richard c hall traces the sociopolitical history of the area starting with the early internal conflicts as the balkan states attempted to break away from the ottoman empire to the assassination of archduke franz ferdinand that ignited world war i to the yugoslav wars that erupted in the 1990s and the subsequent war crimes still being investigated today additional coverage focuses on how these countries continue to play an important role in global affairs and international politics

War in the Balkans 2015-11-20 winner of the 2015 norman b tomlinson jr book prize serbia and the balkan front 1914 is the first history of the great war to address in depth the crucial events of 1914 as they played out on the balkan front james lyon demonstrates how blame for the war s outbreak can be placed squarely on austria hungary s expansionist plans and internal political tensions serbian nationalism south slav aspirations the unresolved eastern question and a political assassination sponsored by renegade elements within serbia s security services in doing so he portrays the background and events of the sarajevo assassination and the subsequent military campaigns and diplomacy on the balkan front during 1914 the book details the first battle of the first world war the first allied victory and the massive military humiliations austria hungary suffered at the hands of tiny serbia while discussing the oversized strategic role serbia played for the allies during 1914 lyon challenges existing historiography that contends the habsburg army was ill prepared for war and shows that the dual monarchy was in fact superior in manpower and technology to the serbian army thus laying blame on austria hungary s military leadership rather than on its state of readiness based on archival sources from belgrade sarajevo and vienna and using never before seen material to discuss secret negotiations between turkey and belgrade to carve up albania serbia s desertion epidemic its near surrender to austria hungary in november 1914 and how serbia became the first belligerent to openly proclaim its war aims serbia and the balkan front 1914 enriches our understanding of the outbreak of the war and serbia s role in modern europe it is of great importance to students and scholars of the history of the first world war as well as military diplomatic and modern european history

Inner History of the Balkan War 2019 the fuse to the first world war was lit in the balkans where simmering hatreds exploded into violence like a string of firecrackers these hatreds had been fuelled by attacks on the turkish ottoman empire in the previous few years from 1911 1912 italy seized libya in 1912 the balkan states united to drive turkey out of europe in the first balkans war and in the following year in the second balkans war turned on each other in a division of the spoils which allowed turkey to retain a foothold in europe this was a war of land campaigns sea battles and amphibious operations in which the new military technology was first used submarine and aircraft attacked ships aircraft made reconnaissance flights and bombed troops while even electronic warfare was used it also saw mirror images of the events in the first world war bulgarians driven from salonika

where an allied army would later be contained and turkish troops held back in the dardanelles their guns driving off a naval task force these now forgotten wars were the overture to the first world war and yet they have overtones a century later the first world war saw echoes of these campaigns in salonika and especially in the dardanelles while the ethnic tensions would erupt into further bloodshed after the cold war ended as yugoslavia collapsed during the 1990s

War in the Balkans 2014-10-09 no one could have observed at close range the balkan wars of 1912 1913 without perceiving always in the background and occasionally in the foreground the colossal rival figures of russia and austria hungary attention was called to the phenomenon at various points in this volume and especially in the concluding pages

Serbia and the Balkan Front, 1914 2015-07-30 peace theories and the balkan war is a classic balkan war history text by norman angell that examines the balkan wars in the years preceding world war one whether we blame the belligerents or criticise the powers or sit in sackcloth and ashes ourselves is absolutely of no consequence at the present moment we have sometimes been assured by persons who profess to know that the danger of war has become an illusion well here is a war which has broken out in spite of all that rulers and diplomatists could do to prevent it a war in which the press has had no part a war which the whole force of the money power has been subtly and steadfastly directed to prevent which has come upon us not through the ignorance or credulity of the people but on the contrary through their knowledge of their history and their destiny and through their intense realisation of their wrongs and of their duties as they conceived them a war which from all these causes has burst upon us with all the force of a spontaneous explosion and which in strife and destruction has carried all before it

The Balkan War 1912-1913 2005 the balkan wars from 1912 to 1913 from jacob gould schurman jacob gould schurman canadian born educator and diplomat 1854 1942

The Balkan Wars 2021-08-27 in this collection scholars policymakers and military officials explore the conditions that gave rise to the balkan wars in the 1990s the application of international law to the wars the conduct of the wars and post war issues the essays are based on presentations given at the international conference on the balkans held at florida atlantic university in february 2002 the contributors come from varied backgrounds including international law genocide studies peacekeeping european politics communications history and military studies

Prelude to the First World War 2017-01-24 no critical analysis has ever examined the specific reasons for the ottoman defeat erickson s study fills this gap by studying the operations of the ottoman army from october 1912 through july 1913 and by providing a comprehensive explanation of its doctrines and planning procedures this book is written at an operational level that details every campaign at the level of the army corps more than 30 maps numerous orders of battle and actual ottoman army operations orders illustrate how the turks planned and fought their battles of particular note is the inclusion of the only detailed history in english of the ottoman x corps sarkoy amphibious invasion also included are definitive appendix about ottoman military aviation and a summary of the turks efforts to incorporate the lessons learned from the war into their military structure in 1914 the

ottoman empire fought the balkan wars of 1912 1913 against the joint forces of bulgaria greece montenegro and serbia and was decisively defeated the ottoman army is frequently depicted as a mob of poorly clad faceless turks inept in their attempts to fight a modern war yet by 1912 the ottoman army which was constructed on the german model was in many ways more advanced than certain european armies

The Balkan Wars 1912 To 1913 2004-06-01 though persistently overshadowed by the great war in historical memory the two balkan conflicts of 1912 1913 were among the most consequential of the early twentieth century by pitting the states of greece bulgaria serbia and montenegro against a diminished ottoman empire and subsequently against one another they anticipated many of the horrors of twentieth century warfare even as they produced the tense regional politics that helped spark world war i bringing together an international group of scholars this volume applies the social and cultural insights of the new military history to revisit this critical episode with a central focus on the experiences of both combatants and civilians during wartime

Peace Theories and the Balkan War 2017-10-30 this book uses a comparative case study approach to examine how security cultures change under the impact of political shocks and learning through failure the book thus analyzes the security cultures of germany and the united states as they evolve under the impact of the war in bosnia herzegovina from 1992 to 1995 the thesis thereby also enhances our understanding of german and u s foreign policies using paired observations for controlled comparison the thesis employs process tracing to examine the nature and quantity of change the case studies demonstrate that security cultures influence the assessment of political situations restrain policy objectives and condition the range of issues to which political attention is devoted both cases reveal that security cultures affect the evaluation of policy options and the choices that are made the thesis argues that different transformations of german and u s security cultures led to divergent political behavior particularly with regard to the use of force resulting in more forceful and effective interventions in bosnia and a reframing of future interventions in third party conflicts domestic reactions to the bosnian war transformed the security culture in germany whereas reactions in the u s triggered a re ranking of cultural preferences understanding how security cultures change and evolve through exogenous and endogenous factors improves the chances of policy success in today s challenging international environment

The Inner History of the Balkan War 1930 the balkan wars by jacob gould schurman

The Balkan Wars from 1912 To 1913 2015-05-08 this is a curated and comprehensive collection of the most important works covering matters related to national security diplomacy defense war strategy and tactics the collection spans centuries of thought and experience and includes the latest analysis of international threats both conventional and asymmetric it also includes riveting first person accounts of historic battles and wars some of the books in this series are reproductions of historical works preserved by some of the leading libraries in the world as with any reproduction of a historical artifact some of these books contain missing or blurred pages poor pictures errant marks etc we believe these books are essential to this collection and the study of war and have therefore brought them back into print despite these imperfections we hope you enjoy the unmatched breadth and

depth of this collection from the historical to the just published works
